BE it known to the world, that the undersigned has obtained Letters Paent for an Improved Machine for Hulling and Clean-

ing Clover-seed, which, for thoroughly performing its work, in a speedy manner, surpasses any thing that has ever been presented to the public. In order to produce a machine that will meet the wants of the community in every respect, the Patentee has for several years applied himself diligently to the task, and

of their consideration. This machine has only been in operation during the last season, in Cumberland and of light draught, and can hull and clean with case four loads of cloverseed per day, or one load in two hours. It can be converted into a common windmill in a moment's time. Persons desiring to purchase rights can see the machine by calling at my residence in Latimore township, Adams county. Owners of Clover-mills would find it to their advantage to give me

Hundreds of certificates can be given of its unlity, and the satisfactory manner that it hulls and cleans cloverseed, and also timothy seed, but I deem it only necessary to refer to a few individuals at whose barns the machine has been exhibited and
