AUCTIONEER - We have been requested to -announce that LEONARD S. STINEMAN, of this place, having just returned from the army, has renewed his license as an Auc tionser, and is realy to accommodate all who may desire his services. As a salesman, Mr. STINEMAN, has few, if any, equals in this section of country. He has bad con siderable experience in selling real estate, which has made him a crack salesman in that particular line. Give him a call; he certainly deserves support having carried a \* mu-ket for the last four years, and bore his wounds patiently and manially, which is more than can be said of any other auctionber of this place.

A Square Dun .- Persons owing us on subscription or otherwise, are requested to make payment, on or before Count WEEK as we stand very much in need of our mon ey. We are compelled to pay the Case for everything used in our line of business; and to keep moving, must necessarily receive a cash return. Those of our patrons living at a distance, and finding it inconvenient for them to call upon us on Count WEEK, will please remit the amount of their indebtedness to us by mail, at our risk " Hoping to receive a good return, (as all know we should have our money,) we'll wind up this article.
