Dr. Townsend's Sarasparilla.
There probably sever has been so popular a residy or paisest medicine, as Dr. Townsends's Sarasparilla, which was eriginally, and continues to be manufactured in this city, at first by the Doctor himself, and afterwards for several years and to the present time, by Clapp & Townsend, the present proprision. of mea, women and gira, in the preparation of the
medicina, mekling boxes, pristing, &c., and turn est,
ready for chipment, ever 600 decay per day, or sizely

The great sale the medicine has acquired, has induced a number of men to get up imitations, and there
is at the present time, other medicines for sale, that
