FR ENDS AND FELLOW-CITI-ZENS:-

THE Ame is again approaching when the inds of the North, and the pipilers storms of Winter will sweep in all their lury over the land-when the human body will require projection from the chilling atmos phere and the angry clements of "Old Bo-reas." , You will therefore please bear

in mind that it will be greatly to your adpencellebetter than a slow shilling."

The one-price system will be strictly adhered to. My goods are marked at the lower living profits, and the asking price is the price at which goods will be sold, and from which no abatement will in any instance be made, which is the only guarantes that can be given to protect the publie from imposition-believing it to be a much better system than that of the grab game, of asking enormous high prices and colling for just what you can get. My stock of clothing consists of Cloaks, Overcoats, Frock-coats, Dress-coats, Sack-coats, of every description; Pantaloons, of Cloth, Cassimers, Dassinet, Velvet, Cord, and Doeskin; Vests, of Satin, Cloth, Cassinet ; Woolen Shirts and Drawers ; Canton Flannel do. ; Cravats, Handkerchiefs, Collars, Basoms, Suspenders-in short, overs' afficie that belongs to the Gentlemen's Furnishing Room.

My friends and the public generally tre most respectfully invited to call and examine my assortment of clothing before maclothing at Samson's. Thankfur for past favors, the subscriber would return his NEW & FASHIONABLE most profound thanks to the citizens of Gettysburg and vicinity, and hopes, by strict atlention to business, to merit a coutinuance of public favor.
