The recent hot weather, and the influenza, have left many subject to be affected by the changes of temperament and contagious influences common to this month; but, by the timely use of Brandreth's Pills, even now this susceptibility can be in a great measure removed and powers given the system to resist these mor-bific poisons, and the sudden changes in the weather with which it may be brought in contact during the next fifty days. Nature has formed the bowels for the evacuation of all unhealth humors; and if man would but use commo sense, he would take care they performed this of if too slow or too fast—a few doses of Bran dreth's Pills will bring them to order. Ask the man who was dying from constipated bowels, what cured him; he tells you, Brandreth's Pills. Ask him who had the dysentery for six months —and every remedy had failed; he will also tell
you, the Brandreth Pills cured him in a week.—
So with other diseases. Twelve Brandreth Pills,
rubbed down in half a pint of molasses, cured a
little boy of an ulcer of the face, which was raplittle boy of an ulcer of the face, which was rapidly spreading to his eyes, and which a dozen doctors had tried to cure, but could not; the poor parents would have given half they were worth to have had it cured, but every thing they tried did no good, until they gave it a rea-spoonful of molasses every day in half a pint of which they had subbed down twelve Brandreth Pills.—Beford the whole of the molasses was taken, the ulcer was cured. And we some foolish neonle the township of Mountpleasant, at the ulcer was cured. And yet some foolish people house of Anthony Smith, in said township, sail Brandreth's Pills a quack medicine. It saituate at the cross-roads, the one leading would be well if there were a few more such quack medicines. Will all your pretended Sarsaparilla Compounds cure like Brandreth's Pills ? Can they send you to persons cured, as Dr. Brandreth can! Can they point out to you people who had been helpless for years from Epilepsy and St. Vitus' Dance, who have been cured by their remedies? If they cannot, Dr. Brandreth can. Can they point out to you a person who for twenty years had never had a stool without hav-ing used medicine of mechanical means, and whom the Brandreth Pills cured in a month, and

HEALTH-HEALTH!

THE MOST EFFECTUAL OF ALL ANGUM Dr. Drake's Panaces, in The only radical cure for Opposition!

The only reason cure for University cursus at all diseases arising from an impure attent of the blood—viz.: Scrofula or King a Krill Rheamatism, Obstinate Cutaneous Expetions, Pimples, or Peatules on the face, Blotches, Blies Chronic Sore Byes, Ring Worm or Tester, Scald Head, Enlargement and Pain of the Bodes and Toliftic Stubborn Ulcers, Syphilitic Symptoms, Schulen or Lumburg, diseases arising from an institution. or Lumbago, disease arising from an injudicious use of Mercury, Dropey, Expense or Impardence in life: also Chronic Conglitutional Disorders.

acter and properties from any other preparation, and unrivalled in its operation on the extens when laboring under disease. It should be in the hands of every person, who, by heathest or gener-al course of life, is predisposed to the very many aliments that render life a curse, fished of a brewng, and so often result in death.

FOR SCROFULA, Dr. Drake's Panacos is one commended as a certain cure. Not one instance of its failure has ever occurred when freely used, It cures the disease and at the same time imparts vigor to the whole system. Scrotulous persons can never pay too much attention to the state of

their blood. Its purification should be their first aim; for perseverence will accomplish a cura of core Architery disease.

FOR ERUPTIONS OF THE SKIN Scarry, Scorbutic Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancers, Running Sores, Scabe and Biles, Dr. Drake's Panacea cannut be too high-

y extolled; it searches out the very root of the inecase; and by removing it from a system, makes ourse certain and permanent.

INDIGESTION—No medicine perhaps bus

ed with the greatest success in Rheumatic Com-plaints, especially such as are chronic. It curis by driving out all impurities and foul humours which have accumulated in the system, which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and

bones are dreadfully swollen.
CONSUMPTION can be cured. Coughs, Ca. tarrh, Bronchitis, Spitting of Blood, Asthma, Dif-ucult or profuse Expectoration, Hectic Flush, Night Sweats, Pain in the side, &c., have been cured, and can be with as much certainty as any other simple disease. A specific has tong been sought for but in vain until the discovery of Dr. Drake's Panacea. It is mild and sate but certain and efficacious in its operation, and cannot posti-bly injure the most delicate constitution. We it a trial-and we belive they will not have occation to regret it. The system is cleaused and prengthened, the ulcers on the lungs are heated, health and strongth

DRAM SIM:—In reply to your question respect-ng the use of Dr. Drake's Panaces, I will say, that although a perfect disbeliever in the existence of a Ponaron, or cure for all diseases, however, val-uable it may be in certain conditions of the sys-tom, still I have believed that a cure for Conumption would be discovered sooner or later, aid curiosity led me to try your medicine in two very nvoterate cases. They were pronounced by the attending physicians to be summans constant TION, and abandoned by them as incurable. Une of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "old fashiourd Comsumption combined with Scrafula, and thateshe might linger for sometime, but could not be permaneutly relieved. In both cases the effect of the anacea has been most gratitying. Only tour or ive bottles were used by one of the persons before with consumption by inheritance and by extensive observation as a study, and knowing also the coneset, and other vegetable tonics, as well se of many of the expectorants and sedatives, I should never have recommended the use of I'r.

Drake's Panacea II I had not been acquainted with the ingredients. Suffice it to say that these road, and thence along said road to the York county line, near David Hollinger's tase-mill, thence along said York county line to the place of beginning: at the public to the place of beginning: at the public tase of the place of beginning is at the public tase of the place of ealth of the patient.
