Wheatfield, Niegera Co., N. Y., 2 Yebruary 28, 1848 Mr. Dalley—Dear Sir—While my sen, 15 years of age, was at work in the skingle manu-factory of L. P. Rose, he had the mistorium to slip and fall into a a large vat, used for the pa pose of boiling blocks preparatory to cutting.— The blocks had just been removed from the vat containing a large quantity of boiling water.— He fell torward, scalding both hands and arms, all on one side, and one leg badly and the other partially. The scalds were so had on his arm and leg, that most of the fiesh came off with his garments, and his life was despaired of by both his physicians and friends.

Dailey's Pain Extractor was procured as seen

as possible (which was in about six hours) and applied, and which relieved him from all pairs, preventing inflammation and swelling, and is a few days commenced healing his sores. These appeared a general improvement, so much so that in three works he was removed to his father's house, distance about one mile and a half.

TO ALL WHOM IT MAY CONCERN WHERE are but few persons, comparatively speaking, at this remon at the year, but who are suffering, more or les, with Coughs, Colds, Sore Throat, Honfreness, or like complaints, caused by, the sudden changes of or exposure to the weather. To all those who are thus alflicted, and who may read this advertisement, we would recommend Ross's Ex-PECTORART as the most effectual remedy ever offered to the public. No family should be without a bottle of it in their house, as a timely administration of it would prevent much suffering.
