M'ALLISTER'S ALL-HEALING OINTMENT.

(THE WORLD'S SALVE.) Contains no Mercury or other Mineral.

From the Reading Eagle. There never, perhaps, was a medicine brought before the public that has in so short a time won such a reputation as M'Allister's All-Healing or World's Salve. Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it of the most painful Rheumatism; another of the Piles, a third of a troublesome Pain in his Side, a fourth of a swelling in the Limbs, &c. It does not give immediate relief in every case, it can never do injury, being applied outwardly. Any evidence of the wonderful healing power possessed by this salve, was shown in the following case: A most respectable citizen of Millersburg township, in this county:

Maidenhead, Berks Co., Pa., March 30, 47. Messrs. Ritter & Co. desire to inform you that they have cured of a severe case of Rheumatism by the use of M'Allister's All-Healing Salve which I purchased from you. I suffered with it about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons without receiving any relief, and at last made trial of this salve with a result far beyond expectation. I am now entirely free from the pain, and enjoy the same health as I did before. I have also used the Salve since for tooth ache and other complaints, with similar happy results. Your friend, JOHN HOLLENBACH.

The following is from a regular Physician of extensive practice in Philadelphia: James M'Allister—Sir: I have for the two last years been in the habit of using your Ointment in the treatment of Rheumatism and other Tonic Capitis, (Scald Head), and thus far with the happiest effect. I think from the experiments I have made with it, that it richly deserves to be adopted as an article of every day use by the profession at large. Your's, truly, S. BELL, M. D.

Philadelphia, Dec 30, 1847. James M'Allister—Dear Sir: I take pleasure in making known to the great benefit derived from your Ointment for Rheumatism, Gout, Sciatica, &c. I had an Ulcer, or running sore on the ear, of many years standing; I had applied several physicians, but all to no purpose. I have used your Ointment, and it was completely cured, and well. I have also used it for Burns, for which I find it an excellent article; also, in all cases of Inflammation.

I certify the above statement to be true. M. G. CADMUS. No 80, Market street, Philadelphia. Around the box are directions for using M'ALLISTER'S OINTMENT for Rheumatism, Sciatica, Gout, &c. Agents: S. S. Fossard, Gettysburg; Joseph R. Henry, Abbotstown; Motter & Rowe, Emmittsburg; J. W. Schmidt, Hanover; C. A. Morris, West York; J. Denis, Chambersburg. June 15, 1849.—

BARNUM'S MUSEUM, CORNER OF CHESNUT & SEVENTH STS PHILADELPHIA. For this hall science sought, on weary wing, By shore and sea, each month and living thing.

Proprietor of the American Museum, in New York, has increased his facilities at his command, has opened this magnificent Establishment in order to furnish a pleasant, cheap, and instructive place of amusement for FAMILIES, CHILDREN and others, and especially persons from the NEIGHBORING TOWNS when visiting the city. The edifice is large, airy and comfortable, and has been fitted up with a degree of costly elegance unsurpassed in the world.

It also filled it with the best selection of curiosities that could be gathered from all sections of the globe; and his facilities for adding to this mammoth collection are greater than any other individual enjoys. He has a correspondence with the most distinguished naturalists in all parts of the world, whose sole business it is to procure every thing curious and wonderful, and let the expense be great or small he will constantly add to this unequalled cabinet, as singular and interesting developments are made in the kingdom of nature.

In addition to this, the splendid LECTURE ROOM will be the scene of most instructive, musical, entertaining and agreeable performances. This apartment is accommodated with two or three thousand. It is finished in a style superior to the best British or American Museums, and is well adapted to the comfort of visitors.

Among the permanent attractions of the Museum, may be seen the following: LIVING GIANTS AND DWARFS, the largest and smallest in the world. LIVING ORANG OUTANGS, ENORMOUS SERPENTS, SCRIPTURE STATUARY, Groups, and the most interesting of mechanism in the world. Grand Dioramas, Fancy Glass Blowing, Statues, Portraits, and HALF A MILLION OF CURIOSITIES.

The intriguing mill comes on here in vain. These, dear friends, are the wonders of the age. The Exhibitions and Performances in the LECTURE ROOM consist of Panoramas, Dioramas, Yankee Stories, and Imitations by that Comic Genus, GREAT WESTERN, Comic Songs, Grand Musical Performances, Negro Delicacies, Electrical Experiments, &c. &c. The Manager pledges himself that no profane word or vulgar gesture is ever introduced here, and that nothing is ever seen or heard which could reflect on the moral and religious portion of the community. In fact, he intends this to be the FAMILY resort, where all may attend with pleasure and profit, accompanied by their mothers, sisters, wives and children. The CHICKEN AND GRAND PIANO FORTIPE used here is from the Ware Room of Edward L. Walker No. 160, under the Museum.

The Museum is open every day in the year, except the Sabbath, from 7 o'clock, A. M. till 10 P. M. Such regulations are established and enforced as render it perfectly safe and pleasant for Ladies and Children to visit the Museum in the DAY TIME, though unaccompanied by gentlemen. Exhibitions and Performances in the Lecture Room TWICE every day, and often on Holidays.

ON THE FOURTH OF JULY, New and extraordinary Attractions will be introduced, and performances take place at intervals throughout the day and evening. June 4, 1849.—

To the Afflicted!

CLICKER'S CELEBRATED SUGAR COATED PURGATIVE PILLS.—Dysentery arises from exposure to damp or cold; eating raw fruit; sudden suppression of perspiration; and sometimes from peculiar states of the atmosphere.

The Sugar Coated Purgative Pills again triumphant! Dysentery put to flight by a few drops. Kingsbridge, September 19, 1846. Dr. C. V. Clicker—Some time last summer I was very suddenly seized with an extraordinary loossing of blood, and heretofore concluded, I should die without any apparent cessation. Indeed, the symptoms were so violent, that I scarcely had time to ascertain their cause or think about applying a remedy. I perceived that my pulse was much more rapid than usual. Sometimes I was tormented by insupportable thirst, and occasionally a strong inclination to vomit, without being able to raise any thing. I found no difficulty, however, in eating, although it seemed, after all, to do me no good. My strength failed me very fast, and my stools were invariably accompanied by discharges of blood. The complaint proved to be dysentery of the very worst type. One recommended me to call in a physician; another, to try Leech Pills; while a third advised me to try something else. I chose, however, to prescribe for myself. I had heard a great deal about the virtues of your Sugar Coated Vegetable Pills from friends of your own neighbors, and therefore concluded to give them a trial. I had no reason why they should not cure me. A dose or two soon convinced me that my conclusion was correct. I found the mildness of their operations particularly adapted to my case, and examining his stock, which he is satisfied is the cheapest ever brought to Gettysburg.

VALUABLE MEDICINES.

NO CURE—NO PAY!

CONNELL'S Magical Pain Extractor, the World's Wonder—pronounced so by all who have ever used it—White Swelling, Inflammation, Pain in the Back, Weak Limbs, Tender or Sore Feet, and all Scrofulous Sores are speedily and permanently cured by Connell's Magical Pain Extractor; Affections of the Lungs, Ague in the Face, Breast, The Doloureux, Chronic sore Eyes, Blistered Surfaces, &c. It is equally beneficial to all kinds of Inflammatory Diseases, such as sore Throats and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Piles, &c., will quickly relieve by the application of this salve. This remarkable sanative possesses many virtues never found in any other article.—It has the most perfect power over all pains by fire, positively allaying the suffering almost immediately upon its application.—If any disbeliever the statement, we would earnestly invite them to call and examine the numerous unalloyed certificates of remarkable cures wrought by this salve. It has for months past been sold upon the following liberal terms, to wit: if the user was not perfectly satisfied, and even delighted with its effects, and furthermore if it did not fully answer our recommendations, their money was returned immediately at their request. On these terms its absolute heal-all is now sold; and we simply ask if the public can demand anything more reasonable! Kind parents, keep it constantly on hand; in case of accident by fire, life may be lost without it; but by its use all burns are subject to its control, unless the vitals are destroyed.

Caution.—No Pain Extractor can be genuine unless you find the signature of Comstock & Co. on the wrapper to each box. Beware of the counterfeit.

RHEUMATISM.—Comstock's Hovey's Nerve and Bone Liniment, and Indian Vegetable Elixir, is warranted to cure any case of Rheumatism, Gout, Contracted Chest and Muscles, or Joint strength in Weak Limbs, and enable those who are crippled to walk again. Use this article and be cured, or go without it and suffer, as you please. Certificates of cures by the hundred can be seen at 21 Cortland street, N. York, where this article is sold only genuine.

DEAFNESS.—Use Dr. McNair's Acoustic Oil, for the cure of Deafness. Also, all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten or twenty years, and compelled to use ear trumpets, have, after using one or two bottles, thrown aside these trumpets, being made, fifteen or twenty years deaf, and are now hearing well. It has cured cases of ten, fifteen, and even thirty years standing deafness.

Hays Liniment of the Piles.—The worst attacks of the Piles are effectually and permanently cured in a short time by the use of the genuine Hays's Liniment.—Hundreds of our first citizens throughout the country have used this liniment with the most successful results. It is warranted to cure the most aggravated case.

If no cure be effected the money will be refunded.

RAISING BLOOD

AND CONSUMPTION, PAIN IN THE SIDE, AND NIGHT SWEATS, ASTHMA, WHOOPING COUGH, PALPITATION OF THE HEART, LIVER COMPLAINT, BRONCHITIS, And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balm.

Mr. Milne, Butler, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he COULD NOT LIVE.

Hearing of the wonderful cure performed by Sherman's Balm, he sent at 10 o'clock at night to Mrs. Hayes, 130 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and the cough! Before he had taken one bottle he was able to be about his work. It had SAVED HIS LIFE.

His daughter, residing at 127 Myrtle Avenue, Smith-street, told him she was obliged to give Miss Ann Marton, of Williamsburgh, living in Tenth near South Fourth street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balm—which soon alleviated her symptoms. She is now fast recovering, and has resumed her usual occupation as a milliner.

Mr. John O'Neil, 10th Avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get NO RELIEF. He tried the All-Healing Balm, which drove the pain from his side, allayed the cough and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.
