> Daguerreolyping. VAN LOAN & CO.,

No. 118, Chestnut Street, Philadelphia, AVE, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty-as well in stormy as clear weather-which are justly pronounced by artists and scientific men, UNRIVALUED, for depth of tone and softness of light and shade. By working themselves they not only produce pictures which are good and cheapy but by far the best and cheapest which can be produced at any other establishment.— Their charge for pictures in handsome im-

proved cases, ranges from ONE DOLLAR to three dollars, depending on the size of the picture, being scarcely one half the price charged at other establishments, for pictures of equal size, but of inferior qualty. The Gallery of Portraits, consisting of some hundreds, embraces a collection of distinguished Americans, worthy the attention of visiters to their rooms, which

Open at all times. The collection which they had deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were loud in their praises of the artists' skill.

To guard against every, possibility of mistake, they guarantee every picture to be of the best materials, and unless it is entirely satisfactory to the contomer no charge will be made! When visiting the CHANGEABLE BILKS, TURK SATINS city call at their fooms, whether you wish FRENCH MERINGES, CAME. is free, and you will be pleased with your visit.
