

## STAR OF THE NORTH

### THINGS ABOUT TOWN & COUNTRY.

#### BLOOMSBURG, PA.

WEDNESDAY OCT. 18, 1865.

We understand Hon. Peter Ent intends putting his fortune in blast in a short time.

THE BUREAU OF POTATOES will be taken at this office for which the cash will be paid. They must be of a good quality otherwise they will not be accepted.

McKELVEY, Neal & Co. have again put their furnace in operation, after standing idle several weeks undergoing repairs.

WANTED—A good girl, to do kitchen work for a small family, to whom fair wages will be paid. Apply at this office.

BUCKWHEAT flour sold in this market a few days since at five dollars and fifty cents per hundred. It is hoped there will be plenty offered and at a much lower figure.

THOMAS D. BROWN, (colored) for several years barber at this place, died last week at Wilkesbarre, where he had been lying ill for some time. It is said he died of consumption. He leaves a wife and child.

The Columbia County Farmers are busily engaged gathering their corn. So far as we have been able to learn, the crop in this county is more than an average one. The summer crops, generally, have been good this season.

BEVER is again selling at 50 cents per pound in this market. We are situated right in the midst of a thickly settled agricultural district and we can't understand why better should command such a high price. It seems like an imposition.

The Balloon Ascension which was made at this place on the Fair Ground, on Saturday last, was the means of sufficiently exciting the curiosity of the people to bring a great many in attendance at the Fair. The Ascension was made very successful—all satisfied, and 'nobody hurt.'

AFTER this week should any of our subscribers fail to receive the Star they can judge 'what's the matter.' We intend giving our list a thorough pruning, and will knock off every delinquent subscriber. Notices have been given time and again to those in arrears to come forward and pay up.

EDITORIAL VISIT.—Our Democratic friend, E. S. M. HILL, Esq., of the Scranton Register, paid us a short visit on Friday last, looking vigorous and hearty after just emerging from a warm campaign in the State of Luzerne. Mr. Hill is a forcible and ready political writer, and publisher of one of the very best and largest weekly newspapers in all Northern Pennsylvania.

THE Agricultural Fair held at this place last week was well attended. The articles on exhibition would compare favorably with those displayed at former fairs. In some of the departments the display was most excellent, while in others it was rather meager. But this always is the case. So far as the taking in of 'cash' was concerned, we are doubtless correct in saying that 'the Fair was a grand success.'

THIS number of the Star completes the twentieth volume. The present is a very good time for all who wish to subscribe to send in their names. Those who have not yet paid for this volume are respectfully requested to do so. We need and must have money to defray our necessary election and other expenses. Hoping all knowing themselves in arrears on subscription, job-work, and advertising, will immediately respond. We will dismiss the subject for a more pleasant one.

COLUMBIA COUNTY never gave a larger Democratic majority considering the small vote polled. We have no fault to find, but on the contrary have reason to rejoice, on account of her doing so well. There were many Democrats who did not see the importance of carrying the State over the Republican party at this time, otherwise the State would have gone for Davis. It is plain to every man that the Democracy have the strength to sweep the State, and next Fall they mean to do it. We have made inroads into the Abolition ranks, reducing their last Fall's majority quite materially.

STANLEY WOODWARD, Esq., the Democratic candidate for State Senator in Luzerne Co., was beaten by a small majority. The Democratic candidate for Sheriff came pretty nearly being defeated in the same county. We are unable to account for this change in Luzerne, unless it was caused by there being such a small vote polled. The Democratic vote was not near all out. The State of Luzerne frequently cuts up such capers; but at this time we are sorry to see it acting so badly. In the Senatorial canvass there was, no doubt, considerable money used by the Opposition. Moccasin tracks are visible. The Winnebago may have been about.

We were informed a few days since that a certain loyal patriot of this town had voted his last ticket, or in other words, that he would attend no more elections. He voted for Lincoln and Johnson; but at present, has become disgusted with President Johnson's course in relation to the rebels, and thinks too much money is being expended trying those people whom he would have executed without trial. This loyalist is now opposing the 'government' and declares he will not exercise the right of suffrage hereafter. Poor fellow. We pity him—President Johnson did not agree to go outside of the Constitution for authority to conduct the affairs of the government to suit the notions of such simple as those who are afraid to.

THE Democratic ticket in Columbia county has over 1400 majority. The Republicans call this ticket the "copperhead ticket," and of course all who voted the Democratic ticket are "copperheads." Some of the more ignorant and less to be minded call the Democrats "rebels." All this matters nothing. The Democrats made very good soldiers, fought well, and bore their wounds with patience; and when it comes to voting, they vote for the restoration of the Union and the laws, for which they fought, and by so doing sustain President Johnson, the man these Abolitionists hate to the bottom of their very hearts and dare not give him their support. Because the war was perverted, and the soldiers used for a purpose for which they did not enlist, is that any reason why they should, when they returned home, vote to continue these accursed schemes and sink deeper the country into ruin; and because you will not agree to do this, you are called "copperheads," "rebels," and denounced as not good Union soldiers, by this unprincipled Abolition party.

PAINTING paper has taken another fearful leap upward in price. Within the last two weeks it has advanced from 14 to 20 cents per pound. Four years ago a better article than can now be obtained at the latter figure, was sold at 9 and ten cents per pound. It is charged that this advance is the result of a combination among manufacturers. If this be so, Congress should give the subject their attention. Protection against domestic imposition is quite as important as protection against cheap labor abroad.

HON. SAMUEL MCLEAN, son of Alexander McLean at Wilkesbarre, has been re-elected Territorial delegate in Congress for Montana, by about 1,000 majority. He is said to be a sound Democrat. That's right; they should send nobody but Democrats to Congress if they choose to be honestly represented.

FOUR cars were thrown from the track of the Pennsylvania Central Railroad, between Harrisburg and Lancaster, on Saturday afternoon. Nine persons were killed and two slightly injured. Among the killed was the wife of Hon. James P. Barr, of Pittsburg, Surveyor General of Pennsylvania.

THE Democrats have carried little Sullivan county by a majority of two hundred and seventy-four on the State Ticket. This is butly for Sullivan, considering the slim vote.

What's your opinion?—It is our opinion to take good care of children at all seasons of the year, but it is well enough in the winter to let them slide.

THE Attorney General has ordered the \$30,000 belonging to Mrs. General Everett, which was libelled at St. Louis, to be restored to the owner.

A NEGRO baby was born in Petersburg, Va., the other day, with the exact impression of a two-cent U. S. revenue stamp on his forehead.—*Litchfield Enquirer.*

The mother must have been chased by a government tax collector.

An alarming earthquake occurred in California on Sunday, by which much damage was done to property, several persons injured, but no lives lost. It is said to have been more severe than ever before known.

DURING the first quarter of the present year the total expenses of the Postoffice Department were \$3,648,869.47. The receipts for the same period were \$3,837,931.51, leaving a profit of \$189,062.04.

A man in St. Louis has sued for divorce on the ground that the marriage was performed when he was under the influence of some stupefying potion the woman had administered to him.

The captain of a whale ship, which not long since arrived at New Bedford from a voyage of thirty seven months, took as his part of the proceeds the sum of \$12,000.

A military guard is still kept up around the Executive Mansion at Washington, and about the houses of Secretaries Stanton and Seward. It is time such royal foolery were stopped.

Gen. Banks don't like the President's policy. Neither does Ben Butler, and for the same reason—there is too much honesty and reticence about it.

Stone, the negro suffrage candidate for Governor of Iowa, will have only about 20,000 majority.

The trial of Captain Pettit, late of the Andersonville prison, will begin at Alexandria, in a few days. Assistant Judge Advocate Gen. Gowan will conduct the case.

A colored corporal was hung at Camp Hamilton near Fort Monroe, on Thursday, for rape committed last April.

On Saturday, the Postmaster General ordered twenty postoffices to be reopened in various Southern States.

TO ADVERTISERS.—The circulation of the Philadelphia AGE, which is steadily and rapidly growing, makes it at least as valuable a medium for advertising as any other commercial and business newspaper in Philadelphia; and the fact that it reaches a large class of conservative readers, scattered over a vast extent of country, who do not take any other Philadelphia paper, commands it, as a means of communicating with the public not possessed by any other Journal published in this city.

The AGE is now established on a sure and permanent foundation. The publishers could easily fill their columns with the unsought and most liberal commendations of the press throughout the country; but they prefer that it should stand altogether upon claims to public confidence well known and established. It will be, as heretofore, the supporter of the National, Conservative, Democratic Union. Principles, opposed alike to radicalism and fanaticism in every form, and devoted to the maintenance of Good Government, Law, and Order. The revival of all the business relations of the country, consequent upon the suppression of the rebellion and the restoration of peace, will enable the publishers to make a number of improvements in the various departments of this Journal and they, therefore, respectfully solicit the support of all who wish to secure one of the best Commercial, Literary, Business, and Family newspapers in the country.

Now is the time to send your orders. Address: GLOBE, BARNER & WELSH, 430 Chestnut Street, PHILADELPHIA.

### THE PHENIX PECTORAL WILL CURE

Your Cough. Read the advertisement below.—The Phoenix Pectoral, or compound Syrup of Wild Cherry and Seneca Snake Root, will cure the Diseases of the Throat and Lungs, such as colds, coughs, croup, Asthma, bronchitis, hoarseness, sore throat, hoarseness, whooping cough, &c.

Its timely use will prevent PULMONARY CONSUMPTION. And even where this fearful disease is fully developed, it will afford more relief than any other medicine. J. Lawrence Geitz, ex-Speaker of the Pennsylvania House of Representatives, says: "This cough remedy is now extensively used, and is of the highest value to the community, its curative qualities having been tested by thousands with the most gratifying results. It is carefully and skillfully prepared from Wild Cherry Bark and Seneca Snake Root, by Dr. Geo. Oberholzer, a reputable physician of Philadelphia, Pa., and is sold by nearly all druggists and country storekeepers."

D. P. Crosby, ex-Post Master and ex-Burgess of Pottstown, certifies as follows: POTTSTOWN, Jan. 3, 1865.

This certifies that I have used the Phoenix Pectoral in my family, and I recommend it to the Public as the very best remedy for cough and colds that I have ever tried. One of my children was taken with a cold, accompanied with a croupy cough, so bad, indeed, that it could not talk and scarcely breathe. Having heard so much said about the Phoenix Pectoral I procured a bottle of it. The first dose relieved the difficulty of breathing, and before the child had taken one fourth of the bottle it was entirely well. Every family should have it in their house. [Signed] D. P. CROSBY.

J. C. Smith, druggist of New Hope Bucks county, Pa., in writing to Dr. Oberholzer, says: "A few days since I bought two dozen of your valuable cough remedy, to try, and find it very good, and as it is nearly all gone I would like you to send me a gross of it."

Your medicine gives better satisfaction than any other I have in the Store. I am agent for some of the most popular cough preparations, but yours seems to be doing the most good."

The following is an extract from a letter from Hiram Ellis, merchant, near Pottstown, Pa.: "I have tried the Phoenix Pectoral and find it to be the best cough medicine extant. It meets with a more ready sale than any other that I have ever had in my store."

The proprietor of this medicine has so much confidence in its curative powers from the testimony of thousands who have used it, that the money will be paid back to any purchaser who is not satisfied with its effects."

It is so pleasant to take that children cry for it. Price THIRTY-FIVE CENTS; large Bottles ONE DOLLAR.

It is intended for only one class of disease, namely those of the THROAT and LUNGS.

Prepared only by LEVI OBERHOLZER M. D., Pottsville, Pa., and sold by all Druggists and Storekeepers. Johnson, Holloway, & Cowden, No. 23 North Sixth Street, Philadelphia, and F. C. West & Co., 115 Franklin Street, New York General Wholesale Agents.

N. B.—If your nearest druggist or storekeeper does not keep this medicine do not let him put you off with some other medicine, because he makes more money on it, but send at once to one of the Agents for it. June 21, 1865.—6m.
