But, more important, it will probably determine the choice of the next U.S. Secutor from this State and thus affect the legislation of Congress and the temoration of peace to the land. It is, therefore, of vital importance that every exertion should be made by every member of our party to secure the victory. Not poly should every local organization be put ork, but every honorable measus should ne adopted to stir up the apathetic and m, and to make new votes by conraion. It can only be through the immutable and golden principles of Democracy that the country can be redeemed from the thraldom of fanaticism, degradation and faxation. Outside the Democracy these are together merely by expedients—the latest atmosphere has vanished for ever. THE WEEKLY PATRIOT AND UNION. As the Central organ of the Democratic The New York News needs no testimony party the Weekly Patriot and Union has beyond its plain unalterable record to sub acquired a large and more diffused circulation than any other Democratic journal in the State. It has heretofore occupied an influential position as an able and industrious worker in the cause of Democes to be a valuable organ of the party .-It is not for us, however, to puff our own work. If we have been taithful to the cause of the party and the country, we hope every Democrat will make it an obec to extend our field of operations, by idding to our list of subscribers.
