RELATIVE TO AN AMENDMENT OF THE CONSTITUTION.

Resolved, by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, That the Constitution of this Commonwealth be amended in the second section of the fifth article, so that it shall read as follows: The Judges of the Supreme Court, of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, shall be elected by the qualified electors of the Commonwealth, in the manner following, to wit: The Judges of the Supreme Court, by the qualified electors of the Commonwealth at large; the President Judges of the Several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, by the qualified electors of the respective districts over which they are to preside or act as judges; And the Associate Judges of the Court of Common Pleas by the qualified electors of the counties respectively.—The Judges of the Supreme Court shall hold their offices for the term of fifteen years, if they shall so long behave themselves well, (subject to the allotment hereinafter provided for, subsequent to the first election;) The President Judges of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, and all other judges required to be learned in the law, shall hold their offices for the term of ten years, if they shall so long behave themselves well; the Associate Judges of the Court of Common Pleas shall hold their offices for the term of five years, if they shall so long behave themselves well; all of whom shall be commissioned by the Governor, but for any reasonable cause, which shall not be grounds of impeachment, the Governor shall remove any of them on the address of two-thirds of each branch of the Legislature. The first election shall take place at the general election of this Commonwealth next after the adoption of this amendment, and the commissions of all the judges who may be then in office shall expire on the first Monday in December following, when the terms of the new Judges shall commence. The persons who shall then be elected Judges of the Supreme Court shall hold their offices as follows: One of them for three years, one for six years, one for nine years, one for twelve years, and one for fifteen years, the term of each to be decided by lot by the said Judges, as soon after the election as convenient, and the result certified by them to the Governor, that the commissions may be issued in accordance thereto. The Judge whose commission will first expire shall be Chief Justice during his term, and thereafter, each Judge whose commission shall first expire shall in turn be the Chief Justic, and if two or more commissions shall expire on the same day, the Judges holding them shall decide by lot which shall be the Chief Justice. Any vacancies, happening by death, resignation or otherwise, in any of the said Courts, shall be filled by appointment by the Governor, to continue till the first Monday of December succeeding the next general election. The Judges of the Supreme Court and the Presidents of the several Courts of Common Pleas shall, at stated times, receive for their services an adequate compensation, to be fixed by law, which shall not be diminished during their continuance in office; but they shall receive no fees or perquisites of office, nor hold any other office of profit under this Commonwealth, or under the government of the United States, or any other State of this Union. The Judges of the Supreme Court, during their continuance in office, shall reside within this Commonwealth; and the other Judges, during their continuance in office, shall reside within the district or county for which they were respectively elected.

For the Removal and Permanent Cure of all

NERVOUS DISEASES,

And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the

NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been prosecuted by distinguished physicians, both in Europe and the United States, to be the most *valuable medicinal discovery of the Age.*

Dr. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,

is used with the most perfect and certain success in all cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞In NERVOUS COMPLAINTS, Drugs and Medicines *increase the disease*, for they weaken the vital energies of the already prostrated system; while under the strengthening, life-giving, vitalising influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives,

consists, in the fact that they arrest and cure disease by *outward application*, in place of the usual mode of drugging and prickling the patient, till, exhausted Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken which, by their action on the nerves and muscles of the stomach, afford *temporary* relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS
Of the most Undoubted Character,

From all parts of the Country could be given, sufficient to fill every column in this paper!

AN EXTRAORDINARY CASE,

which conclusively proves that

"Truth is stranger than Fiction."

CURE OF

Rheumatism, Bronchitis and Dyspepsia.

REV. DR. LANDIS, A CLERGYMAN

of New Jersey, of distinguished attainments and exalted reputation:—

SIDNEY, New Jersey, July 12, 1848.

DR. A. H. CHRISTIE—Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about *twenty years* I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About *fourteen years* since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year, caused me indescribable anguish. Farther: in the winter of '48 and '49, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. *My nervous system was now thoroughly prostrated*, and as my Bronchitis became worse, so also did my Dyspepsia and Rheumatic affection—thus evincing that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmacopeia there seemed to be no remedial agent which could reach and recuperate my Nervous System; everything that I had tried for this purpose had completely failed. At last I was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency,) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1846. TO MY GREAT ASTONISHMENT, IN TWO DAYS MY DYSPEPSIA HAD GONE; IN EIGHT DAYS I WAS ENABLED TO RESUME MY PASTORAL LABORS; FOR HAVE I SINCE OMITTED A SINGLE SERVICE ON ACCOUNT OF THE BRONCHITIS; AND MY RHEUMATIC AFFECTION HAS ENTIRELY CEASED TO TROUBLE ME. Such is the wonderful and happy results of the experiment.

I have recommended the BELT and FLUID to many who have been likewise suffering from Neuralgic affections. They have tried them, WITH HAPPY RESULTS, I BELIEVE, IN EVERY CASE.

I am, dear sir, very respectfully yours,
ROBERT W. LANDIS.

DR. CHRISTIE'S
GALVANIC NECKLACE

is used for all complaints affecting the Throat or Head, such as Bronchitis, Inflammation of the Throat, Nervous and Sick Headache, Dizziness of the Head, Neuralgia in the Face, Buzzing or Roaring in the Ears, Deafness, which is generally Nervous, and that distressed complaint, called Tic Doloreux.

Palsy and Paralysis.

All physicians acknowledge that these terrible diseases are caused by a *deficiency of Nervous Energy* in the affected limbs. Dr. CHRISTIE'S Galvanic Articles will supply this deficient power, and a complete and entire cure is thus effected.

DR. CHRISTIE'S
GALVANIC BRACELETS

Are found of vast service in cases of Convulsions or Fits Spasmodic Complaints, and general Nervous Affections of the Head and upper extremities. Also in Palsy and Paralysis, and all diseases caused by a deficiency of power or Nervous Energy in the limbs or other organs of the body.

Tic Doloreux and Neuralgia.

These dreadful and agonizing complaints are *immediately relieved* by the application of the GALVANIC BELT, NECKLACE AND FLUID. The Belt diffuses the Electricity through the system; the Necklace has a local effect, and the Fluid acts directly upon the affected nerves. In these distressing afflictions the application NEVER FAILS.

☞Many hundred Certificates from all parts of the country of the most extraordinary character can be given, if required.

☞No trouble or inconvenience attends the use of *DR. CHRISTIE'S GALVANIC ARTICLES*, and they may be worn by the most feeble and delicate, with perfect ease and safety. In many cases the sensation attending their use is *highly pleasant and agreeable.* They can be sent to any part of the country.

Prices:

This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickening, or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other Medicines is, while it eradicates disease, it invigorates the body. It is one of the very best

ever known; it not only purifies the whole system and strengthens the person, but it creates, new, pure and rich blood; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than one hundred thousand cures of severe cases of disease, at least, 50,000 were considered incurable. It has saved the lives of more than 15,000 children the three past seasons.

200,000 cases of General Debility and want of Nervous Energy.

DR. S. P. TOWNSEND'S Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy, by the effects of medicine, or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on by physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption, can be entirely restored by this pleasant remedy This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured *Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side &c., have been and can be cured.*

Spitting Blood.

DR. S. P. TOWNSEND—I verily believe your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant. WM. RUSSEL, 66 Catherine-st

Fits! Fits!! Fits!!!

DR. S. P. TOWNSEND, not having tested his Sarsaparilla in case of Fits, of course, never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County:

Fordham, August 13, 1847.

DR. S. P. TOWNSEND—Dear Sir: I have a little girl, seven years of age, who has been several years afflicted with Fits; we tried almost every thing for her, but without success; at last, although we could find no recommendation in your circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are glad we did, for it not only restored her strength, but she has had no return of the Fits, to our very great pleasure and surprise. She is fast becoming rugged and healthy for which we feel grateful.

Yours respectfully, JOHN BUTLER, Jr.

Female Medicines.

DR. S. P. TOWNSEND'S Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable Medicine, have been blessed with fine, healthy offspring.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food; those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon child-birth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation, it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil or Magnesia is useful. Exercise in the open air, and light food with this medicine, will always secure a safe and easy confinement.

Rheumatism.

Blackwell's Island, Sept. 14, 1847.

DR. S. P. TOWNSEND—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good, I am so much better—indeed I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

Yours respectfully, JAMES CUMMINGS.

The Rev. John Seger

Of Jersey City, an old and highly respectable clergyman of the Baptist Denomination, handed in the following certificate at Dr. S. P. Townsend's office. It speaks for itself.

DR. S. P. TOWNSEND—Dear Sir: I am constrained to give you a statement of the benefit I derived from using your Sarsaparilla, believing, by so doing, I shall render a benefit to those who are suffering as I have been. I was reduced for many months by the Dyspepsia, so much that it was with much difficulty for me to walk or keep about. I had also a tetter, which covered the most part of my head—which was extremely troublesome and sore; it got to be almost a scab. I used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarsaparilla, which, through the kindness of Providence, has restored me to more than my usual health, as I am now enjoying better than I have for a number of years. I am now 60 years of age. I believe it to be an invaluable medicine, and recommend it to my numerous acquaintances, which is very large, as I have been a minister a great many years. I hope this hasty sketch may be as much benefit to you as your medicine has to me.

July 13, 1847. JOHN SEGER, Jersey City.

Methodist Clergyman.

The following was sent to our Agent in Rahway, by the Rev. J. O. TUNISON, of the Methodist Episcopel Church—one of the most learned and respected in the connection—and is another evidence of the wonderful effects of Dr. S. P. Townsend's Sarsaparilla on the system.

FRIEND PEARSON—Having for some time past, as you are aware, experienced great general debility of my system, attended with constant and alarming irritation of my throat and lungs, I was, at your instance, and in consequence of having read Captain McLean's decided testimony in its behalf, induced to try Dr.
