RHEUEATISM.—Dr. Drake's Panaces is he plaints, especially such as are removed in head with the greatest sneeds in Rhedmanic Complaints, especially such as are chronic. It carrie by driving our all impurities and foul humours which have accumulated in the system, which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give of the joints. Other remedies sometimes give temporary relief this cutted distantes the disease from the system, even when the thinks, and bones are dreadfully swollen.

CONSUMPTION can be cured. Cought, Catarh, Bronchitis, Spitting of Blood, Stathing Int. finant or proluse Expectoration, Heetic Flush,

Night Sweats, Pain in the side, &c., have been cured, and can be with as much certainty as sure other simple disease. A specific has long been sought for but in vaid until the discovery of Dr. Drake's Panacea. It is mail and some business on and efficacions in the operated by many desi-bly injure the 'most deficate constitution. We would earnestly recommend those afficted to give it a trial—and we believe they will but they become sion to regret it. The system is cleaned and stengthened, the ulcers on the tungs are heated,

s iengthened, the ulcers on the sings hie heated, and the patients gradually regain their usual heatth and strength. Read the following technique.

Draw Sin:—In reply to your question respecting the use of Dr. Draw's Panaces, I will say, that although a perfect disbelieved in the expection of the result of a Panaces, or cure for utilities asket, however valuable it may be in certain equations of the system. tom, still I have believed that a cure for Con-sumption would be discovered boner will let at cursosity lod me to try your melicine in two very involente cases. They were pronounced by the attending physicians to be recessorably construction, and abandoned by them as neighbor of the persons that been under the freatment of several very able practitioners is kin himself of several very able practitioners is kin himself of years, and they said she had gold fashiourd time sumption committeed with Stroffeld," and that He man in the state of the state o with consumption, by inheritands and by exdensive observation as a study, and knowing about to injurious effects in nine cases out of ten of this ting of Blood, Bronchetis, Asthma, boneset, and other vegetable tonics as well is complaints, and other diseases which have Drake's l'anaces if I had not been acquainted with the ingredients. Suffice it to say that there a tendency to produce Consumption. It serves also as an effectual clearer of the tific physicians, and in their present combined voice.

one great advantage in this valuable medicine is its cheapness, the public not being imposed upon by the enormously and only remedy which medical science and shill self and his friends if he go down to the grave without testing its virtues. A single bott e, in most cases, will produce a favorable changed in house, and next door to Thompson's Ho- ion and consumptive labits, and such as are debilitated by those obstructions which females are liable to are reatered by the use of a helither two, to bloom and vigor. It is by far the back remedy ever discovered for weakly childless and

such as have bad humors; being pleasant, they take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigerating effects on the human france. Retricted with weakness and lassitude before laking it at dive become robust and full of energy under its manence. It immediately counteracts the persolals-Dess of the female frame.

CAUTION.—Be careful and see that you get the genuine Dr. DRAKE'S PARACES—It has if
