A Fox Story .- Any body who has

heard Rory O'More's samous story of the

fox, in Lover's amusing play of that name,

will confess that it is not quite equal to the

following, which is taken from the St.

Johnsbury Caledonian, a Vermont paper :

"Last week, in the town of Newbury,

s fox hunter, with two hounds, got upon

the track of a poor fox, which was pursued

until towards the close of day. Fox found

matters were drawing to a desperate crisis

with him-and just at this time the whis-

of his tail, and the one in the rear was cut

off just behind his hips-and off went for

'alone in his glory." However impreba-

ble this may appear, we are assured by a

FRESH GARDEN SEEDS. H. BUEHLER has just received a large supply of fresh GAR DE N SEEDS, of every variety, from the celebrated Shaker Gardens in New York. Gestyeburg, Feb. 15, 1850.

ON THE DEATH OF DR. BEDELL

BY WILLIS GAYLORD CLARKS He has gone to his mansion of rest,

From a region of sorrow and pain;
From a region of sorrow and pain;
To the glorious Land of the Blost,
Where he never can suffer again:
The pangs of affliction and sickness are o'er—
The cloud on his spirit will darken no more! THE subscriber respectfully announces The cloud on his spirit will darken no to his friends and the public general-

Descending the radiant sky;
Ere the stars have their shining begun,
And are hid by the day-beams on hig The night could not rest on the wings of his son Nor the shadows of earth their uprising control. The watchman is missed from the well, Where his warnings so often have rung

No more the affectionate call,

Or remonstrance, will melt from his tongue; There is dust on his lip, and the shroud on his breast. And the deep seal of peace on his cylid is prest. How oft, when the sanctified air Round the altar with music was filled. Have the words of his eloquent prayer
Gone forth, like rich incense distilled;

Like the breath of Spring roses ascending the skies. To God, an acceptable sacrifice. His heart was a fountain of love-It stirred in the light of his mind, Whose glory was caught from above, Where the pearl of great price was enshrin He taught the dark spirit to look to its ray,

And to feel its warm glow in life's gloomiest day. He knew that our pilgrimage here
Was a dream: he remembered as dust
The throngs that assembled to hear, And bade them in heaven to trust. And armed with persuasion, and pity, and prayer, He shunned not the counsels of God to declare.

Did he becken with wavering hand, Till silence around him would fall, Then, echo his Savious's command; Till his magical accents the hearer received Their soberness treasured, and, hearing, believe Who mourns that his garland is won,

That his trials and labors are done,

He walks in the smile of his Gon, Where calm by green pastures, and dwellings

The waters of life all their splendor unfold. And he sees in the shadowless air,
That lofty and beautiful tree,
Whose blossoms and fruits blooming fair,
Are spread for the ransomed to see;
He hears the glad harpers that linger beneath,

NOTICE is hereby given to all Legatees Oh, leave him to rest with his Gon,

[From the Tribune YOUTH AND LOVE,

Youth and Love one Spring-day met, "Twas sunny April weather; **
Said Love, "Ere yonder sun is set
Let's take a stroll together." Said Youth, "With all my heart will I,"

And hand in hand they wended ; The moon was low in western sky They talked of Beauty, Nature, Truth,

Each eye the other's meeting, And ne'er since life began, to youth, Had hours seemed half so fleeting. Said Youth, "Since we're so happy now,

Why not remain united ! Love pressed a kiss upon Youth's brow, And thus their troth was plighted. So binding was the vow they breathed

It no'er in life was broken, nd Youth, in death, a kiss bequeathed, As Lova's own proper token. Since then 'tis said that Love's first kiss

Is of Love's joy the dearest, And, of all sublunary bliss, It is to Heaven the nearest. And though from death Love cannot save,

Nor render Youth immortal, 'T will, loyal, follow to the grave, And with him pass its portal SHORT FIRE-SIDE SYORY ABOUT HON-

One evening a poor man and his son, a tle of the railroad train was heard, when The account of Isaac Wesgley, Guar-ian of Melinda Beard, minor child of

"Not so, father," said the boy ; "I shall not eat untill after you. You have been working hard all day, for small wages, to support me; and you must be very hungry, I shall wait untill you are done." "You speak kindly my son," replied director of the road that it is a fact."

the pleased father, "your love to me does more good than my food; and those dear eyes of yours remind me of your dear mother who has left us, who told you to love me as you used to do; and indeed, my boy, you have been great strength and comfort to me; but now I have eaten the first Not only was negro slavery introduced by morsel to please you, it isyour turn now to

"Thank you father; but break this piece in two, and you take a little more, you see the loaf is not so large, and you require much more than I do.

"I shall divide the loaf for you my boy: but eat it I shall not; I have abundance ; and let us thank God for his great good nun, one of the Administrators of the este of Joseph Coshun, deceased.

This first account of James H. Fickes, He who gave us living bread from heaven,

A Palist Christoff, Administrators of this and Peter Orndorff, Administrators of the to nourish our immortal souls, how should be not give us all other food which is nec estary to support our immortal bodies !"

The father and son thanked God, and Domingo, by authority of Charles V. then began to cut the loaf in pieces to be. Since that time it is estimated that 50,000, gin their frozal meat. But ar they out one 000 of persons have been stolen from their portion of the lost, there fell out pieces of native land to minister to the inertness and THE subscriber respectfully requests gold of great value. This little bay gave cubidity of others. My son, my son !! he cried, "do not Ireland." On being told that her geograph-

"But whose is it father, if it is not ours?" "I know not, as yet, to whom it belongs; much larnin, I never went to school but but probally it was put there by the ba-one day, and that was in the evenin' and ker, through some mistake. We must in-we had nt no candle, and the master didn't

"But, father," interrupted the boy, "you are poor and needy, and you have bought the losf, and the baker may tell a lie,

Atrocious Case of Kidnapping.

There is no bout to use it was !

"I will not listen to you, my boy. I bought this loaf, but I did not the gold in I shall not be so distinct as to take the adelphis, Samuel G. McClean, a cuitzen surgeon, advantage of him; remember. Him who has of whipperin of secret to the rendezvous of the pursued and shot at him with a rife.

Un wednesday in the Criminal Court, at Philadelphia, Samuel G. McClean, a cuitzen surgeon, guished. One planter, ion. All in all, a more monstrous case of villainy, has seldom been brought to light.

MORE OF THE SEA SERPENT The Charleston Mercury of Monday has the following letter:

"BEAUFORT, MARCH 15, 1850. "The report of Capt. Blakenship and passengers has been verified by many other witnesses. This formidable sea monster has been seen again to-day, we under stand, in our waters. When discovered by those on board the steamer, "his eminence was in Port. Royal Sound, a distance of seven or eight miles from this town. Since that time he has been lazily of an old town in Germany. The father took out a loaf of bread, which he had bought in the town, and broke it and gave half to the boy.

"Not so, father," said the boy: "I shall the engine the trace of in the town to the boy.

"Not so, father," said the boy: "I shall the engine the trace of the trace of the trace of the broad. He is reported to be making the wholl the engine the trace of the broad. He is reported to be making the way higher up still, when, perhaps, the trace of the trace of the broad. He is reported to be making the way higher up still, when, perhaps, the trace of th of proportionate bulk ; five or siz feet out of water; about ten feet from his head is a hump, resembling a huge hogshead, and as far as he could be seen out of the water a succession of humps was observed. He was pursued for several miles along the bank of the river, at times the party in pursuit coming very near to him. was shot at with a rifle or shot gun, which had the effect of making him timid, and caused him to sink below the surface of the water when nearly approached, understand that a party from this place has been made up to capture him, if possible. The plan is to man two large flats, with a cannon to each, one going below where he is represented to be, and the other as bove, and then approach each other, and when he is discovered, fire into him. In this way he may be taken, if, peradventure, he does not take them first. The certained from personal inspection the suf-Whale Branch is not more than a hundred yards wide, and there is every probferings of the Indian populations went bank to Spain and used the whole of his ality of an animated conflict with the king influence to put an end to this abuse, sub-situding for their labors, those of Africans
