"DEATH'S DOOR" How frequently we hear this expression, which is meant to convey to the mind the last stage of sickness that a patient can be reduced to and live. Mrs. Harrison, a member of the Trinity church, was, as she expressed herself, brought down to "death's door" by Rheumatism and Neuralgia. It soothed, healed, cleansed and purified; it instantly allays irritation, reduces inflammation, and swells, gives ease to Burns, Scalds, Sores, Eruptions, Rheumatism, Lumbago, Tooth Pain, neuralgia, sprains, Strains, spasms, stiff neck, weakness in the side and back, sores of all kinds, brues, chafes, sore throat, influenza, hoarseness, cough, colds, &c.

TOOTHACHE CURED IN ONE SECOND. This torturing affection can be cured in an instant, for the moment the Relief touches the nerve, the pain is mitigated. So with the Dolereux and Homerician, Neuralgia and Sick Headache, soothe the parts where the pain is most severe, and in a few minutes you will be entirely relieved. Taken internally it will arrest the most violent spasms and cramps, stop vomiting or too much purging, and in all cases give strength for weakness, ease for pain, health for sickness. No Ready Relief is genuine unless it is signified by Rawson & Co., 192 Fulton st.

Elegant Toilet Requisites. To embellish and enhance the charms of beauty. **Rawson's Medicated Soap.** Favorably known throughout the fashionable world for its extremely bland, purifying and cooling qualities. It cleanses the skin, opens the pores and minute secretory vessels; it dispels all the impurities from the surface, always every tendency to inflammation, and effectually dissipates all redness, tan, pimples, spots, freckles, discolorations and other cutaneous eruptions. Gentlemen, after shaving, will find it allays all irritation and tenderness of the skin, and renders it soft, smooth and pleasant. It is free from poisonous, irritating and pernicious ingredients, and can be used on the tender skin of the infant with the same happy results as upon beauty in his prime. Each cake is enveloped in a splendid label of steel engraving, with the signature of H. G. Rawson on each cake. Price 25 cents, large cake, 50 cents.

The crowning ornament of Beauty is luxuriant hair. **Rawson's Circassian Balm.** Warranted the best Hair Tonic now in use for dressing and beautifying the hair. It cleanses the scalp from Dandruff, keeps it clean, curly, curly, baldness and sores on the head, stops hair from falling out, renders it strong, fine, smooth and glossy. Persons who have lost their hair by sickness will find a complete and permanent cure in this Balm. It also gives it a dark and beautiful color and prevents it from turning gray. It is sold in large bottles for 25 cents per bottle, and in small bottles for 10 cents each. Use it until you find the best hair preparation in use. It will cure the hair of the most delicate fabric. None genuine without the signature of Rawson & Co.

Important to Housekeepers! THE IMPROVED DOUBLE OVEN LAUNCH'S PATENT

COOKING STOVE.

TWO SIZES are now constantly kept for sale in Gettysburg, at ANDREW POLLEY'S Tin Shop, and in Littlestown at JOSEPH BARKER'S Tavern. They are proven to be the best stoves now in use, for cooking, baking, roasting, and for warming a house, with less wood than any other stove, and are the heaviest in the casting, for the size of any now made.

Any person wanting these stoves delivered, by leaving word at either of the above mentioned places, the proprietor will deliver them at a short notice, as he intends doing the peddling principally himself. He is confident that he can give people better satisfaction than hired peddlers. There are already upwards of SIX HUNDRED of the Launch Stoves sold in York, Adams, and Carroll counties, within two years, but not so many of the late improvements. The improvement is in the middle flue, by which the lower oven is much easier heated, and the holes are larger on the tops, to put on larger pots. We deem it unnecessary to say more about them, but want people who are judges of cooking stoves to examine thoroughly, and we are confident that they will find that they have advantages over any other stove now in use, and according to the quality and weight, than any that are offered to the public. They are likewise kept for sale at the Proprietor's Foundry, near Littlestown, York county, Pa.
