Here is proof conclusive that Dr. St. Townsend's Savaparulla is the original. The following is from some of the most respectable papers in this State.

FROM THE.

Athany Eventug Journal.

Dr. Townsend's Saraaparilla.

There probably never has been so popular a remedy or patent medicing, as Dr. Townsend's Saraaparilla, which was originally, and confaunce to be manufactured in this city, at first by the Doctor himself, and she wantly for several years and to the present time, by Clapp & Townsend, the present proprietors. Since the pattnership was formed, the Doctor has resided in New York, where he keeps a store, and attends to the bissness that occumulates at that point. The manufactory is in this city, and is conducted by the junior partner, Mr. Capp—hero all the medicine is manufactured.

Besides the saics in this country, it is shipped to the Canadas, West India Islands. South America, and oren to Europe, in considerable quantities. At the manufactory they employ a attent engine besides a large number of nien, women and girk, in the preparation of the besidence, making boxes, printing, &c., and turn out, ready for shipment, over 400 dozen per day, or nearly 1000 bottles. This is an enormous quantity. The great sale the medicine has acquired, has induced a number of men to get up initiations, and there is at the present time, other medicine has acquired, has are called "Dr. Tow mends Sairaparrilla," One in particular started a short time ago in New York, it called "Old Decion Jacob Townsends Saraparrilla," and apprently with a view, by dint of advertising, and the usual reinches resorted to in such efforts, to appropriate the name of Dr. S. P. Townsend's great lemedy, and thus gain all the advantages resulting from the popularity of the name which he has acquired for it, by years of patient and expensive labors. Dr. S. P. Town needs, formerly of this city, as is well known here, is the inventor and original proprietor of the medicine known as "Dr. Townsends' Saraparrilla," and we think those persons who are attempting to sell their stricle as the genume, should be exposed.

Old Jacob Townsend.

Some people who are not well informed, and have not resul the papers, and not seen our advantagement, have been led to suppose, that because these men advartise their stuff as "Old Jacob Townsends," that it must, of course, be the original. It is less than one year since they commenced to make their medicine. Ours has been in the market over ten years.

They are endeavoring to paim off on the public as an old Physician, &c. He is not a regular educated Physician, and never aftempted to manufacture a medicine, until these men hired him for the use of his name. They say they do not wish the people to believe that their's is the Old Dr. Townsend's, and the original; and endeavor to make the becopie believe that their's is the Old Dr. Townsend's, and the original; and endeavor to make the become believe that their's is the Old Dr. Townsend's, and the original; and endeavor to make the become believe that their's is the Old Dr. Townsend's, and the original; and endeavor to make the become believe that their's is the Old Dr. Townsend's, and the original; and endeavor to make the become believe that the stuff they manufacture, is the Dr. Townsend's, and the original; as he evidence of the part ten years, and which he gained a reputation which no other mericine a*.. enjoyed—which is a base, villationar, unprincipled falsehood.
