DR. S. P. Towssern-Dear Sir : I am constrained to Da. S. P. Towsexen-Dear Sir: I am coordinated to give you a statement of the bonefit I derived from using your Sar-saparilla, believing, by so doing, I shall render a benefit to those who are sinfering as I have been. I was reduced for many mouths by the Dyspeptia, so much that it was with much disculty for me to walk or keep about. I had also a tetter, which covered the most part of my head—which was extremely troublesome and sore; it got to be almost acad, I used onlies a number of remedies for both extremely troublesome and sore; it got to be almost a scab. I used quite a number of remedies for both the complaints, but received little or mo benefit, until I took your Sarsaparilla, which, through the kindness of Providence, has restored mo to more than my usual health, as I am now enjoying better than I have for a number of years. I am now 60 years of age. I believe it to be an invaluable medicine, and recommend it to my numerous acquaintances, which is very large, as I have been a minister a great many years. I hope this hasty sketch may be as much benefit to you as your medicine has to me.

Fairno Franson—Having for some time past, as you are aware, experienced great general debility of my system, attended with constant and nlarming irritation of my throat and lungs. I was, at your instance, and in consequence of having read Capitain McLean's decided testimony in its bobalf, induced to try Dr. S. P. Townsend's far-famed Barsaparilla. I tried it, I confess, more in the hope than in the confidence of its proving effeactivate; but I am bound in canden now to acknowledge, that I had not tried it long before I began to experience its sultary effects; and I may now say, with Capitain McLean, "that I would not be without it on any consideration." It has done me more good than any previous remedy I have tried, and if this statement is deemed by you of any importance, you have my full consent to make it public.

Mr. W. L. Green, formerly Postmaster at Jos-lin's Corner's, N. Y., states that one of his childdiately relieved all pain, and effected a cure without leaving a scar TERRIBLE BURN CURED.

Mr. T. Hughes, employed at the Salamander Iron Works in New York, had his arms dreadfully burned by the bursting of a furnace, caus-ing the skin and flesh to peel off the arm in large flakes, leaving a shocking and painful sight.— Tousey's Master of Pain was used, and the pain instantly siopped, and the arm was speedily cured without a scar. Messrs. Armory, the proprietors of the Foundry, certify to these facts.—

Every person should keep this Ointment by them.
ANOTHER BURN CURED.
Mr. S. Tousey—I have been much pleased with the healing qualities of your Master of Pain. I send you one of a number of cases in my own family. My little girl, eight years of age while at play in my sitting-room, accidentally fell, resting her whole weight upon the hot stove, for cing herself back with the hand still on the stove and burning the skin of her hand to a crisp.— One application of your Ointment immediately removed all pain—not a blister was raised—and the next day, although the skin was stiff, all soreness had been removed.

Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back by theuse of M Affister's All-Healing Salve which I purchased from you. I suffered with it about 20 years, and at night was unable to sleep During that time I tried various remedies, which were prescribed for me by physicians and other persons without receiving any relief, and at last made trial of this Salve with a result favora ble beyond expectation. I am now entirely free from the pain, and enjoy at night a sweet and penceful sleep. I have also used the Salve since for tooth ache and other complaints, with similar happy results. Your friend,
JOHN HOLLENBACH.

The following is from a regular Physician of extensive practice in Philadelphia:

James M'Allister—Sir: I have for the two last years been in the habit of using your Oint-ment in cases of Rheumatism, Chilblains and in Tenia Capites, (Scald Head,) and thus far with the happiest effect. I think from the experiments I have made with it, that it richly deserves to be fession at large. Your's, truly,

FEVER AND AGUE.

This complaint has three stages. The first or quotidian comes on every 24 hours; the tertian, every 40 hours; and the quartian, every 48 hours. These are usually called the hot, tha cold, and Incee are usually called the not, the cold, and sweating. The symptoms are yawning and stretching; cold hands and feet; a shrivelled skin, a small and frequent pulse; and finally a

cold shake.

Who would shiver and shake with this tormenting disease, when the only effectual remedy may be had for a mere trifle! The annexed certificate was wholly onsolicited, and the sin-

Whentfield, Ningara Co., N. Y., February 28, 1848
Mr. Dalley-Dear Sir-While my son, 15 years of age, was at work in the shingle manufactory of L. P. Rose, he had the mistortune to ship and fall into A a large vat, used for the nor pose of boiling blocks preparatory to catting.— The blocks had just been removed from the vat containing a large quantity of boiling water— He fell forward, scalding both hands and arms, all on one side, and one leg badly and the other nartially. The scalds were so bad on his arms and leg, that most of the flesh came off with his garments, and his life was despaired of by both

his physicians and friends.
Dalley's Pain Extractor was procured as soon as possible (which was in about six hours) and applied, and which relieved him from all pain, preventing inflammation and swelling, and in a few days commenced healing his sores. There that in three, weeks he was removed to his father's house, distance about one mile and a half. about two months, and we believe it was the means, under Providence, of saving his life, and we would cheerfully recommend it in all similar cares, as a safe and invaluable remedy. ntiments of respect, I remain, dear, sir, your
