$1 75 for a whole Summer Suit!!!

(COAT, VEST & PANTS.)

MARCUS SAMSON

RETURNS his thanks to his old customers, and informs them and the public generally that he has within a few days returned from the cities with a new supply of

SUMMER GOODS,

of all kinds. His prices are *astonishingly low*, and so low that persons at a distance even would save money and be well paid for their time and trouble in coming to his store in Gettysburg, to purchase their summer clothing. As he sells for CASH, and has but ONE PRICE, he has no hesitation in publishing a list of his prices. He purchases for cash, and as his expenses are comparatively small, and as he attends to his busines himself, he is satisfied with small profits, and is therefore enabled to sell cheaper than an other establishment. The careful attention of the public is invited to the following list of prices:

COATS.—Fine Cloth and Dress, from $6 to $16; Busines, from $2 50 to $6; Cloth Sack, $4 50 to $8; Linen Summer, $1 to 1 50; Fine Cashmaret, $3 00 to $5 50; Tweed, $1 25 to $1 50; Cassinet, $3 50 to $4 50.

PANTS.—Double Mill'd Cassimere, from $2 50 to $4 50; Single Mill'ed Cassimere, $2 00 to 3 00; Summer cloth, $1 25 to $2 00; Linen Drilling, $1 00 to $1 50; Cassinet, $1 00 to $2 50; Cotton, 62½ cts. to $1 25.

VESTS.—Silk, from $1 50 to $2 00; Satin, $1 50 to $2 50; Merino and Cashmere, $1 00 to $2 00; Bombazine, $1 00 to $1 50; Marseiles, 550 cts to $1 75; Cassimere and Cloth $2 00 to $2 50.

In addition, he has for sale Gloves, Suspenders, Stocks, Cravats, Scarfs, Pocket-handkerchiefs, shirts, (a large supply, from 50 cts. to $2 each) Drawers, a great variety of Under-shirts, &c., &c. Also, a large stock of Fancy Goods, Steel Beads, Jewelry, Caps, Slouch Hats, Gaiter Shoes, Dish Covers, Horse Nets, Pistols, with a few Gothic Thirty-hour and Eight-day CLOCKS. He cannot enumerate more in the limits of an advertisement, but requests ALL to call at his Store and examine his stock, which he is satisfied is the cheapest ever brought to Gettysburg.—Remember the Variety and One Price Store of *MARCUS SAMSON*, in York street, opposite the Bank.

☞He has also on hand Two Second-handed BUGGIES, one CARRIAGE and a HORSE, which he will dispose of on reasonable terms. ☞He has also a fine crop of GRASS which he will dispose of.

May 18, 1849.

LOOK AT THIS!

ALL Ladies wishing to supply themselves with handsome DRESS GOODS would do well to call at the Store of J. L. SCHICK, and examine his stock of GINGHAMS, LAWNS, LINEN LUSTRE, plain, striped and barred Cambric Muslins, Alpaca, and a good article of

Black Silk.

Black Gimp and Fringes, Needle-worked Collars, plain and figured Bobinet, a fine lot of Irish Linens, colored, bleached and unbleached Muslin, Drilling, Brown Holland, Table Covers, Combs, and many other articles too numerous to mention. I would therefore invite all to call soon and examine for themselves before purchasing elsewhere, as I feel confident that I can please all, both in style and price.

BRANDRETH'S PILLS.—When the blood is in an unsound condition it is as ready for infection, as land ploughed and harrowed to receive the allotted grain. Those who are wise, will therefore commence the purification of their blood without delay, and those who are already attacked with sickness should do the same.

Ladies should use Brandreth's Pills frequently. They will ensure them from severe sickness of the stomach, and, generally speaking, entirely prevent it. The Brandreth Pills are harmless. They increase the powers of life they do not depress them. Females will find them to secure that state of health which every

It is equally beneficial in all kinds of Inflamatory Diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Piles, &c., will quickly be relieved by the application of this salve. This remarkable sanitive possesses many virtues never found in any other article.—It has the most perfect power over all pains by fire, positively allaying the suffering almost immediately upon its application.—If any disbelieve the statement, we would earnestly invite them to call and examine the numerous unsolicited certificates of of remarkable cures wrought by this salve. It has for months past been sold upon the following liberal terms, to wit: if the user was not perfectly satisfied, and even delighted with its effects, and furthermore if it did not fully answer our recommendations, their money was returned immediately at their request. On these terms this absolute heal-all is now sold; and we simply ask if the public can demand anything more reasonable? Kind parent, keep it constantly on hand; in case of accident by fire, life may be lost without it; but by its use all burns are subject to its control, unless the vitals are destroyed.

Caution.—No Pain Extractor can be genuine unless you find the signature of Comstock & Co. on the wrapper to each box. Beware of the counterfeit.

RHEUMATISM.—Comstock's Hewes' Nerve and Bone Liniment, and Indian Vegetable Elixir, is warranted to cure any case of Rheumatism, Gout, Contracted Chords and Muscles, or stiff Joints, strengthen Weak Limbs, and enable those who are crippled to walk again. Use this article and be cured, or go without it and suffer, as you please. Certificates of cures by the hundred can be seen at 21 Cortland street, N. York, where this article is sold only genuine.

DEAFNESS.—Use Dr. McNair's Acoustic Oil, for the cure of Deafness. Also, all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten or twenty years, and compelled to use ear trumpets, have, after using one or two bottles, thrown aside these trumpets, being made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

Hays Liniment of the Piles.—The worst attacks of the Piles are effectually and permanently cured in a short time by the use of the genuine Hay's Liniment.—Hundreds of our first citizens throughout the country have used this liniment with complete success. It is warranted to cure the most aggravated case.

If no cure be effected the money will be refunded.

tom her wishes to enjoy. In costiveness, so often prevalent at an interesting period, the Brandreth Pills are a safe and effectual remedy.

There is no medicine so safe as this, it is more easy than castor oil, and is now generally used by numerous ladies throughout their confinement. Dr. Brandreth can refer to many of our first physicians who recommend his Pills to their patients, to the exclusion of all other purgatives and the Pills, being composed of herbs or vegetable matter, purify the blood, and carry off the corrupt humors of the body, in a manner so simple as to give every day ease and pleasure.

The weak, the feeble, the infirm, the nervous, the delicate, are in a few days strengthened by Brandreth's Pills, and the worst complaints are removed by perseverance, without the aid of a physician. Adapted to all circumstances and situations, they are the best medicine ever invented for families, or to take to sea, preventing scurvy or costiveness, requiring no change of diet, particular regimen, or care against taking cold.

DALLEY'S

MAGICAL PAIN EXTRACTOR.

(THE ORIGINAL AND ONLY GENUINE.)

BURNS AND SCALDS.

I CHALLENGE the world to prove that my *genuine Extractor* has ever failed (since its introduction by me in 1839,) in one single instance to cure the worst Burns and Scalds. But it must be the *genuine* article, not the vile *counterfeit stuff* that is flooding the market.

MARK THE TRUE TEST!

Dalley's Genuine Extractor, in Burns and Scalds, affords *immediate relief*, as soon as applied; it cools and draws out the fire and pain in a few minutes. Counterfeit Extractors, no matter by what name or under what title they appear, when applied, *irritate and increase the pain*.

Try all the imitations that profess to the same virtues, and the above TEST will be found conclusive. It does, however, not alone apply to Burns and Scalds, but in Cuts, Wounds, Sore and Inflamed Eyes, and all cases of external and painful inflammation, the same difference will be observed

Piles, Bruises, Salt Rheum, Rheumatism Erysipelas, Eruption, Sore Nipples, Broken Breast, Chilblains, Fever Sores Old Sores and Burns,

and all external inflammation, yield readily to the all-powerful, pain subduing, and curative properties of this extraordinary remedy. But mark, it must be the *Genuine Dalley*.

CAUTION.

To the public.—Being cognizant of the danger attending the use of the COUNTERFEIT EXTRACTORS, I distinctly declare that I will not hold myself responsible for the effects of any Extractor, unless the same be procured at my own Depot, 415 Broadway, New York, 235 Chestnut street, Philadelphia, or from my authorized agents.

TO THE LADIES.

And especially to Mothers and Heads of Families.—The great and substantial benefit that may be derived, and the pain and suffering that may be prevented by the genuine *Dalley's Magical Pain Extractor*, (see printed pamphlet, especially the article addressed to *Mothers*, &c.,) ought to make it an inmate of every family. Life itself has, in many cases, been preserved by a ready application of my genuine Extractor. I would therefore caution Mothers never to be without a box of it on hand, not for a single day; for where there are children, accidents will occur. And what is of vast importance, especially to GIRLS, it heals the wounds without a scar!

LIFE SAVED—AWFUL CASE OF SCALD!

Wheatfield, Niagara Co., N. Y.,
February 28, 1848

Mr. Dalley—Dear Sir—While my son, 15 years of age, was at work in the shingle manufactory of L. P. Rose, he had the misfortune to slip and fall into a large vat, used for the purpose of boiling blocks preparatory to cutting.—The blocks had just been removed from the vat containing a large quantity of boiling water.—He fell forward, scalding both hands and arms, all on one side, and one leg badly and the other partially. The scalds were so bad on his arms and leg, that most of the flesh came off with his garments, and his life was despaired of by both his physicians and friends.

Dalley's Pain Extractor was procured as soon as possible (which was in about six hours) and applied, and which relieved him from all pain, preventing inflammation and swelling, and in a few days commenced healing his sores. There appeared a general improvement, so much so that in three weeks he was removed to his father's house, distance about one mile and a half.

We continued the use of the above medicine about two months, and we believe it was the means, under Providence, of saving his life, and we would cheerfully recommend it in all similar cases, as a safe and invaluable remedy. With sentiments of respect, I remain, dear, sir, your most obedient and humble servant,

ADLAE CLARK,
SUSANNAH CLARK,
C. E. CLARK.

We, the undersigned, being personally acquainted with the case of Mr. Clark's son, believe the above statement substantially correct:—

NO other medicine has ever been introduced to the public that has met with such unparalleled success, as Dr. SOULE'S ORIENTAL BALM PILLS,—having been but six years before the public, and the advertising small, compared with most other medicines, yet they have worked their way into every State in the Union and Canadas. They have absolutely become the Standard Medicine of the day. They are purely vegetable and so admirably compounded that when taken in large doses they speedily cure acute diseases, on the strongest constitutions, such as billious diseases, and when taken in small doses they operate like a charm, upon the most delicate, nervous female, and have gained numbers from their beds after all other remedies had failed. We here refer to but few of the many miraculous cures effected by the use of said Pills.

Spinal Affection.—Anna Wood, of Rutland, Jefferson Co., N. Y., was cured, after she had been confined to bed 5 years, with Spinal disease and Abscess of the Lungs. The bill of her regular physician (Dr. Johnson, of Clay,) had amounted to $600. See Circular.

Scrofula and Nervous Debility.—Mrs. Down, of Clay, N. Y., was cured of Dyspepsia, Nervous debility and Scrofulous Affection of the Head, after she had been confined six months and all other medicines had failed.

Cough and Consumption Cured.—Wm. Bently, of Pickering, C. W., was cured of a severe Cough after he had been confined to his bed for a long time, and was given up by his physicians. He had used most of the Cough Medicines of the day, and was supposed, by his friends and physicians, to be in the last stages of Consumption

Dyspepsia.—A. B. F. Ormsby, of Syracuse, N. Y., was cured of Dyspepsia, so severe as not to be able to work for two years.

Wm. Smith, of Greenwich, Conn., was cured of a severe case of Dyspepsia, Costiveness and Nervous debility, of years standing, after expending large sums of money to no purpose. See Circulars.

Bleeding Piles.—Asaph L. Leonard, of Avon, N. Y., was cured of a severe case of Bleeding Piles of a number of years standing, after using a variety of Pile medicines without effect.

Mrs. Williamson, of Bethlehem, N. J., was afflicted for thirty years with disease of the chest and stomach, a few doses of these pills cured her.

John Darling, of Westford, Oswego co., N. Y., was greatly benefitted in a case of Asthma and difficulty of breathing, by the use of these pills.

Severe Case of Piles.—John Bolton, of Hartwick, Otsego co., N. Y., was cured of a severe case of Piles and extreme costiveness of long and painful duration. Who would not sacrifice a few shillings to be relieved from so distressing a complaint.

Wm. Mockbridge, of Sodus Point, N. Y., was cured of Cough, Nervous Debility, and general derangement of the digestive organs. He had been sick for years, and spent hundreds of dollars to get relief, but to no purpose, and was so discouraged he could hardly be persuaded to take the Pills.

The above are all cases in which all other remedies failed to cure or give relief. Many of the same character might be published if we had space. For particulars see the Botanic Institute, which can be had of agents.

BEWARE OF COUNTERFEITS.

As there are spurious Pills in circulation called Oriental or Sovereign Balm, be sure to see before you buy that the name of "DR. E. L. SOULE & CO.," is on the face of the boxes. None others can be genuine. We are not aware that any one who is making a spurious article has yet dared to make use of our name; but some of them have had the impudence to imitate our boxes and copy our Circulars, Certificates, &c. Unless the public are careful when they purchase, they will be deceived.

To the Afflicted!

CLICKENER'S CELEBRATED SUGAR COATED PURGATIVE PILLS.—Dysentery arises from exposure to damp or cold; eating unripe fruit; sudden suppression of perspiration; and sometimes from peculiar states of the atmosphere.

☞The Sugar Coated Purgative Pills again triumphant! Dysentery put to flight by a few doses.

Kingsbridge, September 19, 1846.

Dr. C. V. Clickener:

Dear Sir:—Some time last summer I was very suddenly seized with an extraordinary looseness of the bowels, which continued for several days without any apparent cessation.—Indeed, the symptoms were so violent, that I scarcely had time to ascertain their cause or think about applying a remedy. I perceived that my pulse was much more rapid than common. Sometimes I was tormented by immoderate thirst, and, occasionally, a strong inclination to vomit, without being able to raise anything. I found no difficulty, however, in eating, although it seemed, after all, to do me no good. My strength failed me very fast, and my stools were invariably accompanied by discharges of blood. The complaint proved to be dysentery of the very worst type. One room needed me to call in a physician; another, to try Lee's Pills; while a third advised me to try something else. I chose, however, to prescribe for myself. I had heard a great deal about the virtues of your Sugar Coated Vegetable Pills from several of my neighbors; and therefore concluded, if they had cured others, there was no reason why they should not cure me. A dose or two soon convinced me that my conclusion was correct. I found the mildness of their operations particularly adapted to complaints of this nature. The change in my feelings was gradual, but none the less certain. The symptoms began to abate after the second or third dose. My strength returned; and the third or fourth box found me restored to my accustomed health, which has always been remarkably good.

Yours Truly,

SIDNEY SMITH.

PURIFY THE BLOOD!

Dr. Keeler's Panacea.

FOR the removal and permanent cure of all diseases arising from an impure state of the Blood, and habit of the body, viz:

Chronic disease of the chest, Bronchitis, Pleurisy, Catarrh, etc., Scrofula in all its stages, Tetter, Scald Head, Blotches, Cutaneous eruptions of the head, face and extremities, Ulcers, Chronic Affections of the Stomach and Liver, Chronic Rheumatism, White Swellings, Abcesses, Syphilitic disorders, constitutional Debility, and all mercurial and hereditary predispositions, &c.

Let no one deceive themselves, that because a single excess of any kind does not occasion immediately an attack of disease, it is therefore harmless. Every violation of an organic law, carries with it sooner or later its punishment. In the great majority of situations to which man is exposed in social life, it is the continued application of less powerful causes, which gradually, and often imperceptibly, effects the change, and ruins the constitutions. Before danger is dreamt of. The majority of human ailments is of slow growth, and of slow progress consequently admits only of cure. Scrofula, consumption, dyspepsia, wite swelling, gout, chronic affections of the stomach, liver, spine, head, eyes, and extremeties, embrace this class—each being the effect of an alteration in vessels of nutrition, effecting vegitative life from an antecedent acquired or hereditary cause, nothing short of powerful ALTERATIVE medicines, promises the least hope to the inval
