Almanacs! Almanacs!!

SCENE D. JAYNE would respectfully in form the public that he annually publishes for graturous distribution, by himself and all his Agents, an Almanac, called

Jayno's Medical Almanac,

AND GUIDE TO HEALTH. The calculations for this almanac are withe great camand accuracy, and for five differ-ent 'Latitudes and Lodgitudes, so as to make e them equally metul as a Calender in every part of the United States and British North America They are printed on good paper, with handsome new type, and are neatly bound, and besides be by the newestand most accurate calender print mount of valuable information, sorted to the vants of all, and of that kind too, which cannot

be obtained in books. fils CATALOGUE OF DISEASES, with remarks and directions for their removal, is real-ly thealuable, and make them welcome visitors by invaluations, and make their sectors family should in every biose they enter. Every family should possess at least fone of these annuals. His Alma-nace for 1840 are now ready for distribution, of which he designs to publisk at least TWO MIL JUNS, and in order that every family in the well known establishment. Family well known of Childron and source inited States and British America, may be Edished with a copy, he hereby invites MER-; CHANTS AND STOREKEEPERS to forward their orders to him as early as vossible, and they shall be supplied GRA FUITOUSLY with as ma hy copies as they deem necessary to supply their statiens customers. They are invited at the same time, to send a copy of their "BUSINESS CARD." which will be printed and placed on the cover of the Almanacs sont them, also without charge. They are also requested to give all uccessary

ions how the almanacs should be forward directions how the annual statute statute of the st

Unters (post paid) directed to DR. D. JAANE, Philddelphia, will meet with prompt attention. IJF FAMULIES can obtain these Almanaes gratis of SAMUEL H. BUEHLER. Agent for the sale of Dr. Jayne's Family Medicines. Dec. 8, 1518. - 3t

WISTAR AT THE SOUTH --- Be not de ceived with vain hope-lay not the flattering unction to your soul, that disease will cure itself; especially if that disease be that is not perfect in every respect. Consumption or Liver complaint. If you would be restored to health you must use the means which benevolence and a kind Providence have placed within your reach The great and universally popular remedy for consumption and all chronic diseases is now for sale in every city and importan town in the country, and at a price, too that any one can afford to pay. You have no excuse, therefore, for neglecting to save vont life and health. Be not deceived

> ACARD TO THE PATRONS OF

GRAHAM'S MAGAZINE. THE close of the current Volume is deemed a proper period to announce to the Patrons of this "Magazine," that arcannot' fail to increase its attractions during the coming year. The best writers in the country will continue to enrich our pages

with their productions, and our engravers, who stand at the head of their profession, will put forth the best efforts of their art to make this peculiar department of the Magazine more beautiful than ever.

Promising unremitted exertions to merit a continuance of the favor bestowed upon the Magazine, we respectfully solicit a renewal of the subscriptions of all its old patrons, and the addition of the names of all who desire to avail themselves of the

conceded to be "The best Magazine in the Coun-

Attention is called to the following list of Terms, which are unquestionably more advantageous to subscribers than those offered by any other work of the kind :

5 00 10 00 **Five Copies**, 15 00 Twelve Co 20 00

the largest class, published weekly, (not bly, or occasionally, as some newspapers are)

> SAMUEL D. PATTERSON & CO. No. 98 Chestnut st., Philadelphia.

For evidence of this the reader need only look for with any of its rivals. In respect to the LITERARY character of the Magazine, it will be the earnest e deavor of all

concerned in its publication to secure for it the intributions of the best writers that the try affords. The proprietors have already enter ed into arrangements for articles from almos every writer of distinction in the U. States, o which they offer what they claim to be very m spectable "first fruits," in the present number

AN ORIGINAL NOVEL. A special feature for the present volume wi

mence in the third number, and will in no case be justice which prevails against them. Now there extended into the succeeding year, even although a is a great difference in this respect, with regard mence in the third number, and will in no case b

arge number of extra pages have to be printed o bring it to a conclusion before the close of the This novel will open to the reader a new field of American traditions, entirely un-touched by Irving, Cooper, or any of our writern their reneficial effects to the system in the safest touched by Irving, Cooper, or any of our writers of historical fiction. The scene of the story is in North Carolina, just prior to the Revolution in the art is the form of an entertaining the air is exhausted in the vacuo; that in fictitious narrative a mass of historical traditions so until a combination is effected with other inrespecting the early settlement of the Carolinas which, if we mistake not, will give quite a new

the country which he has made the scene is story, for the purpose of giving the greater fidelity and accuracy to his descriptions. With iolating any of his secrets, we may venture out violating any of his secrets, we may venture to tell his readers in advance, that he has thrown an interest (something like that with which Ge-another ingredient together, the power is increas-tion that increases the source of the Koickeber ins has invested the abode of the Knickerback- ed, not to eighteen, but to eighty-one. For exers) over even the "Dismul Swamp," and that not less dismulline of sindy harborlers sen beach gaine either of the articles to produce any pur which stretches for hundreds of miles south of of eighty-one grains; by combining them only cape Fear.

Cape Fear. Another feature will be a series of Stories by ingredient is found to multiply this power again

Another festure will be a series of Stories by Prof. ALDER, of Williamstown, Mass. illustrating the times of the early Puritans. Rev. Jour Toon, D. D., of Pittsfield, Mass. will continue to contribute New England Le-gends, of which "Tomo of the Wild Lakes," in the January number, is a fair specimen. DE SAULTER rangements have been completed which will continue to contribute New England Le-

PREMIUMS.
