

THINGS ABOUT TOWN & COUNTRY.

BLOOMSBURG, PA.
WEDNESDAY, OCT. 25, 1865.

We are requested to announce the "Nob Mountain" Book is at the office of Col. John G. Fieze, in the Court House, for delivery. Bound copies \$1.50; paper, 1.00.

To Our Patrons.—Those of our subscribers who wish to pay in duckwheat flour, beef, apples, or potatoes, can do so. The trade will be acceptable. Bring it along.

Capt. Buckway, having accepted an invitation, has gone to Trenton, New Jersey, to deliver a speech to the Democracy of that State.

Hon. Myer Strauss, M. C., will please accept our thanks for a copy of the Monthly Report of the Agricultural Department, for September, 1865.

The Republican says the net proceeds of the Fair amount to Nineteen Hundred and Twenty Eight Dollars and Eighteen Cents, and adds, it is "not so bad for a Back Republican Abolition Meeting."

The late appearance of the Star this week, is caused by the death of one of the relatives of the editor of this paper, a more extended notice of which will be seen in another column.

All persons who are fond of a good cigar can be accommodated at the establishment of Mr. H. H. Honsberger, on Main Street—He also keeps on hand an excellent article of chewing tobacco.

The War Department has issued an order to the effect that no person shall hereafter be arrested who has deserted from or failed to report under any of the drafts.

The "Evening Post" is denouncing the suppression of a paper in Ireland, and the arrest of its Editor as "a high handed outrage." The Post has not heard of the suppression of papers in this country!

The World—Is another column of this week's paper will be found the Prospectus of the World, an independent Democratic newspaper, published in New York city.

Colonel Samuel Knorr, commander of a black regiment out in Texas, is home on furlough. The Republican claims for the Colonel that "he had neither influence nor patronage, but he had merit and it was appreciated."

Five regiments of "called" troops are to be sent to Washington hereafter. Their principal duties will consist in occasionally looking at their "called" sister on the great dome and fighting for their ratings.

Mrs. K. W. Wyckoff will commence her Winter Term of School on Monday the 30th of October, at her residence on Third Street. Mrs. W. enjoys the reputation of being an excellent teacher. Her schools are well attended. Terms reasonable.

The Painter.—This valuable publication is still published by John Gazon, a New York city, for \$1.50 per annum, and is as interesting to the "craft" as it always was. It is an almost indispensable article in a well regulated printing office.

The citizens of Centralia, this county, held a meeting a few evenings since, for the purpose of taking steps towards having that town incorporated into a borough. The object seemed to meet with little or no opposition.

Another Soldier Gone.—John Loran, formerly of Company A, 74th P. V., died on Friday, after a brief illness, and was buried on Sunday last. His remains were escorted to the grave by a number of his old companions in arms, who buried him with military honors.

William Stettin, Constable of Conyng ham township, who shot a man not long since while in the act of making an arrest, was released from custody upon giving bail in the amount of \$3,000 for his appearance at our next term of court.

"There is not a government position held by a soldier in this District," has been remarked to us. This, so far as we know, is correct. The office of Assessor in this District has just been filled by a prominent stay-at-home patriot. The Assistant Assessors, as well as the Collectors, are of the same class. Comment is unnecessary.

We notice that the 15th P. V. have been ordered home to be mustered out of service. This will leave but five Regiments from this State in the military service, they might better be out.

There is great corruption in the paymaster's department of Missouri, and a government investigation of its affairs will soon take place. Paymaster Holt, of that department, has been arrested on charge of corruption and fraud. Go it, "loyal thieves!"

Examination of Teachers for Columbia county will be held at the office of the County Superintendent, in Bloomsburg, on Friday and Saturday, the 3rd and 4th days of November next. All teachers, not having received certificates at the regular District examinations, should appear for examination on one of these days.

C. G. BARKLEY, Co. Sept.

DEATH.—On Tuesday morning last, Mr. BENJAMIN A. PRATT, of this place, died of Chronic Diarrhea and Typhoid Fever, which he contracted while in the army. He was confined to his bed over three weeks, when he was relieved of his suffering by death. He was in the nineteenth year of his age.

The deceased was a son of the late Noah S. Pratt, and brother-in-law of the Editor of the Star. His remains were accompanied to the grave by a military escort and buried with the honors of war. Peace to his ashes.

We noticed, a few days since, in our exchanges, that President Johnson had made some appointments, among which was one for this (the 13th) District. It was an Assessor of Internal Revenue. The name of the fortunate person was given as JOHN PALEWAT. This caused us, as no doubt it did many others, to consider over the matter as to who this John Palewat was and where he resided. But we were left in suspense until the Columbia County Republican made its appearance before the vulgar world on Thursday afternoon last, when in the columns of that delectable sheet, we discovered the announcement made with quite a good deal of trumpety, that Dr. PALEWAT, editor of the Republican, had been appointed Assessor of the 13th District of Pennsylvania, in place of Major Isaac S. Monroe, well known as the Doctor's "Old Phrases."

Mr. Monroe's friends seem to be unable to account for this change. Bless their poor souls there are various reasons why this change was made. One is, Dr. P. John edits a paper—runs a machine. Another, he is a very smart man—once practiced medicine among the quagmires of the "back townships," out of which he was driven by the incessant noise made by a certain water fowl. And still another, he is the acknowledged head and front of the Republican party in this county. There may have been other and graver reasons why the Doctor received this appointment; but we suggest the above reasons merely as a matter of consolation to Isaac and his friends, hoping they will give them due consideration and look upon this appointment of Dr. John as a most fitting and desirable one.

"On life thou art a galling load
A long, a rough and weary road
To traitors such as we."
—Republican.

The above will indicate how exceedingly happy the editor of the "Star machine" is at present, and the reader can surmise what might have been his condition, if President Johnson had not given him the appointment of Assessor, thinking, probably, that it might be the means of saving a poor wretch from destruction. The "phiz" which he presents his patrons was evidently taken while he was in the melancholy mood that the likeness represents, and the artist deserves credit for the patience it must have required to so accurately delineate the features of a disconsolate abolitionist. President Johnson has evidently saved Poe John from suicide, and he (John) should try and exhibit a little gratitude and stop abusing the administration. The Democratic roster has turned his back to the turkey bizzard with which the Dr. represents the foolishness of his party. If the Democrats have to take that flat boat up salt river, they will be a long time upon their journey, and if that is the only kind of craft the Republicans can furnish us with, we will stay here until next Fall and send them up "kiting" on a steamer.

Civil Law is again taking the place of Military Law. The former is always supreme, except when it falls into the hands of unprincipled scoundrels, who know no law, and exercise in its stead brute force. Those Provost Marshals and Quartermasters, who have been making illegal arrests of private citizens and robbing the government in every conceivable manner for the past four years are now in some quarters, receiving their just deserts in the shape of fines and imprisonment. This is right. Wherever they have violated the laws they should be punished according to their crimes. It is not too late to look after certain individuals in this county. There are men here who made themselves amenable to the laws by abusing their "brief authority" and if we mistake not they will be properly dealt with. There is no reason why men presuming to be in "authority" should not be made to obey and respect the laws as well as those whom they endeavor to exercise their "authority" over.

Robbery.—On Tuesday night last, a robbery was committed in the house of Philip Christman of this place. The pocket-book of Joseph Christman was rifled to the amount of \$17.00, fifteen of which was in bank notes and the balance, two dollars, in silver. Mrs. H. C. Christman, who, with her husband, was stopping at her father-in-law's, previous to their going to Washington city, had her portfolio picked of its contents. The amt. we did not learn. Her husband had, upon retiring, placed his wallet, as he is in the habit of doing, under his pillow, where it remained safe. The burglar seemed to have no fancy for watches, as several were in his reach, but were left undisturbed. Also a draft for one hundred dollars, payable at the Bank of this place, in the pocket-book of Joseph Christman, was not taken. It is supposed the thief effected an entrance through a back window, but was heard make his exit out of the front door.

DAVID LOWMEYER, Merchant Tailor and Clothier, of this place, has requested us to announce through this week's Star that he has just received at his establishment a large and well selected Stock of Goods for the winter season, both made up and unmade. This is the place to get your Fall and Winter clothes made to order. Mr. L. keeps constantly on hand all kinds of first-class goods, and is prepared at all times to make up gentlemen's clothing, in the height of fashion, upon short notice. This is the season for over-coats and heavy clothing generally. Give him a call.

He would also invite your attention to his case of fine jewelry. He has in this line from a fine gold watch down to a pair of sleeve buttons.

The Pittsburg Chronicle, Republican, says: "The decided gains of the Democratic party in such places as Cleveland and Cincinnati, Ohio, and in many counties of our own State, show that the oft-repeated assertion that the party is dead, is simply romantic." Yes, Mr. Chronicle, a Menchman romance, that had a wide circulation before the election, among the fools and knaves who are always on the lookout for the strongest party to be so.

ARTHUR'S MAGAZINE for November has been received. It is a capital number. This is one of the very best Magazines published. Those desirous of subscribing for a publication of this kind can do no better than to send for this work. Single subscription \$2.50, or three copies \$6.00.

The Democracy have been obliged to bear much ill-will under the charge of being "Southern Sympathizers." But presto, change—Andrew Johnson, President of the United States, has become the greatest "Southern Sympathizer" in the country, and the crime has lost all its criminality in the estimation of the Republican party.

MITCHELL TO BE RELEASED.—The Missouri delegates from the Penian Congress sent on a mission to Washington with reference to the unconditional release of John Mitchell, prisoner at Fortress Monroe, reports that he has been successful, and that the order for that purpose will soon be issued. A similar statement is repeated in other quarters.

On Tuesday last, at Detroit, a man who was suffering from delirium tremens, shot and dangerously wounded his wife and then blew out his own brains.

The question of the emancipation of the Spanish Islands is being earnestly discussed both in Cuba and Spain, and excites great interest.

The child's mind is like a virgin sheet of letter paper; and its address in after life will depend entirely upon the way in which you direct it.

PROSPECTUS OF THE PHILADELPHIA AGE, 1865.

THE only Democratic Daily Morning Journal published in Philadelphia. The publishers of the Philadelphia AGE invite the earnest attention of business men, thinkers, men, literary men, and all who are interested in the various occupations and pursuits of life, to the DAILY and WEEKLY editions of their Journal.

The Philadelphia AGE, which advocates the principles and policy of the Democratic party, is published every morning (Sundays excepted), and contains the latest intelligence from all parts of the world; with carefully prepared articles on Government, Politics, Trade, Finance, and all the current questions and affairs of the day; Local Intelligence, Market Reports, Price Current, Stock quotations, Marine and Commercial Intelligence, Reports of Public Gatherings, Foreign and Domestic Correspondence, Legal Reports, Book Notices, Theatrical Criticisms, Reviews of Literary Art and Music, Agricultural Matters, and discussions of whatever subject is of general interest and importance.

No event of any importance occurs in any part of the country without being fully and promptly telegraphed to and published in its columns. It has all the despatches of the Associated Press, from every part of the United States, and the news from all parts of Europe brought by the steamers is instantly telegraphed, from whatever point the steamers first touch.

TERMS.—Ten Dollars per annum, for a single copy. Five Dollars, for six months. Two Dollars and Fifty cents for three months. And for any less time at the rate of One Dollar per month, payment required invariably in advance.

The Philadelphia Weekly AGE is a complete compendium of the news of the week, and contains the chief editorials, the Price Current and Market Reports, Stock Quotations, Intelligence for Farmers, Correspondence, and all classes of readers. It has in fact, every character of a live newspaper, fitted for the Counting House, the Workshop, the Fireside and the General reader.

THE WEEKLY AGE is mailed in season to reach all parts of Pennsylvania, New Jersey, Delaware, and Maryland, on or before Saturday of each week.

TERMS.—Two Dollars per annum for a single copy. One Dollar for six months. Sixty cents for three months. One copy gratis will be sent for one year to the person forwarding us 20 yearly subscribers paid in advance. No paper will be sent until the subscription is paid.

SPECIMEN COPIES of the above papers sent gratis to any address, on application.

TO ADVERTISERS.—The circulation of the Philadelphia AGE, which is steadily and rapidly growing, makes it at least a valuable medium for advertising as any other commercial and business newspaper in Philadelphia; and the fact that it reaches a large class of conservative readers, scattered over a vast extent of country, who do not take any other Philadelphia paper, commends it, to an extraordinary degree, as a means of communicating with the public not possessed by any other Journal published in this city.

The AGE is now established on a sure and permanent foundation. The publishers could easily fill their columns with the unsought and most liberal commendations of the press throughout the country; but they prefer that it should stand alone, either upon claims to public confidence well-known and established. It will be, as heretofore, the supporter of the National, Conservative, Democratic, Union Principles, opposed alike to radicalism and fanaticism in every form, and devoted to the maintenance of Good Government, Law, and Order. The revival of all the business relations of the country, consequent upon the suppression of the rebellion and the restoration of peace, will enable the publishers to make a number of improvements in the various departments of this Journal, and they, therefore, respectfully solicit the support of all who wish to secure one of the best Commercial, Literary, Business, and Family newspapers in the country.

Now is the time to subscribe. Address, GLOSSBRENER & WELSH, 430 Chestnut Street, PHILADELPHIA. June 7, 1865.

THE PHOENIX PECTORAL

WILL CURE Your Cough.

Read the advertisement below.—The Phoenix Pectoral; or compound of Seneca Snake Root, Wild Cherry, and Syrup of Wild Cherry, cures the Diseases of the Throat and Lungs, such as colds, coughs, croup, Asthma, bronchitis, catarrh, sore throat, hoarseness, whooping cough, &c.

It is timely use will prevent **PULMOARY CONSUMPTION.** And even where this fearful disease is fully developed, it will afford more relief than any other medicine. J. Lawrence Gutz, ex-Speaker of the Pennsylvania House of Representatives, says: "This cough remedy is now extensively used, and is of the highest value to the community, its curative qualities having been tested by thousands with the most gratifying results. It is carefully and skillfully prepared by Dr. H. H. Cherry, of Seneca Snake Root, by Dr. Levi Oberholzer, a reputable physician of Phoenixville, Pa., and is sold by nearly all druggists and country storekeepers."

D. P. Crosby, ex-Post Master and ex-Burgess of Pottstown, certifies as follows: "This certifies that I have used the Phoenix Pectoral in my family, and I recommend it to the Public as the very best remedy for cough and colds that I have ever tried. One of my children was taken with a cold, accompanied with a croupy cough, so bad, indeed, that it could not talk and scarcely breathe. I procured a bottle of the Phoenix Pectoral and I procured a bottle of it. The first dose relieved the difficulty of breathing, and before the child had taken one fourth of the bottle it was entirely well. Every family should have it in their house."

[Signed.] J. G. Smith, druggist of New Hope Bucks county, Pa., in writing to Dr. Oberholzer, says: "A few days since I bought two dozen of your valuable cough remedy to try, and find it very good, and as it is nearly all gone I would like you to send me a gross of it."

"Your medicine gives better satisfaction than any I have in the Store. I am agent for some of the most popular cough preparations, but yours seems to be doing the most good."

The following is an extract from a letter from Hiram Ellis, merchant, near Pottstown, Pa.: "I have tried the Phoenix Pectoral and find it to be the best cough medicine I ever used. It meets with a more ready sale than any other that I have ever had in my store."

The proprietor of this medicine has so much confidence in its curative powers, from the testimony of thousands who have used it, that the money will be paid back to any purchaser who is not satisfied with its effects.

It is so pleasant to take that children cry for it. Price THIRTY-FIVE CENTS; large Bottles ONE DOLLAR.
