THE UNITED STATES
LIFE INSURANCE
*ANNUITY & TRUST COMPANY.*
Charter Perpetual
CAPITAL $250,000—CASH SYSTEM

THE constant, unsolicited applications for Life Insurance, furnish the most abundant and gratifying proof, that the public mind is deeply impressed with the vast importance of this subject. The great object, however, of Insurance, should be SAFETY; otherwise the whole motive to insure may be disappointed. Too much care cannot be practised in the selection of an office, with which to effect the contract. The choice should be regulated, not by present and constant large inducements, as this is certainly incompatible with future BENEFITS The premiums on life are calculated for the FUTURE. If present and prospective benefits, therefore, are given, the result, *ultimately*, must terminate in *litigation, disappointment* and *ruin*. The object aimed at by this institution is *stability* and *perpetuity*. The rates of premium have been carefully prepared with reference to fluctuations.—The cash system of payments has also been adopted. Unpaid premium notes constitute no part of the assets of this Company, and every contingency being fortified with an ample capital, SECURITY stamps the whole system. *This feature*, paramount to all other considerations, commends the company to public favor.

Explanatory pamphlets, blanks, application papers, information, and every facility, will be cheerfully furnished by D. McCONAUGHY, Esq., who has been duly appointed agent of this company.

*While Life Remains we have still some Hope.*——Dr. Wistar's Balsam of Wild Cherry—No quackery—No deception.—In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are laboring under affliction, nor do we wish to eulogize it more than it justly deserves. Yet when we look around and see the vast amount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly beneficial, we feel that we cannot urge its claims too strongly, or say too much in its favor. Various remedies, it is true, have been offered and puffed into notice for the cure of diseases of the lungs, and some have been found no doubt very useful, but of all that have yet been discovered, it is admitted by physicians, and all who have witnessed its effects, that none have proved as successful as this. For asthma, shortness of breath, and similar affections, it may be pronounced a positive cure. It has proved asthma in many cases of ten and twenty years standing, after physicians had declared the case beyond the reach of medicine.

GEO. E. BUEHLER

RESPECTFULLY announces to his friends and the public that he continues to manufacture and has now on hand

*A LARGE STOCK OF*

TIN WARE,

at his Establishment in Chambersburg street, nearly opposite the Post Office—where he will be pleased to fill orders promptly and upon the most reasonable terms.

IMPORTANT!

*READ AND FELLOW-CITIZENS:—*

THE time is again approaching when the winds of the North, and the pitiless storms of Winter will sweep in all their fury over the land—when the human body will require protection from the chilling atmosphere and the angry elements of "Old Boreas." You will therefore please bear in mind that it will be greatly to your advantage to call at SAMSON'S Cash One-price *Clothing and Variety Store*, (immediately opposite the Bank) where you will find one of the largest, cheapest, and most fashionable selected stock of READY MADE CLOTHING ever offered in the "Buckwheat County," and at such prices as cannot fail to please,—the subscriber believing in the old motto, that a "nimble sixpence is better than a slow shilling."

The one-price system will be strictly adhered to. My goods are marked at the lowest living profits, and the asking price is the price at which goods will be sold, and from which no abatement will in any instance be made, which is the only guarantee that can be given to protect the public from imposition—believing it to be a much better system than that of the *grab game*, of asking enormous high prices and selling for just what you can get. My stock of clothing consists of Cloaks, Overcoats, Frock-coats, Dress-coats, Sack-coats, of every description; Pantaloons, of Cloth, Cassimere, Cassinet, Velvet, Cord, and Doeskin; Vests, of Satin, Cloth, Cassinet; Woolen Shirts and Drawers; Canton Flannel do.; Cravats, Handkerchiefs, Collars, Bosoms, Suspenders—in short, every article that belongs to the Gentlemen's Furnishing Room.

My friends and the public generally are most respectfully invited to call and examine my assortment of clothing before making their purchases, and they will be convinced that it is the interest of every man who studies economy, to purchase his clothing at Samson's. Thankful for past favors, the subscriber would return his most profound thanks to the citizens of Gettysburg and vicinity, and hopes, by strict attention to business, to merit a continuance of public favor.

GREAT IMPROVEMENT IN

*Daguerreotyping.*

VAN LOAN & CO.,

No. 118, Chestnut Street, Philadelphia,

HAVE, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty—as well in stormy as clear weather—which are justly pronounced by artists and scientific men, UNRIVALLED, for depth of tone and softness of light and shade. By working themselves they not only produce pictures which are *good and cheap*, but by far the best and cheapest which can be produced at any other establishment.—Their charge for pictures in handsome improved cases, ranges from

ONE DOLLAR

to three dollars, depending on the size of the picture, being scarcely *one-half* the price charged at other establishments, for pictures of equal size, but of inferior quality. The Gallery of Portraits, consisting of some hundreds, embraces a collection of distinguished Americans, worthy the attention of visitors to their rooms, which are

*Open at all times.*

The collection which they had deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were loud in their praises of the artists' skill.

To guard against every possibility of mistake, they guarantee every picture to be of the best materials, and unless it is entirely satisfactory to the customer *no charge will be made!* When visiting the city call at their rooms, whether you wish a daguerreotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, 118 *Chesnut street, a few doors below Fourth.*

Important to Housekeepers!

*THE IMPROVED DOUBLE OVEN LAUBACH'S PATENT*

COOKING STOVE.

TWO SIZES are now constantly kept for sale in *Gettysburg*, at ANDREW POLLEY'S Tin Shop, and in *Littlestown* at JOSEPH BARKER'S Tavern. They are proven to be the best stoves now in use, for *cooking, baking, roasting*, and for *warming a house*, with less wood than any other stove, and are the heaviest in the casting, for the size, of any now made. They are warranted to bake well in both ovens. Any person wanting these stoves delivered, by leaving word at either of the above mentioned places, the proprietor will deliver them at a short notice, as he intends doing the peddling principally himself. He is confident that he can give people better satisfaction than hired peddlars. There are already upwards of SIX HUNDRED of the Laubach Stoves sold in York, Adams, and Carroll counties, within two years, but not so many of the late improvements. The *improvement* is in the middle flue, by which the lower oven is much easier heated, and the holes are larger on the tops, to put on larger pots. We deem it unnecessary to say more about them, but want people who are judges of cooking stoves to examine thoroughly, and we are confident that they will find that they have advantages over any other stove now in use, and according to the quality and weight, than any that are offered to the public. They are likewise kept for sale at the Proprietor's Foundry, near Dillsburg, York county, Pa.

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, FOPLITE, NEURALGIC PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicine increase the distance, for they weaken the vital energies of the already prostrated system, while the Galvanic Belt gives a healthful, life-giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and withered sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives,

consists, in the fact that they arrest and cure disease by *outward application*, in place of the usual mode of drugging and physicking the patient, till exhausted Nature sinks hopelessly under the infliction.

They *strengthen the whole system, equalize the circulation of the blood, prevent the accretions, and never do the slightest injury under any circumstances.* Since their introduction in the United States, only three years since, more than

60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, afford *temporary* relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worse symptoms of an attack, and supply the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CURE OF

Rheumatism, Bronchitis and Dyspepsia.

REV. DR. LANDIS, A CLERGYMAN

of New Jersey, of distinguished attainments and exalted reputation:—

SIDNEY, New Jersey, July 12, 1849.

DR. A. H. CHRISTIE—Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about *twenty years* I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About *fourteen* years since, in consequence of frequent exposure in the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year, caused me indescribable anguish. Further: in the winter of '43 and '44, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. *My nervous system was now thoroughly prostrated*, and as my Bronchitis became worse, so also did my Dyspepsia and Rheumatic affection—thus evincing that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmacopeia there seemed to be no remedial agent which could reach and recuperate my Nervous System; everything that I had tried for this purpose had completely failed. At last I was led by my friends to examine your inventions, and (though with very faint hopes of their efficiency,) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1849. To MY GREAT ASTONISHMENT, IN TWO DAYS MY DYSPEPSIA HAD GONE; IN EIGHT DAYS I WAS ENABLED TO RESUME MY PASTORAL LABORS; FOR WHICH I SINCE ENJOYED A SINGLE SERVICE ON ACCOUNT OF THE BRONCHITIS; AND MY RHEUMATIC AFFECTION HAS ENTIRELY CEASED TO TROUBLE ME. Such is the wonderful and happy results of the experiment.

I have recommended the BELT and FLUID to many who have been likewise suffering from Neuralgic affections. They have tried them, WITH HAPPY RESULTS, I BELIEVE, IN EVERY CASE.

I am, dear sir, very respectfully yours,
ROBERT W. LANDIS.

DR. CHRISTIE'S
GALVANIC NECKLACE

Is used for all complaints affecting the Throat or Head, such as Bronchitis, Inflammation of the Throat, Nervous and Sick Headache, Dizziness of the Head, Neuralgia in the Face, Hawking or Roaring in the Ears, Deafness, which is generally Nervous, and that distressing complaint, called Tic Doloreux.

Palsy and Paralysis.

All physicians acknowledge that these terrible diseases are caused by a *deficiency of Nervous Energy* in the affected limbs. Dr. Christie's Galvanic Articles will supply this deficient power, and a complete and entire cure is thus effected.

DR. CHRISTIE'S
GALVANIC BRACELETS

Are found of vast service in cases of Convulsions or Fits, Spasmodic Complaints, and general Nervous Affections of the Head and upper extremities. Also in Palsy and Paralysis, and all diseases caused by a deficiency of power or Nervous Energy in the limbs or other organs of the body.

Tic Doloreux and Neuralgia.

These dreadful and agonizing complaints are *immediately relieved* by the application of the GALVANIC BELT, NECKLACE and FLUID. The Belt diffuses the Electricity through the system; the Necklace has a local effect, and the Fluid acts directly upon the affected nerves. In these distressing affections the application NEVER FAILS.

☞ Many hundred Certificates from all parts of the country of the most extraordinary character can be given, if required.

☞ No trouble or inconvenience attends the use of DR. CHRISTIE'S GALVANIC ARTICLES, and they may be worn by the most feeble and delicate, with perfect ease and safety. In many cases the attendance attending their use is highly pleasant and agreeable. They can be sent to any part of the country.
