DIAMOND TONSOR
S. R. TIPTON,
FASHIONABLE Barber and Hair
Dresser, has removed his "Temple"
to the diamond, adjoining the County Build-
ings, where he can at all times be found
prepared to attend to the calls of the public
From long experience he flatters himself
that he can go through all the ramifications
of the tonsorial departments, with such an
infinite degree of skill as will meet the en-
tire satisfaction of all who submit them-
selves to the keen ordeal of his razor. He
hopes, therefore, that by attention to neat-
ness and a desire to please, he will merit
as well as receive a liberal share of public
patronage. The sick will be attended to
at their private dwellings.

NEW ESTABLISHMENT.
HENRY SMITH,
RESPECTFULLY informs the citi-
zens of Gettysburg, and strangers
who may tarry here, that he has now
in West York street, one door West of
Paxton's Hat-store, where he intends pro-
cessing the Tonsorial business in all its
varied and various branches.
His razor's good and sharp.
He'll shave your face without a snarl,
Gentlemen, call and see for yourselves.
His sponge and soap, his towels are clean,
And in his shop he'll always be seen.
He also respectfully informs the
gentlemen that they can at any time have
their boots blacked in the neatest style—
Gentlemen can also have grease removed
from their clothes.

**DALLEY'S
MAGICAL PAIN EXTRACTOR.**
(THE ORIGINAL AND ONLY GENUINE.)

BURNS AND SCALDS.
CHALLENGE the world to prove that any
other medicine ever invented (since the
introduction by me in 1839) of this
remedy to cure the worst Burns and Scalds,
it must be the genuine article, not the cheap
imitation stuff that is flooding the market.

**DALLEY'S Genuine Extractor, in Burns and
Scalds, affords immediate relief, as soon as ap-
plied; it cools and draws out the fire and pain in
a few minutes. Counterfeit Extractors, the man-
ufacture of which is prohibited by law, are sold
everywhere, and are so prepared as to imitate
the genuine article, not the cheap imitations.
Try all the imitations that profess to cure Burns
and Scalds, and the above will be found con-
clusive. It does, however, not allow itself to
burn and scald, but in Oils, Waxes, Sore
Blisters, when applied, it relieves and cures the**
