DR. MORGAN'S LIVER PILLS.

For the cure of Hepatitis or Liver Complaint, Diarrhoea and Sick Head-Ache.

THIS remedy has been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison, Randolph counties, Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to take a course as would give it a more extensive circulation with a view to the relief of the afflicted.

The fact that many posthumous have been pained upon the public, he has been from time to time solicited to take a course as would give it a more extensive circulation with a view to the relief of the afflicted.

It is a great many instances, and to alleviate those cases which are quite incurable.

Symptoms of a diseased Liver.—Pain in the right side, under the edge of the ribs, increased on a pressure, sometimes the whole of the side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder-blade; it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm.

The stomach is affected with loss of appetite and sickness; the bowels, in general, are constipated, sometimes alternating with lax, the head is troubled with pain accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done.

A slight dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily fatigued, his feet are cold and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it.

The above symptoms are the result of a diseased liver, and the only remedy which has been found to cure them is Dr. Morgan's Liver Pills.

This is to certify that having been associated with Dr. Morgan in the practice of medicine for nearly two and a half years, I had many opportunities of witnessing the good effects of his Liver Pills, and I can testify to the fact that he has cured a much larger proportion of the diseases of the liver, than I have known cured and relieved by any other course of treatment.

Oliver Morgan, M. D. Dec. 7, 1836.

THE AMERICAN REMEDY.

THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA.

OF all the remedies recommended, in late years, for the cure of CONSUMPTION, Coughs, Cold, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of the Throat, Breast and Lungs;

None has been found more certain and permanent in its curative power over those, so general and often fatal diseases, than the above preparation. The Compound Syrup of Tar and Wood Naphtha is an unparalleled remedy. In addition to the healing power of Tar—the virtuous of which, in affections of the lungs, is universally acknowledged—there is combined with it in this preparation, the active principles of some of the most certain Tonic Vegetable Potentials, which unite to make it the most valuable medicine ever offered to the public for the cure of the diseases for which it is employed, and which, if taken in time, to produce the intended effect.

Among the testimonials to the value of the above medicine, are several from distinguished physicians of Philadelphia. Read the following from Dr. Young, the eminent oculist:

Philadelphia, Jan. 18, 1847. Having used in my practice, as well as in my own family, Thompson's Compound Syrup of Tar and Wood Naphtha, I have no hesitation in saying that it is the best preparation of the kind I have ever known where it is used for Consumption, Coughs, Colds, and all affections of the Throat, Breast, &c. so prevalent at this season of the year.

WM. YOUNG, M. D., 72 N. Second Street.

Read also the following from a man who will at any time corroborate its statements. MOST WONDERFUL CURE.

Philadelphia, Dec. 4, 1847. Penetrated with a deep sigh, I made use of the benefit experienced by the use of Thompson's Compound Syrup of Tar, and that others who, like me, have languished through years of affliction and suffering, without being able to find relief for persons suffering from Consumption, I voluntarily make the following statement.

About four years since, after being afflicted with a violent cold, it left upon me a troublesome and severe cough. While the cough continued, which was with an intermission during the day, long periods, language fails to tell what I have suffered from debility, pains in the breast and side, night sweats, difficult expectoration, oppressed breathing, and in fact all those symptoms which mark a severe pulmonary affection. The relief occasionally obtained by the discharge of the matter which obstructed the healthy action of my system, but increased my fears, as the purulent matter discharged was frequently streaked with blood.

During this time I was under the treatment of several physicians, and took many of those preparations recommended as serviceable in the cases of Consumption, but without any permanent benefit. I concluded that a cure in my case was hopeless. But how agreeably changed is now my opinion! I have used for about three weeks Thompson's Compound Syrup of Tar. By the use of one bottle my cough has been relieved, and my system renovated, and by continuing the use of it up to this time, I am satisfied that my complaint is entirely removed and cured.
