Da. S. P. Townsend—Dear Bir: I sue constrained to give yoe a statement of the beneat I derived from using your Sarasparilla, believing, by so doing, I shall ender a benefit to those who are suffering as I have been. I was reduced for many months by the Dyspeptia, so much that it was with much difficulty for me to walk or keep about. I had also a tetter, which covered the most part of my head—which was attremely troublessme and sore; it got to be almost a scab. I used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarasparilla, which, through the kindness of Froviduoce, has rectored me to more than my amal health, as I am now enjoying better than I have for a number of years. I am now 60 years of age. I believe it to be an invaluable medicine, and recommend it to my numerous acquaistances, which is very large, as I have been a minister a great many years I hope this harty atsch may be a much beseft to you as your medicine has to me.

Methodist Clergyman. The following was sent to our Agent in Rahway, by the Rev. J. O. TUNISON, of the Methodist Episcopal Church—one of the most learned and respected in the connection—and is another evidence of the weatherful affects of Dr. S. P. Townsand's Sarsaparilla on the creature.

TRIEND FRANCO-HAVING the sease time past, as you are ware, experienced great general debility of my system, attended with constant and alarming irritation of my throat and inugit I was, at your instance, and in consequence of having read Captain McLean's decided testimony in its behalf induced to try Dr. S. Townsend's far-famed Saresparilia. I tried S. I confeas, more in the hope than in the confidence of its proving efficacious; but I am bound in cander now to acknowledge, that I had not tried it long before I began to experience its salutary effect; and I may now say, with Captain McLean, "that I would not be without A on any consideration." It has done me more good than any pravious remedy I have tried, and if this statement is decemed by you of any impertance, you have my full consent to make it public.

CURE FOR HEAD-ACHE.

HEADACHE proceeds from a foul stomach ostiveness, and various other causes. It is some times accompanied by nausea.

Keep the system thoroughy cleansed by a time-use of the sugar-coated Purgative Pills, and Headache will never molest you

Dr. Clickener: For a great many years I scarcely ever knew what it was to be without a Headeche of some kind or other; and, perhaps, I should not, even now, if circumstances had not lead me to use your Sugar-Coated Pills. Being considerably troubled with dyspepsia, I was induced, by the advice of a friend, to make a trial of them, and see if they would afford me any relief. I had previously dieted in every possible way I could think of; but it was all to no purpose. I left think of; but it was all to no purpose. I left off drinking tea and coffee, and drank sothing but cold water. Now and then I took a dose of salts or Castor Oil. These would relieve me for a short time; but my bowels would become tighter after it, and my head would ache more violently than ever. It took but one box of your violently than ever. It took but one box of your pills to convince me that they were the very medicine needed. Their operation was so mild and gentle, it was really a pleasure to take them. At first, the pain in my head was considerably moderated. It would occasionally pass off altogether, and then return again at longer and longer intervals, until, finally, it disappeared entirely. By this time (I had now taken about 6 boxes) I found my direction perfectly healthy and natural: found my digestion periectly healthy and natural; my appetite remarkably good, and at times incli-ned to be voracious. I was now convinced that the onl yeause of my beadarhe was, the disor-derea condition of my stomach and bowels. I have never had the slightest headache since.

DROPSY OF THE HEAD CURED .-- A POOR child, a boy about two years old, was given up to die. The parents, neighbors and doctors, had no hopes of his recovery,-For several days his breathing had been short and death-like; and, in fact, those around him supposed another night would be his last. In this stage of the case, an aunt of the child was sent for, with whom the little sufferer was a great favorite,-This lady having arrived, and being scated asked a few questions as to the condition of the child's bowels, and then expressed the opinion that Brandreth's Pills were capable of saving its life. She was so in earnest in her remarks, that her advice was followed from the moment. She gave him two pills at once and followed them up with more in about an hour; she crushed the pills, and gave them in molasses, washing them down with a little tea. The effect was surprising; in six hours she had given him over 12 pills, and the discharges were of the most malignant nature. Suffice it to say, that in fifty-two hours she had given him fifty-two pills, and all the alarming symptoms had entirely disappeared. He is now well, and, though before a

weakly child, he is now strong: he is, in fact, re-made. Of The Brandreth Pills are sold for 25 cents. perbox at Dr.B. Brandrath's Principal Office, 241 Broadway, N.
