CAPITAL \$250,000—CASH SYSTEM.

THIS constant, unsolicited applications
for Life Insurance, furnish the most
abundant and gratifying proof, that the
public mind is deeply impressed with the
vast importance of this subject. The great
object, however, of insurance, should be
safety; otherwise the whole motive to in-
sure may be disappointed. Too much
care cannot be practiced in the selection of
an office, with which to effect the contract.
The choice should be regulated, not by
present and constant large inducements, as
this is certainly incompatible with future
benefits. The premiums on life are cal-
culated for the future; if present and
prospective benefits, therefore, are given, the
result ultimately must terminate in lit-
igation, disappointment and ruin. The ob-
ject aimed at in this institution is stability
and perpetuity. The rates of premium
have been carefully prepared with refer-
ence to fluctuations. The cash system
has also been adopted. Unpaid premiums
notes constitute no part of the assets of
this Company, and every contingency be-
ing satisfied with an ample capital, secu-
rity stamps the whole system. This fea-
ture, paramount to all other considerations,
commends the company to public favor.

Explanatory pamphlets, blanks, applica-
tion papers, information, and every facility,
will be cheerfully furnished by D.
MCNAUGHEY, Esq., who has been
appointed agent of the company.

RADWAY'S READY RELIEF for pain, is
truly a blessing to suffering humanity. It
is applied at sensitive properties, or
they can be used as a poultice, and
the weak limb an instrument in the hands of
Providence, for by its healing and strengthening
qualities they become strong. The Bed-Ridden
welcome it as a blessing from high heaven, for
it relieves them of their pain and misery, cures
their diseases whether it be Rheumatism, Lum-
bago, Gout, Paralysis, Strains, Burns, Scalds,
Sores, Sprains, and affections of the Spine, or
selected Tendons; for by its use they are en-
abled to move and enjoy the pleasures and blessings of health.

The Sufferer of Neuralgia and Tic Dolorosa,
comes it as the only remedy in relieving them
of the cruel pains, shooting like electric shocks
through the face, head, and system, paralyzing
in an instant their energies and brightest hopes,
for the Ready Relief is a powerful antidote for
all Nervous and Rheumatic Affections, as
well as for all disease when all other remedies
have failed to give relief. The sufferer of
Toothache, rejoices when he uses the Ready
Relief, for it will cure the most torturing Tooth-
ache in a few seconds.

So quick, powerful, and effectual is Radway's
Ready Relief in all cases where pain is caused by
external injuries and internal derangement, that
it has relieved the most severe pains of Chronic
Rheumatism during one application of the Re-
lief.

THE SUPERIOR STRENGTH.

RADWAY'S READY RELIEF is also the
most economical medicine in its use, can be used
with the most happy results, both internally and
externally. Cramps in the Spine, Colic, or
Cholera Morbus, are relieved in ten minutes, and
entirely free fifteen or twenty. And if you
wish to make anointment of it, for the cure of
Sore Lips, Chapped Flesh, aicular Eruption,
take a spoonful of the Relie, and a table-
spoonful of Sweet Oil, or 1 oz. of Lard, and
apply it to the affected or blemish than any other
article in the world.

In fact, this medicine, when reduced two or
three times strength by adding as much spirit
of wine, will give you better Liniment than any
now in use.

See that each bottle bears the fac-simile sig-
nature of Radway & Co., some other is genuine
—price \$2 cents, large bottles.

**The Crowning Ornament of Beauty is a
Beautiful Head of Luxurious Hair.**

RADWAY'S CIRCASSIAN BALM.

The lady or gentleman who desires a beautiful
article of hair, is advised to make use of Radway's Circassian Balm, which
is made from the finest and most
substantial over all other hair tonics and
preparations. First, it cleanses the scalp from
dandruff, gives flesh and vigor to the roots and
bulbs, invigorates to health the action of the germ of
life, which gives to the hair a healthy root, and
forces the hair to grow; it cures baldness, stops
the hair from falling out, makes it fine, strong,
soft and glossy, keeps it from turning gray, or
becoming discolored.

It is truly a luxury to dress
hair with this preparation.

BLACK SPOTS ON THE SKIN.

During the summer season we frequently
meet with persons who are sorely annoyed with
black spots, about the size of a pin's head, just
under the lining of the surface—the spots are
altogether annoying and repulsive in appearance;
they are nothing more nor less than dust, the skin
being 'worn' and the individual perishing freely,
the dust clogging up some of the sebaceous glands,
their oily excretions are not given off, and con-
sequently pustules and black discharge is the result; this
can be easily removed by washing the com-
plexion, and often infusing the skin with
Radway's Soap is freely used, absorption with
water, and the spots speedily disappear.

Also, if Radway's Soap was made use of as a
Toilet Soap through the day, these spots and
other annoying excrescences, would not trouble
you.

The extraordinary effects of Radway's Soap
in removing Tan, Sun Burns, Pimpls, Blotches,
and the like, are well known, and the
Blisters and Ulcers of the Skin are also easily
cured; besides, it is certain of removing dark
discolored and repulsive visage, to a clean and
beautiful complexion. In all cases ask for Rad-
way's Soap and take gone.

Now—Radway's Medicated Soap in steel en-
gravings are 25 cents, all others are counterfeited.

Look for the steel engraving.
