TRIUMPHANT SUCCESS OF
ROSS'S EXPECTORANT.
 THE following certificates, which were con-
 sidered by the proprietor from a lady
 in Frederick, give conclusive proof of the ef-
 ficacy of Ross's Expectorant in relieving the affec-
 tion of coughs, colds, &c. Read and judge
 for yourselves.
 PARRISBURG, April 12th, 1848.
 Mr. J. F. Ross:
 My dear daughter has been afflicted for
 about three years with a severe cough, which
 she never gets well, and for the year, so great
 was the swelling, that she was unable to sleep
 more than half an hour at a time, without being
 compelled to rise, to go to her throat and
 opening it, by means of leeching, and had
 tried every thing that was recommended, and
 employed physicians both here and in Baltimore,
 but they gave no relief; (they could relieve her
 only by opening the veins, but she would not
 consent) and it continued in that state until her
 case was much known to your agent in this
 place, who promptly furnished the Expectorant,
 and after using four bottles, her throat is almost
 entirely cured. No one could scarcely believe
 the benefit derived from the use of this medicine,
 and the state in which her throat was before
 using the Expectorant, and the appearance now.
 There are several persons, known to your agent,
 who have watched the progress of the medicine,
 and are willing to testify to the truth of the
 facts stated in this certificate, which can be had
 by calling on him. I have also used the Expectorant
 in cases of Colds, &c., in my family, and can
 conscientiously recommend it.
 CAUTION.
 Beware of cheap imitations. The name of
 Ross's Expectorant is prominent on the wrapper,
 and is stamped on the glass of the bottles. A
 New Wrapper, printed from a copper-plate,
 engraved especially for the proprietor, and which
 will appear the face of all my written signs.

BRANDRETH'S PILLS have a principle
 in their structure, which accords
 with, and truly strengthens the purifying
 principle of the blood.
 READ AND UNDERSTAND.
 THE PRINCIPLE OF LIFE, that subtle
 and inviolable principle which animates the
 human frame, and which is the source of
 one of the most important secrets of the Creator.
 We cannot comprehend his principle, but
 we know that it is in the blood, for we see
 the amount of blood in the body, we see
 the character of the blood, and we see how
 the blood flows from the body, that life ceases.
 No man, however, can do this. The life of
 the body is sustained by the blood. The blood
 is the principle of life, and it is in the blood
 that we see the corruption of the body. It is
 not because it does exist, but because it becomes
 active; in some it has taken on hundred years
 to degenerate itself; in some it has become para-
 lytic, and in some it has become moribund.
 The constitution of the child depends upon its
 parents; he receives from them the principle of
 life, and also that which will ultimately de-
 stroy him, and when of age he transmits it to
 his children.
 Thus we see that in the same body is the
 principle of life and also of corruption. And it
 is only by due attention to some bodies that
 health can be secured by artificial means of assist-
 ing the blood, and by the use of the blood.
 The principle of corruption is in the blood,
 and it is in the blood that we see the influ-
 ence of many causes of vitiation. It is there-
 fore, necessary that we be provided with some
 means to prevent injury to it; or in conse-
 quence of this vitiation that purity must be
 produced which would destroy the corruption
 he had arrived at that period of life which
 would have done from the principle of life which
 was in him. Now, to accomplish this, we must
 remove an accumulation of those humors which
 bear down the principle of life. Do not wait for
 an attack of sickness, but on the first appearance
 of the enemy send nature in her operations to
 expel him from the body. This is the object of
 the medicine. It is to be used as follows:
 1. They are as harmless as the use of this med-
 ical aid all powerful for the removal of disease, whether
 chronic or acute, infectious, or otherwise, and
 by the use of Brandreth's Pills, the blood is gen-
 erally purified, and becomes too strong for the im-
 purities to its own course, and thus the body
 is restored to perfect health and usefulness. The
 use of the pills, the one good and the other
 evil, having power over man, is thus given a
 corporal application; and what is better, we
 know how to assist the good principle, the blood,
 to expel the humors, and thus produce health
 and cheerfulness, where before there was nothing
 but weakness and despair.
 The Brandreth Pills are sold for 25 cents
 per box by Dr. B. Brandreth's Principal Office, 241
 Broadway, N. Y., and by the following duly
 authorized Agents: J. B. R. Co., Get-
 tysburg; J. B. McCree, Pottsville; Abraham

DYSPEPSIA,
 And all Disorders of the Stomach
 and Bowels.
DYSPEPSIA, or Indigestion and its
 consequences.—An eminent Professor
 says: "It chiefly arises in persons who
 lead a very sedentary or irregular life.
 Although not regarded as a fatal dis-
 ease, yet, if neglected, it may bring on in-
 curable Melancholy, Jaundice, Madness,
 or Vertigo, Palsy, and Apoplexy. A great
 singularity attendant on it, is that it may
 often denote a continuation of a great length
 of time without any remission of the sym-
 ptoms."
CAUSES.—Grief and uneasiness of
 mind, intense study, profuse evacuations,
 excess in venery, excessive use of spiri-
 tuous liquors, tea, tobacco, opium and
 other narcotics, immoderate repletion, or
 over distention of the stomach, deficiency
 in the secretion of the bile or
 gastric juice, exposure to cold and damp
 air, are the chief causes of this disease.
SYMPTOMS.—Loss of appetite, nau-
 sea, heart-burn, acidity and flatulent eructa-
 tions, gnawing of the stomach when empty,
 vomiting, and a spasmodic pain in the
 side, costiveness, chilliness, languor, loss
 of spirits, palpitations, and disturbed sleep.
TREATMENT.—DR. ALLEN'S
VEGETABLE COMPOUND has never
 failed in affording immediate relief and
 a radical cure in this disease.

 remarkable success, is now offered to the public,

HEALTH-HEALTH!
THE MOST EFFECTUAL OF ALL KNOWN
REMEDIES.
Dr. Drake's Panacea,
The only radical cure for Consumption!
 ALSO removes and permanently cures all
 diseases arising from an impure state of
 the blood—Scrofula or King's Evil; Blau-
 matism; Obsolete Cutaneous Eruptions; Pimples,
 or Pustules on the Face, Blotches, &c.; Chronic
 Sore Eyes; Ring Worms; Itch, Scabies, Head,
 Substernum and Pain of the Bones and Joints,
 Stomach Affect, Spasmodic Pains, Sciatic
 or Lumbago, diseases arising from an impure
 state of Mercury, Dropsy, Exposure or Impurities
 in life; also Chronic Constitutional Disorders.
 In this medicine a small, innocent but very po-
 tent article of the vegetable kingdom is united,
 forming a compound entirely different in char-
 acter and properties from any other preparation,
 and unrivalled in its operation on the system,
 when laboring under disease. It should be in the
 hands of every person. By its use, the system
 at once of course, is predisposed to the very man-
 ners that render life a curse, instead of a blessing;
 and so often result in death.
FOR SCROFULA. Dr. Drake's Panacea is re-
 commended as a certain cure. Not an instance
 of its failure has ever occurred when freely used.
 It cures the disease and at the same time imparts
 vigor to the whole system. Scrofulous persons
 can never pay too much attention to the state of
 their blood. Its purification through the use of
 Panacea will accomplish a cure of every
 chronic hereditary disease.
FOR ERUPTIONS OF THE SKIN. Scrofula,
 Scrofulous Tumor, Spasmodic Sciatic
 Eruptions, Ulcers, Cancer, Running Sores, Scald
 and Bites. Dr. Drake's Panacea cannot be too
 highly extolled. It searches out the very root of
 the disease, and by removing it from a system, makes
 a cure certain and permanent. No medicine has
 ever been discovered which gives so much tone
 to the stomach and causes the secretion of a
 healthy gastric juice to decompose the food as
 Dr. Drake's Panacea. Its purification through the use
RHEUMATISM.—Dr. Drake's Panacea is used
 with the greatest success in Rheumatic Com-
 plaints, especially such as are chronic. It cures
 by driving out all impurities and foul humors
 which have accumulated in the system, and
 are the cause of Rheumatism, Gout, and Swellings
 of the joints. Other remedies sometimes give
 temporary relief, this entirely eradicates the dis-
 ease from the system, even when the limbs and
 joints are so much cramped, that the patient
 cannot be moved. It is a certain cure of
CONSUMPTION can be cured. Coughs, Cas-
 trary, Bronchitis, Spitting of Blood, Asthma, Dif-

 Night Sweats, Pain in the side, &c., have been
 cured, and can be cured in the same manner.
 Any other disease. A specific has long been
 sought for but in vain until the discovery of Dr.
 Drake's Panacea. It is mild and safe but certain
 and efficacious in its operation, and cannot
 be surpassed by any other medicine. We would
 earnestly recommend those afflicted by it to
 try a trial—and we believe they will not have occa-
 sion to regret it. The system is cleansed and
 the patient enabled to enjoy the use of every
 health and strength. Read the following testimony
 Philadelphia, Dec. 14th, 1847.
 DEAR SIR.—In reply to your question respect-
 ing the use of Dr. Drake's Panacea, I will say
 that although a certain cure, yet in some cases
 of Panacea, or cure for all diseases, however val-
 uable it may be in certain conditions of the
 system, still I have believed that a cure for
 Consumption will be discovered sooner or later,
 and the patient will be enabled to enjoy a
 more permanent cure. They were pronounced by
 the attending physicians to be very dangerous
 and abandoned by them as incurable. One
 of the persons who were under the treatment of
 several very able practitioners, during the last
 year, and who said he had had "old-fashioned
 Consumption combined with Scrofula," and that
 he might linger for some time, but could not be
 permanently relieved. He says the effect of the
 Panacea has been most gratifying. He has
 five bottles were used by one of the persons before
 he began to improve rapidly. The other took
 about ten. I will only add that familiar as I am
 with consumption, and that I have had an exten-
 sive observation as a study and knowing the
 injurious effects in nine cases out of ten of a
 course of Panacea if I had not been acquainted
 with the ingredients. Sufficient to say that these
 are recommended by our most popular and
 scientific physicians, and in their present combined
 state form a most probable and successful remedy
 ever been made. The cure is in accordance with
 a theory of Consumption broached in France a
 few years ago by one of her most eminent
 men on medicine, and now established by facts
 which admit of no dispute. L. C. GUNN.
 To use the language of another, "Dr. Drake's
 Panacea is always salutary in its effects—never
 injurious. It contains no opiate—it is not an Ex-
 pectorant. It is not irritating. It is by its use
 to a fatal security. It is a great remedy—
 a grand healing and curative compound, the great
 and only remedy which medical science and skill
 as yet present for the treatment of this inhe-
 ritable and un conquerable malady. It is a remedy
 which has been tried in every form, and is
 accompanied with this dreadful disease, will be just to
 himself and his friends if he goes down to the grave
 without testing its virtues. A single bottle, in
 most cases, will produce a favorable change in
 the condition of patient, however long he has
 been afflicted with it." TO THE LADIES.—Ladies of pale complexion
