From the "Reading Eagle." There never, perhaps, was a medicine brought efore the public that has in so short a time won uch a reputation as "M'Allister's All-Healing or World's Salve." Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it of the most painful Rheuma tism; another of the Piles, a third of a trouble some Pain in the Side, a fourth of a Swelling of the Limbs, &c. If it does not give immediate re lief in every case, it can never do injury, being applied outwardly. Pain Extractor, (see printed pamphlet, especially the article addressed to Mothers, &c.,) ought to make it an inmate of every family. Life itself has, in many cases, been preserved by a ready application of my genuine Extractor. I would therefore caution Mothers never to be without a box of it on hand, not for a single day; for where there are children, accidents will occur. And what is of vast importance, especially to oracs, it heals the wounds without a scar! LIFE SAVED-AWFUL CASE OF SCALD! Wheatfield, Niagara Co., N. Y.,

Mr. Dalley-Dear Sir-While my son, 15 years of age, was at work in the skingle manu-lactory of L. P. Rose, he had the mistortune to slip and fall into a a large vat, used for the pur pose of boiling blocks preparatory to cutting.— The blocks had just been removed from the vat containing a large quantity of boiling water.-He fell forward, scalning both hands and arms, all on one side, and one leg badly and the other partially. The scalds were so bad on his arms and leg, that most of the flesh came off with his garments, and his life was despaired of by both

physicians and friends. Dalley's Pain Extractor was procured as soc as possible (which was in about six hours) and applied, and which relieved him from all pain, preventing inflammation and swelling, and in a w days commenced healing his sores. There appeared a general improvement, so much so that is three weeks he was removed to his father's house, distance about one mile and a half.

We continued the use of the above medicine about two months, and we believe it was the means, under Providence, of saving his life, and we would cheerfully recommend it in all similar cases, as a safe and invaluable remedy. #### FEVER AND AGUE. This complaint has three stages. The first o tidian comes on every 24 hours; the tertian every 40 hours; and the quartian, every 48 hour

These are usually called the hot, the cold, and sweating. The symptoms are yawning and stretching; cold hands and feet; a shrivelled skin, a small and frequent pulse; and finally Who would shiver and shake with this tormenting disease, when the only effectual remedy may be had for a mere trifle! The annex

ed certificate was wholly unsolicited, and the sin-certty of the writer cannot be questioned. This certifies that my son had been troubled with the Fever and Ague for the last four or five years. He first took it when we lived over in Jersey; and since we came here he has never known a well day. Half the time he has no been able to work at his trade; and as my hus band is dead and my only dependence is on my son's labors, times have gone pretty hard with us. Thank God! he has got entirely rid of it a last, and all by the use of Dr. Clickener's won derful Sugar Pills. If I had only known o them before, I would have walked a hundred miles rather than be without them. I thank you heartily. Dr. Clickener, for the good they have done my son, and you will oblige me by thanking your Agent, Mr. Kent, for stopping

I tried fa, I confess, more in the hope than in the confidence of flaproving efficacious; but I am bound in candor now the seknowledge, that I had not tried it long before I begun to experience its salutary effects; and I may now say, with Captain McLean, "that I would not be without if on any consideration." It has done me more good than any previous remedy I have tried, and if this statement is deemed by you of any importance, you have my fell consent to make it public.
