THE OLD GUARD, A MONTHLY JOURNAL, DEVOTED TO LITERATURE, SCIENCE AND ART, AND THE

Principles of 1776 and '87. C. CHAUNCEY BURR, EDITOR.

This Magazine will continue to defend the principles of Government which guided our fathers in the foundation of the Republic. The spirit and doctrine of the two first volumes will be fully maintained in the third volume. We have no compromises to make with error-no parley with despotism. Democracy will be treated, not as a varying policy of cunning officeseekers and speil-huniers, but rather as an abiding principle of political economy and of popular liberty. All supporters of this revolutionizing, Abolition war, will be held as the enemies of the Democracy. We shall acknowledge no organization to be Democratic which does not honestly enun ciate and support the principles of the Kentucky and Virginia Resolutions of 1798 and the Dred Scott Decision of the Supreme Court, the one assserting State Sovereignly and the other White supremacy. To preserve these honorable doctrines, the Democratic party was organized by the very founders of the Federal Government. and it remained true to them down to the fatal and dishonoring departure, at the commencement of this war. The Old Guard is an organ of Democracy as it was, and fashionable Clothing at his Store, on before this cowardly sturender of principle and as it must be again, before it can redeem our country from the rule of faction and despotism. NOT A FEW of the worst disorders that added mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purgett out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SAID SAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow andranklein the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public bave one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Both are prepared on purely scientific principles -on racuo-and are the most active measures of either that can be made.
