rmsargmas, Luc. 1415, 1547. DEAR SIR:--In reply to your question respect-ing the use of Dr. Drake's Panacca, I will say, that although a perfect disbeliever in the existence Ing the use of Dr. Drake a Fancea, a with any that although a perfect disbeliever in the existence of a Panaces, or cure for all diseases, however val-uable it may be in certain conditions of the sys-tom, still I have believed that a cure for Con-sumption would be discovered sooner or later, and

curiosity led me to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be rounovast consum-rion, and abandoned by them as incurable. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old fashings" Con-rumption combined with Scrofula." and that she might linger for sometime, but cauld not be permnently relieved. In both enses the effect of the Panacea has been most gratifying. Only four o five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. I will only add that familiar as I am with consumption by inheritance and by exten sive observation as a study, and knowing also th

Suffice it to say that these

with the ingredients." Buffet it to say that these are recommended by our most popular and scien-tife physicians, and in their present combined state form probably. The best alterative that has ever been made. The cure is in accordance with a theory of Consumption breached in France a few years ago by one of her most eminerit wri-ters on medicine, and now established by facts which admit of no dispute. Very respectfully yours. L. C. GUNN. March 17, 1848. [April 30, 1817 .-.. [j] A CERTAIN CUPE, FOR THE PILES.

which admit of no dispute. Very respectivity yours, L. C. GUNN. To the the language of another, "Dr. Drahe's Panaget is always salutary in its effects -- may injurises, It is not sh' of a to be the salutary pettoriad. It is not intended to bull the swalid into a fatal security. It is a great remedy -a grand healing and curative compound, the great and only remedy which medical science and skill has yet produced for the treatment of this bither-to unconquerable malady. And no person afflictto unconquerable malady. And no person afflict-ed with this dreadful disease, will be just to himself and his friends if he go down to the grave without testing its virtues. A single bottle, in most cases, will produce a favorable change in the condition of any patient, however low." TO THE LADIES,-Ladies of pale complex-

ion and consumptive habits, and such as are de-bilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and vigor. It is hy far the best remedy ever discovered for weakly children, and

such as have bad humors; being pleasant, they ake it. It immediately restores the appetite, trength and color. Nothing can be more surprising than its invig-

blown in the glass.
