next U.S. Senator from this State and thus restoration of peace to the land. It is, therefore, of vital importance that every ion should be made by every member of our party to secure the victory. Not only should every local organization be put to work, but every honorable measure should be adopted to stir up the apathetic and lukewarm, and to make new votes by conon. It can only be through the immutable and golden principles of Democracy that the country can be redeemed from the thraidom of fanaticism, degradation and taxation. Outside the Demogracy these are ne principles. The rule of action of the opposition is ever changing—one thing today-something else to-morrow. It is held gether merely by expedients—the latest and most outrageous of all being the modern, six-months political trick of negro soffrage. To defeat this, and all other schemes of the Abolition-shoddy hordes who live only to plunder and tyrannize, let every Democrat arouse and gird on the rusty armor of his fathers in Democracyof Washington, of Jefferson, of Jackson,

and march to battle and to victory ! THE WEEKLY PATRIOT AND UNION. As the Central organ of the Democratic party the Weekly Parriot and Union has equired a large and more diffused circulation than any other Democratic journal in the State. It has heretofore occupied an influential position as an able and in dustrious worker in the cause of Democa race, and its friends say that it still continues to be a valuable organ of the party -of all it is not for us, however, to puff our own work. If we have been faithful to the cause of the party and the country, we to be hope every Democrat will make it an object to extend our field of operations, by adding to our list of subscribers. The low price of the Weekly in comparison with the amount of matter furnished, makes it one of the cheapest of newspapers. We hope every good Democrat who reads this will send his name and \$2 50 for a copy for one year. If this is too much for those who are very poor, let all such send us fifty cents each, and receive the Weekly Patriot and Union for the campaign. The following are the terms: TERMS PER YEAR. nix Pectoral in my family, and I recommend it to the Public as the very best remedy for cough and colds that I have ever tried. One of my children was taken with a cold, accompanied with a croupy cough, so bad, indeed, that it could not talk and scarcely breathe. Having heard so much said about the Planix Pectoral I procured a bottle of it. The first dose relieves the difficulty of breathing, and be- for to any bed in use. fore the child had taken one fourth of the bottle it was entirely well.
