The small majority of the popular vote of our party to secure the victory. Not only should every local organization be put to work, but every honorable measus should ed to stir up the aparhetic and lukewarm, and to make new votes by conversion. It can only be through the immutable and golden principles of Democra-cy that the country can be redeemed from the thraldom of fanaticism, degradation and taxation. Outside the Democracy there are no principles. The rule of action of the opposition is ever changing—one thing to-day—something else to-morrow. It is held together merely by expedients—the latest and most outrageous of all being the mod-

To defeat this, and all other se' emes of the Abolition-shoddy hordes who live only to plunder and tyrannize, let every Democrat arouse and gird on the of Washington, of Jefferson, of Jackson, and march to battle and to victory! Prospectus of Vol. 111.-1865. THE OLD GUARD,

A MONTHLY JOURNAL, BEVOTED TO LITERATURE, SCIENCE AND ART, AND THE

Principles of 1776 and '87. C. CHAUNCEY BURR, EDITOR.

This Magazine will continue to defend the principles of Government which guided our fathers in the foundation of the Republic. The spirit and doctrine of the two first volumes will be fully maintained in the third volume. We have no compromises to make with error-no parley with despotism. Democracy will be treated not as a varying policy of cunning officeseekers and speil-hunters, but rather as an abiding principle of political economy and of popular liberty. All supporters of this revolutionizing. Abolition war, will be held as the enemies of the Democracy. We shall acknowledge no organization to be Democratic which does not honestly enun ciate and support the principles of the Kentucky and Virginia Resolutions of 1798 and the Dred Scott Decision of the Supreme Court, the one assserting State Sov ereignly and the other White supremacy. To preserve these honorable doctrines, the Democratic party was organized by the very founders of the Federal Government. and it remained true to them down to the fatal and dishonoring departure, at the commencement of this war. The Old Guard is an organ of Democracy as it was, before this cowardly sturender of principle and as it must be again, before it can redeem our country from the rule of faction and despotism. This year it has been enlarged to double its former size-that is, to forty eight pages-for the purpose of mak-
