IMPORTANT!

FRIENDS AND FELLOW-CITIZENS:—

THE time is again approaching when the winds of the North, and the pitiless storms of Winter will sweep in all their fury over the land—when the human body will require protection from the chilling atmosphere and the angry elements of "Old Boreas." You will therefore please bear in mind that it will be greatly to your advantage to call at SAMSON'S Cash One-price *Clothing and Variety Store*, (immediately opposite the Bank) where you will find one of the largest, cheapest, and most fashionable selected stock of READY MADE CLOTHING ever offered in the "Buckwheat County," and at such prices as cannot fail to please. The subscriber believing in the old motto, that a nimble sixpence is better than a slow shilling.

The one-price system will be strictly adhered to. My goods are marked at the lowest living profits, and the asking price is the price at which goods will be sold, and from which no abatement will in any instance be made, which is the only guarantee that can be given to protect the public from imposition—believing it to be a much better system than that of the *grab game*, of asking enormous high prices and selling for just what you can get. My stock of clothing consists of Cloaks, Overcoats, Frock coats, Dress-coats, Sack coats, of every description; Pantaloons, of Cloth, Cassimere, Cassinet, Velvet, Cord, and Doeskin; Vests, of Satin, Cloth, Cassinet; Woolen Shirts and Drawers; Canton Flannel do.; Cravats, Handkerchiefs, Collars, Bosoms, Suspenders—in short, every article that belongs to the Gentleman's Furnishing Room.

My friends and the public generally are most respectfully invited to call and examine my assortment of clothing before making their purchases, and they will be convinced that it is the interest of every man who studies economy, to purchase his clothing at Samson's. Thankful for past favors, the subscriber would return his most profound thanks to the citizens of Gettysburg and vicinity, and hopes, by strict attention to business, to merit a continuance of public favor.

GREAT IMPROVEMENT IN *Daguerreotyping.*

VAN LOAN & CO.,

No. 118, Chestnut Street, Philadelphia,

HAVE, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty—as well in stormy as clear weather—which are justly pronounced by artists and scientific men, UNRIVALLED, for depth of tone and softness of light and shade. By working themselves they not only produce pictures which are *good and cheap*, but by far the best and cheapest which can be produced at any other establishment.—Their charge for pictures in handsome improved cases, ranges from

ONE DOLLAR

to three dollars, depending on the size of the picture, being scarcely *one-half* the price charged at other establishments, for pictures of equal size, but of inferior quality. The Gallery of Portraits, consisting of some hundreds, embraces a collection of distinguished Americans, worthy the attention of visitors to their rooms, which are

Open at all times.

The collection which they had deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were loud in their praises of the artists' skill.

To guard against every possibility of mistake, they guarantee every picture to be of the best materials, and unless it is entirely satisfactory to the customer *no charge will be made!* When visiting the city call at their rooms, whether you wish a daguerreotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, *116 Chestnut street, a few doors below Fourth.*

COOKING STOVE.

TWO SIZES are now constantly kept for sale in *Gettysburg*, at ANDREW POLLEY'S Tin Shop, and in *Littlestown* at JOSEPH BARKER'S Tavern. They are proven to be the best stoves now in use, for *cooking, baking, roasting*, and for *warming a house*, with less wood than any other stove, and are the heaviest in the casting, for the size, of any now made. They are warranted to bake well in both ovens. Any person wanting these stoves delivered, by leaving word at either of the above mentioned places, the proprietor will deliver them at a short notice, as he intends doing the peddling principally himself. He is confident that he can give people better satisfaction than hired pedlars. There are already upwards of SIX HUNDRED of the Laubach Stoves sold in York, Adams, and Carroll counties, within two years, but not so many of the late improvements. The *improvement* is in the middle flue, by which the lower oven is much easier heated, and the holes are larger on the tops, to put on larger pots. We deem it unnecessary to say more about them, but want people who are judges of cooking stoves to examine thoroughly, and we are confident that they will find that they have advantages over any other stove now in use, and according to the quality and weight, than any that are offered to the public. They are likewise kept for sale at the Proprietor's Foundry, near Dillsburg, York county, Pa.

J. M. S., *for the accommodation of Merchants and others* in Dauphin, Cumberland, Franklin, and neighboring counties, has opened an extensive Wholesale Establishment for the sale of Groceries and Liquors, as above. With the co-operation of a large importing house in Baltimore, he will offer goods here at the same prices at which they can be purchased in the city. He respectfully solicits the favor of a call from those wishing to purchase to satisfy them of his entire ability to sell as he promises. The attention of landlords is invited to a lot of choice liquors in store, and for sale at importers' prices.

☞Orders from a distance promptly filled, and goods despatched at city prices.
