

FIRE! FIRE!

THE Delaware Mutual Safety Insurance Company, Philadelphia, are now doing business on the mutual plan, giving the insured a participation in the profits of the Company, without liability beyond the premium paid. No premiums are taken on which assessments are made.

THE UNITED STATES LIFE INSURANCE ANNUITY & TRUST COMPANY. Charter Perpetual. CAPITAL \$200,000—CASH SYSTEM.

THE constant, unaltered applications for Life Insurance, furnish the most abundant and gratifying proof, that the public mind is deeply impressed with the vast importance of this subject. The great object, however, of insurance, should be safety; otherwise the whole motive to insure cannot be practiced in the selection of an office, with which to effect the contract. The choice should be regulated, not by present and constant large inducements, as this is certainly incompatible with future benefits. The premiums on life are calculated for the future. If present and prospective benefits, therefore, are given, the result, ultimately, must terminate in litigation, disappointment and ruin. The object aimed at in this institution is stability and perpetuity. The rates of premium have been carefully prepared with reference to fluctuations. The cash system has also been adopted. Unpaid premium notes constitute no part of the assets of this Company, and every contingency being fortified with an ample capital, security stands the whole system. This feature, paramount to all other considerations, commands the company a public favor.

Explains pamphlets, blanks, application papers, information, and every facility will be cheerfully furnished by **D. MC CONAUGHY, Esq.**, who has been appointed agent of the company.

KEYSTONE MUTUAL LIFE INSURANCE COMPANY OF PHILADELPHIA, PA. CHARTER PERPETUAL. Guarantee Capital, \$75,000.

THIS company respectfully calls the attention of the public to the following advantages which they are enabled to offer to persons desirous of insuring their lives: All the profits of the Company are divided annually among the life members in scrip dividends, bearing interest, payable in cash at the end of each year. Premiums on all policies may be paid annually, semi-annually or quarterly; or when they amount to \$50 and upwards they may be paid one-half in cash and the balance by note at 12 months. Wives may insure the lives of their husbands, or husbands may insure their wives in favor of their wives and children, thus securing to their families a sum which creditors cannot reach in the event of the death and insolvency of the husband.

LOCUST GROVE STEAM MILL. Two Miles Southwest of Littleton, in Germantownship, Adams County.

APPEAL.—Notice is hereby given to all persons interested in the above return of classification, that I will hold an appeal at the Commissioners' Office Gettysburg, on the 13th day of May, when and where all persons that may consider themselves aggrieved by said classification may attend.

Grand Jury Report. To the Honorable the Judges of the Court of Quarter Sessions of Adams County. The Grand Inquest, inquiring in and for the County of Adams at April Sessions, 1851, respectfully present to your honors that the Public Houses licensed by your Honors as Inns and Taverns in your said County, are as a general matter kept open on the Sabbath Day, and in many of them drinking is permitted, and liquors are given out on that day, contrary to the laws of the State.

ACT ADOPTED IN 1765. II. Sec. v. All persons who are found drinking and tipping in ale-houses, taverns, or other public houses or places, on the first day of the week, commonly called Sunday, or any part thereof, shall, for every offence, forfeit and pay one shilling and sixpence to any constable that shall demand the same, in the use of the poor; and all constables are hereby empowered and, by virtue of their office, required to search public houses and places suspected to entertain such tipplers, and when found, quietly to disperse; but in case of refusal, to bring the persons so refusing before the next justice of the peace, who may commit such offenders to the stocks, or bind them to their good behavior, as to him shall seem requisite. And the keepers of such ale-houses, taverns, or other public houses or places, as shall entertain or tolerate any such practices, being convicted thereof by the view of a single magistrate, his own confession, or the proof of one or more credible witnesses, shall, for every offence, forfeit and pay ten shillings, to be recovered as for the non-payment of a debt.

NOTICE. Notice is hereby given to the Stockholders in the "GETTYSBURG WATER COMPANY," that an election for five Managers of said Company will be held at the public house of George W. McCellan, in Gettysburg, on Tuesday the 18th of May inst., between the hours of 1 and 6 o'clock, p. m.

Important to Housekeepers! THE IMPROVED DOUBLE OVEN LAUBACH'S PATENT

COOKING STOVE. TWO SIZES are now constantly kept for sale in Gettysburg, at ANDREW POLLEY'S Tin Shop, and in Littleton at JOSEPH BARKER'S Tavern. They are proven to be the best stoves now in use, for cooking, baking, roasting, and for warming a house, with less wood than any other stove, and are the heaviest in the casting, for the size of any now made.

They are warranted to bake well in both ovens. Any person wanting these stoves delivered, by leaving word at either of the above mentioned places, the proprietor will deliver them at a short notice, as he intends doing the peddling principally himself. He is confident that he can give people better satisfaction than hired peddlers. There are already upwards of SIX HUNDRED of the Laubach Stoves sold in York, Adams, and Carroll counties, within two years, but not so many of the late improvements. The improvement is in the middle flue, by which the lower oven is much easier heated, and the holes are larger on the top, to put on larger pots. We deem it unnecessary to say more about them, but want people who are judges of cooking stoves to examine thoroughly, and we are confident that they will find that they have advantages over any other stove now in use, and according to the quality and weight, than any that are offered to the public. They are likewise kept for sale at the Proprietor's Foundry, near Littleton, York county, Pa.

MICAH ARNOLD. Proprietor of the Right for York, Adams, Carroll, and Hamilton Counties, in the State of Maryland, of the exclusive privilege of making and selling Patent Stoves, &c. in the State of Maryland, on the 23d day of August, 1850.

NOTICE. LETTERS Testamentary on the estate of ROBERT THOMPSON, late of Cumberland co., Adams co. dec'd., having been granted to the subscriber, residing in Cumberland to w'm'p, notice is hereby given to such as are indebted to said estate to make payment without delay, and those having claims are requested to present the same, properly authenticated, for settlement.
