BURNED CHILD CURED.

Mr. W. L. Green, formerly Postmaster at Jos-in's Corner's, N. Y., states that one of his children fell on a hot stove, very badly burning his face, and severely injuring one of his eyes. Tou-sey's Master of Pain was applied, which immediately relieved all pain, and effected a cure with-

out leaving a scar.
TERRIBLE BURN CURED. Mr. T. Hughes, employed at the Salamander Iron Works in New York, had his arms dread-fully burned by the bursting of a furnace, causing the skin and flesh to peel off the arm in large flakes, leaving a shocking and painful sight.— Tonsey's Master of Pain was used, and the pain instantly siopped, and the arm was speedily cured without a scar. Messrs. Armory, the proprietors of the Foundry, certify to these facts.— Every person should keep this Oifitment by them.

ANOTHER BURN CURED. Mr. S. Tousey—I have been much pleased with the healing qualities of your Master of Pain. I send you one of a number of cases in my own family. My little girl, eight years of age at play in my sitting-room, accidentally fell, resting her whole weight upon the hot stove, for cing herself back with the hand still on the stoy and burning the skin of her hand to a crisp .-One application of your Ointment immediately removed all pain—not a blister was raised—and the next day, although the skin was stiff, all sore ness had been removed. I have for several years had a high Cough, it became worse and worse. At last I raised large quantities of blood, had night swests, and was greatly debilitated and reduced, and did not expect to live. I have only used your Saraparitia a short time, and there has a wonderful change been wrought in me. I am now able to waik all over the city. I raise no blood, and my cough has left me. She is fast becoming rugged and healthy for which we feel grateful.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afficient that hundreds of causes have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable Medicine, have been becard with me hardly offuring.

Great Blessing to Mothers and Children. Great Hieraing to Mothers and Children. It is the safest and most effectual medicine for purifying the system, and reheving the authering attendant upon childbirth over discovered. It is inplify useful both before and after confinement, as it prevents diseases attendant upon child-birth—in Cotto eness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vorniting, Pain in the Back and Luon, I balse Pains, Hemorrhage, and in regulating the secretions and equaliting the circulation, it has no equal. I was reduced for many months by the II) spepsis, so much that it was with rauch diffusily for me to walk or keep about. I had also a tetter, which corrected the most part of my head-which was extremely troublesome and sore; it got to be almost a scab. I used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarsaparilla, which, through the kindicas of Frividence, has restored me to more than my usual health, as I am now enjoying better than I have for a of Providence, has restored me to more than my usual mealth, as I am now enjoying better than I have for a number of years.
