PROOF!! PROOF!!!

Here is proof conclusive that Dr. S. P. Townsend's Sersaparilla is the original. The following is from some of the most respectable papers in this State.

PROM THE.

Dr. Townsend's Sarsaparilla.

There probably never has been so popular a residy or patent medicine, as Dr. Townsends's Sarsaparilla, which was originally, and continues to be samulated turved in this city, at siret by the Doctor himself, and afterwards for several years and to the present image, by Clapp & Townsend, the present proprietors. Since the partnership was formed, the Doctor has resided in New York, where he keeps a store, and attends to thusiness that accumulates at that point. The means factory is in this city, and is conducted by the junior partner, Mr. Casp—here all the medicine is manafactured.

Few of our citizens have any idea of the measure,
