THE UNITED STATES LIFE INSURANCE ANNUITY & TRUST COMPANY.
Charter Perpetual.
CAPITAL \$250,000—CASH SYSTEM.

THE constant, unsolicited applications for Life Insurance, furnish the most abundant and gratifying proof, that the public mind is deeply impressed with the importance of this subject. The great object, however, of insurance, should be safety; otherwise the whole motive to insure may be disappointed. Too much care cannot be practiced in the selection of an office, with which to effect the contract. The choice should be regulated, not by present and constant large inducements, as this is certainly incompatible with future benefits. The premiums on life are calculated for the future. If present and prospective benefits, therefore, are given, the result, ultimately, must terminate in litigation, disappointment and ruin. The object aimed at in this institution is stability and perpetuity. The rates of premium have been carefully prepared with reference to fluctuations. The cash system has also been adopted. Unpaid premium notes constitute no part of the assets of this Company, and every contingency being fortified with an ample capital, security stamps the whole system. This feature, paramount to all other considerations, commends the company to public favor.

Explanatory pamphlets, blanks, application papers, information, and every facility will be cheerfully furnished by **D. MC'CONAUGHY, Esq.,** who has been appointed agent of the company.
