Whenfeld, Niegara Co., N. Y., February 28, 1948

Mr. Dalley—Dear Sir—While my son, 15 years of age, was at work in the stingle manu-factory of L. P. The blocks had just been removed from the vat containing a large quantity of boiling water,— He fell torward, scaloing both hands and arms all on one side, and one leg badly and the other partially. The scalds were so bad on his arms

Dalley's Pain Extractor was procured as soon as possible (which was in about six hours) and applied, and which relieved him from all pain, preventing inflammation and swelling, and in ew days commenced healing his sores. There appeared a general improvement, so much so weeks he was removed to his fath er's house, distance about one mile and a half. We continued the use of the above medicin means, under Providence, of saving his life, and we would cheerfully recommend it in all similar cases, as a safe and invaluable remedy.
