was an upper borth, while the little fellow was undressing himself. Having finished this, his father tied a handkerchief pround his hend to protect his curls, which looked as if the sunlight from his young happy, heart always rested there. This done, I looked for him to seek his resting place, but instead of this, he quietly kneeled the floor, and putting his little hands togisther, so beautifully childlike and simple, and resting his arms on the lower simple, and resting his vesper prayers.

The was proved the conclusion. It was, for a child waited the conclusion. A R. STEVENSON, D. HORNER.
