SPECIALLY TO MOTHERS .- The costiveness and the sickness of stomach which often prevail at a certain interesting period, are greatly relieved, and ultimately cured, the use of Brandreth's Pills, which should be used once or twice a week during the whole time. They insure an easy and sale time, and, what is the wish of every mother, they secure a healthy and good tempered child.

It is a remarkable fact, that those ladies who have been in the habit of using Brandreth's Pills, have ultimately become so healthy, and the habit of the system so changed, that no sickness of stomach or other unpleasant symptom, has prevailed more during the interesting period than at other times. Dr. Brandreth has it in his power to give personal reference to establish this proof of the wonderful powers of the Brandreth Pill.

- In cases of debility, weakness, wastings, decline or consumption approaching, it will be notessary to commence with small doses. Begin with one pillon going to bed : Ladies' Dress Silks, Cashmeres, Alpacas, next night two pills : do this alternately for three or four days, or longer; if no alteration takes place, then increase a pill each night until 5 or six pills are used, then decrease by one pill down to one pill,-Should any feverish symptoms arise: then take strong doses until the fever is abated. When this is done, the patient may drop down to such doses as their own judgment ahall determine ; being careful to keep the drain upon the juspure humors; as these are removed, so will be their advancement

to sound health. The Brandoth Pills are sold for 25 cents per bex at Dr. B. Brandreth'r Psincipal Office,241 broadway N. York, and by the following duly thorized Agents: John M. Stevenson, Gethistorize Agonts.—John St. Cettesburg; Abraham King, Hunterstown; A.M'Farland, Abraham King, Hunterstown; A.M'Farland, Aboutstown; D. M. C. White, Hampton; Sneeringer & Co.
