Dr. Drake's Panacea, The only radical cure for Consumption ! T ALSO removes and permanently cuasa a la all diseases arising from an impure state of all diseases arising from an impure state of the blood—viz.: Sectotile or King's Evil, Rheamatism, Obstinute Cutane in Kraptions. Pimples, or Pastules on the tace, Blotches, Biles, Chranic Soile Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Schulica or Limbado diseases arising from an initidegious. In this medicine several innocent but very poient articles of the vegetable kingdom are n

orming a compound entirely different in its character and properties from any other preparation, and untivalled in its operation on the when laboring under disease. It should be in the when isboring under disease. It should be in the hands of every person, who, by business, or general course of life, is predisposed to the very many aliments that sender life a curse, instead of a blessing, and so often result in death.

FOR SCROFULA, Dr. Druke's Panacea is reommended as a certain cure. Not one instance

f its failure has ever occurred when freely used It cures the disease and at the same time imparts vigor to the whole system. Scrolulous persons can never pay too much attention to the their blood. Its purification should be their first aim; for perseverence will accomplish a cure of eren hereditary disease. FOR ERUPTIONS OF THE SKIN, Seurvy

Scorbutic Affections, Tumors, White Swelling, Erysipelas, Ulcers, Cancars, Running Sores, Scabs and Biles, Dr. Drake's Panacea cannot be too high-sease, and by removing it from anystem, makes a cure certain and permanent.
INDIGESTION.—No medicine perhaps has
ever been discovered which gives so much to e

o the stomach and causes the secretion of healthy gastric juice to decompose the food as Larake's Panacea'. RHEUEATISM.—Dr. Drake's Panacea is vred with the greatest success in Rheumatic Con-plaints, especially such as are chionic. It curs by driving out all impurities and foul humous which have accumulated in the system, which ire the cruse of Rheumatism, Cout, and Swellings of the joints. Other remedies concernes give temporary relief; this entirely eradicates the dis-

ease from the system, even when the limbs and bones are dreadfully awaiten. CONSUMPTION can be cured. Coughs, Catarth, Bronchitts, Spitting of Blend, Asthua, Dif-heult or profuse Expectation Hertic Flesh, Night Sweats, Pain in the side. &c., have been cuted, and can be with as much certainty as at y other simple disease. It is model and safe but certa in and efficacions in its speciation, and commut positional origins the most delicate constitution. We d earnestly recommend those affacted to give it a trail—and we believe they will not have occasion to regret it. The system is classed and a rengthened, the ulems on the lungs are heated, and the patients gradually regula filen usual, health and strength. Read the following last nony.
