DYSPEPSIA,

And and all Diseases of the Stomach and Bowels.

DYSPEPSIA, or Indigestion and its consequences,—An eminent Professor says: "It chiefly arises in persons who lead either a very sedentary or irregular life. Although not regarded as a fatal disease, yet, if neglected, it may bring on incurable Melancholy, Jaundice, Madness, or Vertigo, Palsy, and Apoplexy. A great singularity attendant on it is, that it may and often does continue a great length of time without any remission of the symptoms.

CAUSES.—Grief and uneasiness of mind, intense study, profuse evacuations, excess in venery, excessive use of spiritous liquors, tea, tobacco, opium and other narcotics, immoderate repletion, over distention of the stomach, adeficiency in the secretion of the bile or gastric juice, exposure to cold and damp air, are the chief causes of this disease.

SYMPTOMS.—Loss of appetite, nausea, heart-burn, acidity and fœtid eructations, gnawing of the stomach when empty, uneasiness in the throat, pain in the side, costiveness, chilliness, languor, lowness of spirits, palpitations, and disturbed sleep.

TREATMENT.—*DR. ALLEN'S VEGETABLE COMPOUND* has never failed in affording immediate relief and a radical cure for this disease.

Dr. C. W. Appleton's Celebrated Remedy

FOR DEAFNESS,

PAINS in, and discharge of matter from, the ear, together with all other unpleasant symptoms, which either accompany or announce approaching Deafness. This invaluable medicine is the result of a long and faithfully pursued course of experiments instituted with the sole view to discover (if possible) a certain, and, at the same time, a safe remedy for this dreadfully afflicting disorder, and after being extensively used in the private practice of the subscriber during the last eight years, in very numerous cases with the most remarkable success, is now offered to the public, for the benefit of those who, from distance or other causes, cannot have the personal attention of the proprietor, in the fullest confidence of its efficacy, and in the firm belief that it will not disappoint the expectations of those who may have occasion for its use; in short, that it is the most VALUABLE article ever offered to the public for this disease.

ROWAND'S CARMINATIVE SYRUP

IS a certain cure for Diarrhea, Dysentery, Cholera Morbus, Bowel Complaints, &c., &c., as thousands will certify who have tested its virtues within the few months it has been offered to the public. Read the Certificate of Dr ROBY, a highly respectable physician of Philadelphia:

"Gentlemen—I cheerfully bear testimony to the good effects of your CARMINATIVE SYRUP, after having been cured of THREE severe attacks of Diarrhea, within the last few months. Being opposed to QUACKERY in any form, it took much persuasion from a friend, who keeps it in his house as a family medicine, to induce me to make use of it. He spoke so confidently, I gave it a trial, and I was not slow to make a trial of it, on the second attack, having been relieved so soon on the first. I have prescribed the Carminative Syrup to a great many of my patients, and I am pleased to say, with the same good effects. You are at liberty to use this as you please. Yours, &c.

Gettysburg, Dec. 17, 1847.

HEALTH—HEALTH!

THE MOST EFFECTUAL OF ALL KNOWN REMEDIES.

Dr. Drake's Panacea,

The only radical cure for Consumption!

IT ALSO removes and permanently cures all all diseases arising from an impure state of the blood—viz.: Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples, or Pestules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, diseases arising from an injudicious use of Mercury, Dropsy, Exposure or Imprudence in life; also Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivalled in its operation on the system when laboring under disease. It should be in the hands of every person, who, by business, or general course of life, is predisposed to the very many ailments that render life a curse, instead of a blessing, and so often result in death.

FOR SCROFULA, Dr. Drake's Panacea is recommended as a certain cure. Not one instance of its failure has ever occurred when freely used. It cures the disease and at the same time imparts vigor to the whole system. Scrofulous persons can never pay too much attention to the state of their blood. Its purification should be their first aim; for perseverence will accomplish a cure of *even hereditary* disease.

FOR ERUPTIONS OF THE SKIN, Scurvy, Scorbutic Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancers, Running Sores, Scabs and Biles, Dr. Drake's Panacea cannot be too highly extolled; it searches out the very root of the disease, and by removing it from a system, makes a cure certain and permanent.

INDIGESTION.—No medicine perhaps has ever been discovered which gives so much tone to the stomach and causes the secretion of healthy gastric juice to decompose the food as Dr Drake's Panacea.

RHEUEATISM.—Dr. Drake's Panacea is used with the greatest success in Rheumatic Complaints, especially such as are chronic. It cures by driving out all impurities and foul humours which have accumulated in the system, which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.

CONSUMPTION can be cured. Coughs, Catarrh, Bronchitis, Spitting of Blood, Asthma, Difficult or profuse Expectoration, Hectic Flush, Night Sweats, Pain in the side, &c., have been cured, and can be with as much certainty as any other simple disease. A specific has long been sought for but in vain until the discovery of Dr Drake's Panacea. It is mild and safe but certain and efficacious in its operation, and cannot possibly injure the most delicate constitution. We would earnestly recommend those afflicted to give it a trial—and we belive they will not have occasion to regret it. The system is cleansed and strengthened the ulcers on the lungs are healed, and the patients gradually regain their usual health and strength. Read the following testimony

Philadelphia, Dec. 14th, 1847.

DEAR SIR.—In reply to your question respecting the use of Dr. Drake's Panacea, I will say, that although a perfect disbeliever in the existence of a *Panacea*, or cure for *all* diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and curiosity led me to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be PULMONARY CONSUMPTION, and abandoned by them as *incurable*. One of the per-ons had been under the treatment of several very able practitioners for a number of years, and they said she had *"old fashioned Consumption combined with Scrofula,"* and that she might linger for sometime, but could not be permanently relieved. In both cases the effect of the Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. I will only add that familiar as I am with consumption by inheritance and by extensive observation as a study, and knowing also the injurious effects in mine cases out of ten of tar, boneset, and other vegetable tonics, as well as of many of the expectorants and sedatives, I should never have recommended the use of Dr. Drake's Panacea if I had not been acquainted with the ingredients. Suffice it to say that these are recommended by our most popular and scientific physicians, and in their present combined state form probably the best alterative that has ever been made. The cure is in accordance with a theory of Consumption broached in France a few years ago by one of her most eminent writers on medicine, and now established by facts which admit of no dispute. Very respectfully yours, L. C. GUNN.

To use the language of another, "Dr. Drake's Panacea is always salutary in its effects—never injurious. It is not an Opiate—it is not an Expectorant. It is not intended to lull the invalid into a fatal security. It is a great remedy—a grand healing and curative compound, the great and only remedy which medical science and skill has yet produced for the treatment of this hitherto unconquerable malady. And no person afflicted with this dreadful disease, will be just to himself and his friends if he go down to the grave without testing its virtues. A single bottle, in most cases, will produce a favorable change in the condition of any patient, however low."

TO THE LADIES.—Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have bad humors; being pleasant, they take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame.

CAUTION.—Be careful and see that you get the genuine Dr. DRAKE'S PANACEA—it has the signature of GEO. F. STORRS on the wrapper and also the name "DR. DRAKE'S PANACEA, PHILA." blown in the glass.
