Columbian Series of Arithmetics.

THE PUPIL'S FRIEND AND TEACHER'S COMFORT.

THE COLUMBIAN CALCULATOR.—This work is already introduced into some of the best Academies and a large number of Schools, where its use has given decided and universal satisfaction, both to teacher and pupil. It is purely American in its character, based upon our own beautiful *decimal system of currency*. It contains more, the arrangements are better, and it is the easiest and cheapest work of the kind now in use; and it is so considered by hundreds of the most competent teachers and men of science in the Union, who have recommended it. It is the book, and the only book, particularly and expressly prepared for our *American Scholars*.—*By Almon Ticknor.*

THE YOUTH'S COLUMBIAN CALCULATOR.—This volume contains 91 pages, with about 900 examples for solution on the slate. It embraces the Fundamental Rules, Compound Rules, Simple and Compound Reduction, Single Rule of Three, Proportion, &c.

TICKNOR'S ARITHMETICAL TABLES, is destined for the use of younger classes in the Schools of the U. States. A beautiful little book and pleasing to children, and the only one of the kind of any value.

There are keys to both Arithmetics, bound single or double, for the convenience of teachers, in which the solutions of the questions are given and much extra matter for the black board. These keys are the most complete works of the kind ever published, and contain, in addition, about two hundred examples in Mensuration, &c., for the use of the Teacher. All that is wanted is to have the above books examined, and no teacher who is acquainted with the science of Arithmatic, will hesitate to pronounce them the best works that have ever been published in this or any other country.

Although issued but a few months, they have already been introduced into the Night Public Schools of New York City—in all the Shools, public and private, except two, in the City of Reading. Also, in about twenty Academies in the State of Pennsylvania—in a large portion of the Schools in the City of Wilmington, in the City of Lancaster, and in the Boroughs of Harrisburg, York, Lebanon, Doylestown, Pottsville, Orwigsburg, &c., &c.

☞For Sale by S. H. BUEHLER, Agent for Adams County.

GREAT BUSTIFICATION OF STEAM WORKS!

and Engineer seriously Wounded!

BE it known to the world, that the undersigned has obtained Letters Patent for an

Improved Machine for Hulling and Cleaning Clover-seed,

which, for thoroughly performing its work, in a speedy manner, surpasses any thing that has ever been presented to the public. In order to produce a machine that will meet the wants of the community in every respect, the Patentee has for several years applied himself diligently to the task, and is now enabled to offer a machine worthy of their consideration.

This machine has only been in operation during the last season, in Cumberland York and Adams counties, and has given entire satisfaction. It is a neat, portable machine, only weighing about 400 lbs. and of light draught, and can hull and clean with ease four loads of cloverseed per day, or *one load in two hours*. It can be converted into a common windmill in a moment's time. Persons desiring to purchase rights can see the machine by calling at my residence in Latimore township, Adams county. Owners of Clover-mills would find it to their advantage to give me a call.

Hundreds of certificates can be given of its utility, and the satisfactory manner that it hulls and cleans cloverseed, and also timothy seed, but I deem it only necessary to refer to a few individuals at whose barns the machine has been exhibited and fully tested.

C. WEAVER.

Gettysburg, Dec. 17, 1847.

A SCIENTIFIC MEDICINE.—Great experience and judgment are required to make a valuable, and at the same innocent purgative. This is possessed only by a few.

The great majorities of the remedies advertised of this class, are manufactured by persons who have no idea of the relative or individual powers of the drugs they use. It is this cause, more than any other, which occasions the inertness and often injurious effects, produced by advertised remedies. And hence the general prejudice which prevails against them. Now there is a great difference in this respect, with regard to the pills made by Dr. B. Brandreth, and consequently their superior claims upon the public.—Each of the articles composing the Brandreth Pills, are prepared in that way which will secure their beneficial effects to the system in the safest and easiest manner. For instance, some ingredients have to be prepared in the vacuo; that is the air is exhausted in the utensil and remains so until a combination is effected with other ingredients, which afterwards prevents the air from acting injuriously upon the medicine. Again, the proportion for each ingredient depends upon its multiplying power upon other ingredients. For the power of different vegetable purgatives upon each other, is governed by similar laws that govern the power of figures by multiplication. Nine added to nine makes eighteen; but nine times nine are eighty-one. So it is with some vegetable purgatives. By adding nine parts of one ingredient, and nine parts of another ingredient together, the power is increased, not to eighteen, but to eighty-one. For example, either of the articles to produce any purgative effect, would have to be used to the extent of eighty-one grains; by combining them only eighteen grains have to be used. Again, another ingredient is found to multiply this power again which in a proportion of two grains, would have no effect upon the animal economy, but which, added to eighteen grains of a compound of two parts of nine grains, each of two ingredients, will again multiply the power which they have gained of eighty-one, to one hundred and sixty-two. So again, the mixture of twenty grains can be multiplied by an addition of two grains, to the power of three hundred and twenty-four grains, of the original power of two first ingredients. Here we have twenty-two grains which as a purgative, contain the power equal to three hundred and twenty-four grains of either of the articles alone; nevertheless also so powerful after being thus combined are safe in any quantity; always having a beneficial effect and in no case capable of doing injury, of which thousands bear ample witness.

☞The Brandreth Pills are sold for 25 cents per box at Dr. B. Brandreth's Principal Office, 241 Broadway, N. York, and by the following duly authorized Agents:—J. M. Stevenson & Co., Gettysburg; J. B. M'Creary, Petersburg; Abraham King, Hunterstown; A. M'Farland, Abbottstown; D. M. C. White, Hampton; Sneeringer & Fink, Littlestown; Mary Duncan, Cashtown; Geo. W. Heagy, Fairfield; J. H. HEALTH—HEALTH!

THE MOST EFFECTUAL OF ALL KNOWN REMEDIES.

Dr. Drake's Panacea,

The only radical cure for Consumption!

IT ALSO removes and permanently cures all diseases arising from an impure state of the blood—viz.: Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples, or Postules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, diseases arising from an injudicious use of Mercury, Dropsy, Exposure or Imprudence in life; also Chronic Constitutional Disorders.

In this medicine several innocent but very potent articles of the vegetable kingdom are united, forming a compound entirely different in its character and properties from any other preparation, and unrivalled in its operation on the system when laboring under disease. It should be in the hands of every person, who, by business, or general course of life, is predisposed to the very many ailments that render life a curse, instead of a blessing, and so often result in death.

FOR SCROFULA, Dr. Drake's Panacea is recommended as a certain cure. Not one instance of its failure has ever occurred when freely used. It cures the disease and, at the same time imparts vigor to the whole system. Scrofulous persons can never pay too much attention to the state of their blood. Its purification should be their first aim; for perseverence will accomplish a cure of *even hereditary disease.*

FOR ERUPTIONS OF THE SKIN, Scurvy Scorbutic Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancers, Running Sores, Scabs and Biles, Dr. Drake's Panacea cannot be too highly extolled; it searches out the very root of the disease, and by removing it from a system, makes a cure certain and permanent.

INDIGESTION.—No medicine perhaps has ever been discovered which gives so much tone to the stomach and causes the secretion of a healthy gastric juice to decompose the food as Dr. Drake's Panacea.

RHEUMATISM.—Dr. Drake's Panacea is viewed with the greatest success in Rheumatic Complaints, especially such as are chronic. It cures by driving out all impurities and foul humours which have accumulated in the system, which are the cause of Rheumatism, Gout, and Swellings of the joints. Other remedies sometimes give temporary relief; this entirely eradicates the disease from the system, even when the limbs and bones are dreadfully swollen.

CONSUMPTION can be cured. Coughs, Catarrh, Bronchitis, Spitting of Blood, Asthma, Difficult or profuse Expectoration, Hectic Flush, Night Sweats, Pain in the side, &c., have been cured, and can be with as much certainty as any other simple disease. A specific has long been sought for but in vain until the discovery of Dr. Drake's Panacea. It is mild and safe but certain and efficacious in its operation, and cannot possibly injure the most delicate constitution. We would earnestly recommend those afflicted to give it a trial—and we belive they will not have occasion to regret it. The system is cleansed and strengthened, the ulcers on the lungs are healed, and the patients gradually regain their usual health and strength. Read the following testimony.

Philadelphia, Dec. 14th, 1847.

DEAR SIR:—In reply to your question respecting the use of Dr. Drake's Panacea, I will say, that although a perfect disbeliever in the existence of a *Panacea*, or cure for *all* diseases, however valuable it may be in certain conditions of the system, still I have believed that a cure for Consumption would be discovered sooner or later, and curiosity led me to try your medicine in two very inveterate cases. They were pronounced by the attending physicians to be PULMONARY CONSUMPTION, and abandoned by them as *incurable*. One of the persons had been under the treatment of several very able practitioners for a number of years, and they said she had "*old fashioned Consumption combined with Scrofula*," and that she might linger for sometime, but could not be permanently relieved. In both cases the effect of Dr. Panacea has been most gratifying. Only four or five bottles were used by one of the persons before she began to improve rapidly. The other took about ten. I will only add that familiar as I am with consumption by inheritance and by extensive observation as a study, and knowing also the injurious effects in nine cases out of ten of tar, boneset, and other vegetable tonics, as well as of many of the expectorants and sedatives, I should never have recommended the use of Dr. Drake's Panacea if I had not been acquainted with the ingredients. Suffice it to say that these are recommended by our most popular and scientific physicians, and in their present combined state form probably the best alterative that has ever been made. The cure is in accordance with a theory of Consumption broached in France a few years ago by one of her most eminent writers on medicine, and now established by facts which admit of no dispute. Very respectfully yours,

L. C. GUNN.

To use the language of another, "Dr. Drake's Panacea is always salutary in its effects—never injurious. It is not an Opiate—it is not an Expectorant. It is not intended to lull the disease into a fatal security. It is a great remedy—a grand healing and curative compound, the great and only remedy which medical science and skill has yet produced for the treatment of this hitherto unconquerable malady. And no person afflicted with this dreadful disease, will be just to himself and his friends if he go down to the grave without testing its virtues. A single bottle in most cases, will produce a favorable change in the condition of any patient, however low."

TO THE LADIES.—Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have bad humors; being pleasant, they take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame.

CAUTION.—Be careful and see that you get the genuine Dr. DRAKE'S PANACEA—it has the signature of GEO. F. STORRS on the wrapper and also the name "DR. DRAKE'S PANACEA, PHILA." blown in the glass.
