"100 AGENTS WANTED, Properties in the Southern, Middle or Wortheim States. Steady employment Will be given for a number of years to respectable young men of busness habits and possessed of a good common edvention and gentlemanly address. Such young men would find it greatly to their ndvantage, as it will afford an opportunity to see a large portion of the country, and at the same time earn, besides all expenses, from \$800 to \$500 a year. Some agents have carried double that amount. Much depends upon ability to act, perseverance and economy, it being a pleasant business. Those who desire further information can obtain the same by addressing, post paid,
