Farming Implements,

consisting of the renowned Seylor Plough, Woodcock's and Witherow's, D. Warren's Patent Windmill, Straw-cutters, &c.

BLACKSMITHING

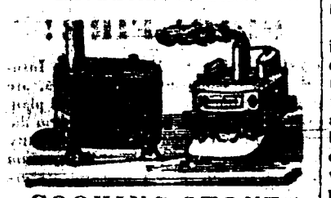
Important to Housekeepers!

THE IMPROVED DOUBLE OVEN LAUBACH'S PATENT



COOKING STOVE.

TWO SIZES are now constantly kept for sale in *Gettysburg*, at ANDREW POLLEY'S Tin Shop, and in *Littlestown* at JOSEPH BARKER'S Tavern. They are proven to be the best stoves now in use, for *cooking, baking, roasting*, and for *warming a house*, with less wood than any other stove, and are the heaviest in the casting, for the size, of any now made. They are warranted to bake well in both ovens. Any person wanting these stoves delivered, by leaving word at either of the above mentioned places, the proprietor will deliver them at a short notice, as he intends doing the peddling principally himself. He is confident that he can give people better satisfaction than hired peddlers. There are already upwards of SIX HUNDRED of the Laubach Stoves sold in York, Adams, and Carroll counties, within two years, but not so many of the late improvements. The *improvement* is in the middle flue, by which the lower oven is much easier heated, and the holes are larger on the tops, to put on larger pots. We deem it unnecessary to say more about them, but want people who are judges of cooking stoves to examine thoroughly, and we are confident that they will find that they have advantages over any other stove now in use, and according to the quality and weight, than any that are offered to the public. They are likewise kept for sale at the Proprietor's Foundry, near Dillsburg, York county, Pa.

MICAH ARNOLD.

SPECIALLY TO MOTHERS.—The costiveness and the sickness of stomach which often prevail at a certain interesting period, are greatly relieved, and ultimately cured, by the use of Brandreth's Pills, which should be used once or twice a week during the whole time. They insure an easy and safe time, and, what is the wish of every mother, they secure a healthy and good tempered child.

It is a remarkable fact, that those ladies who have been in the habit of using Brandreth's Pills, have ultimately become so healthy, and the habit of the system so changed, that no sickness of stomach or other unpleasant symptom, has prevailed more during the interesting period than at other times. Dr. Brandreth has it in his power to give personal reference to establish this proof of the wonderful powers of the Brandreth Pill.

In cases of debility, weakness, wastings, decline or consumption approaching, it will be necessary to commence with small doses. Begin with one pill on going to bed; next night two pills; do this alternately for three or four days, or longer; if no alteration takes place, then increase a pill each night until 5 or six pills are used, then decrease by one pill down to one pill.—Should any feverish symptoms arise, then take strong doses until the fever is abated. When this is done, the patient may drop down to such doses as their own judgment shall determine; being careful to keep the drain upon the impure humors; as these are removed, so will be their advancement to sound health.

☞The Brandreth Pills are sold for 25 cents per box at Dr. B. Brandreth's Principal Office, 241 Broadway N. York, and by the following duly authorized Agents:—John M. Stevenson, Gettysburg; Holtzinger & Ferree, Petersburg; Abraham King, Hunterstown; A. M'Farland, Abbottstown; D. M. C. White, Hampton; Sheerinyer & Co., Littlestown; Mary Duncan, Cashtown; Geo. W. & H. D. Heagy, Fairfield; D. J. M. Aulabaugh, East Berlin; David Newcomer, Mechanicsville; Sam'l Shirk, Hanover.

The Judge whose commission will first expire shall be Chief Justice during his term, and thereafter, each Judge whose commission shall first expire shall in turn be the Chief Justic, and if two or more commissions shall expire on the same day, the Judges holding them shall decide by lot which shall be the Chief Justice. Any vacancies, happening by death, resignation or otherwise, in any of the said Courts, shall be filled by appointment by the Governor, to continue till the first Monday of December succeeding the next general election. I do certify that the above and foregoing is a true and correct copy of the original resolution of the General Assembly, entitled "Resolution relative to an amendment of the Constitution," as the same remains on file in this office.

In testimony whereof, I have hereunto set my hand, and caused to be affixed the seal of the Secretary's Office, at Harrisburg, this 15th day of June, Anno Domini one thousand eight hundred and fifty.

Law & Penalties against Passing SMALL NOTES.

ANNEXED will be found the portion of the Act of Assembly of 1850 prohibiting the circulation of notes under $5:

SECT. 48.—That from and after the twenty-first day of August, one thousand eight hundred and fifty, it shall not be lawful for any person or persons, corporation or body corporate, directly or indirectly; to issue, pay out, pass, exchange, put in circulation, transfer, or cause to be issued, paid out, passed, exchanged, circulated or transferred, any bank note, note, bill, certificate, or any acknowledgment of indebtedness whatsoever, purporting to be a bank note, or of the nature, character or appearance of a bank note, or calculated for circulation as a bank note, issued, or purporting to be issued by any bank or incorporated company, or association of persons, not located in Pennsylvania, of a less denomination than five dollars; every violation of the provisions of this section by any corporation or body corporate, shall subject such corporation or body corporate to the payment of five hundred dollars; and any violation of the provisions of this section by any public officer holding any office or appointment of honor or profit under the constitution and laws of this State, shall subject such officer to the payment of one hundred dollars; and any violation of this section by any other person, not being a public officer, shall subject such person to the payment of twenty-five dollars, one-half of which, in each case above mentioned, shall go to the informer, and the other half to the county in which the suit is brought, and may be sued for and recovered as debts of like amount are now by law recoverable in any action of debt, in the name of the Commonwealth of Pennsylvania, as well for the use of the proper county, as for the person suing.

The undersigned, in directing the attention of the reader to the foregoing section of the Act of 1850, would inform him that he will receive the notes thus prohibited, at PAR VALUE, in exchange for goods, at his *cheap* and *one-price*

Clothing & Variety Store,

in Gettysburg, nearly opposite the Bank. Persons wishing to get rid of these notes without sacrifice, and who at the same time desire to secure BARGAINS in the way of Ready-made Clothing or any other article in his line, will do well to give him a call. His stock of SUMMER CLOTHING is full and complete, embracing something to please all fancies, from fine and superfine goods down to the cheapest and most serviceable wear.

It is useless to enumerate the articles or to say more. My friends and customers know my mode of dealing. I have but the *one price* and charge one man no more than the other, for the same article. I therefore feel confident that those who are in the habit of making their purchases with me know that they can buy *cheaper* from me than at any other establishment.

☞The subscriber has on hand a good Rockaway Buggy; also a second-hand Do., without top, which he will dispose of at prices so low as to astonish the purchaser. Also, a lot of GRASS.

A CARD.

M. WISE & SON, finding it impossible to attend personally to the great number of daily applications, from all sections of the Union, for their remedy for baldness, and for their celebrated HAIR TONIC, have found it necessary to appoint a *General Travelling Agent*, to visit different cities and towns throughout the United States, vesting him with authority to appoint sub-agents, use and vend the Hair Tonic, and to apply the RESTORATIVE, and to put them into the hands of those he may appoint to operate wherever a sufficient number of patients in any town or neighborhood shall be obtained.

Capt. GEORGE CALVERT, of Fauquier county, Va., is alone authorized to act as General Travelling Agent, with the powers above indicated.

Capt. C. may be expected to visit, as speedily as possible, the principal cities and towns of the Union.

N. B. Capt. Calvert will always have on hand a full supply of the HAIR TONIC (which cleanses the head of dandruff, strengthens and invigorates the hair, and prevents it also from falling off,) for the region of country most contiguous to his operations; or it may always be obtained, at wholesale, and forwarded to any part of the Union, by addressing the proprietors M. WISE & SON, Richmond, Va.

For the Removal and Permanent Cure of all

NERVOUS DISEASES,

And of those complaints which are caused by an impaired, weakened or unhealthy condition of the

NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the *most valuable medicinal discovery of the age.*

DR. CHRISTIE'S GALVANIC BELT AND MAGNETIC FLUID,

is used with the most perfect and certain success in cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, pains in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System,

or in NERVOUS COMPLAINTS, Galvanism and Medicine *invades the System*, for the vital energies of the already prostrated system; while under the strengthening, life-giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives,

consists, in the fact that they arrest and cure disease by *outward application*, in place of the usual method of purging and physicking the patient, till exhausted Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among whom were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, afford *temporary* relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CURE OF

Rheumatism, Bronchitis and Dyspepsia.

REV. DR. LANDIS, A CLERGYMAN

of New Jersey, of distinguished attainments and exalted reputation:—

SUSSEX, New Jersey, July 12, 1849.

DR. A. H. CHRISTIE—Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about *twenty years* I had been *suffering* from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About *fourteen years* since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year caused me indescribable anguish. Further: in the winter of '48 and '49, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors
