THE UNITED STATES
LIFE INSURANCE
ANNUITY & TRUST COMPANY.
Charter Perpetual
CAPITAL $250,000—CASH SYSTEM.

THE constant, unsolicited applications for Life Insurance, furnish the most abundant and gratifying proof, that the public mind is deeply impressed with the vast importance of this subject. The great object, however, of insurance, should be safety; otherwise the whole motive to insure may be disappointed. Too much care cannot be practiced in the selection of an office, with which to effect the contract. The choice should be regulated, not by present and constant large inducements, as this is certainly incompatible with future benefits. The premiums on life are calculated for the future. If present and prospective benefits, therefore, are given, the result, ultimately, must terminate in litigation, disappointment and ruin. The object aimed at in this institution is stability and perpetuity. The rates of premium have been carefully prepared with reference to fluctuations. The cash system has also been adopted. Unpaid premium notes constitute no part of the assets of this Company, and every contingency being fortified with an ample capital, security stamps the whole system. This feature, paramount to all other considerations, commends the company to public favor.

Explanatory pamphlets, blanks, application papers, information, and every facility, will be cheerfully furnished by D. M'CONAUGHY, Esq., who has been appointed agent of the company.

J. R. He has recently improved his facility for taking miniatures, by the addition of a splendid new and enlarged *German Camera*, manufactured by "Voigtlander and Son," who are acknowledged to be the most celebrated opticians in the world; thus the public can rest assured that he is ready to execute pictures in the best possible manner.

It needs but a remark to call the attention of the reader to the regret expressed by hundreds of not possessing an image of an absent or departed relative or friend.—Ladies and Gentlemen are therefore most respectfully invited to embrace the favorable opportunity by calling at his Daguerrean Gallery and have their miniatures taken.

SAMUEL J. LITTLE.
GEORGE H. LITTLE.

March 15, 1850.

R R R

A new and brilliant light has lately arisen and now stands high in the horizon, shedding its golden light of hope upon the dark despairing minds of the bed-ridden and afflicted with pain, like the bursting forth of the congenial rays of the sun upon the cold, dismal regions of the frigid zone. The three letters which head this paragraph is the signification of

RADWAY'S READY RELIEF.

An Instantaneous remedy for Pains of all kinds, the very instant Radway's Ready Relief is applied, its pain-relieving qualities are realized. It will relieve the most severe pains of Rheumatism, Lumbago, Gout, Paralysis, Tic Doloreux, &c., in a few minutes.

☞RHEUMATISM—Its Cause, Treatment, and Cure.

ALL RHEUMATIC PAINS INSTANTLY CURED BY RADWAY'S READY RELIEF.

Rheumatism arises from different causes, but most generally proceeds from Colds, exposure to cold damp weather, and sleeping in damp apartments. This complaint is divided into two classes; the first inflamatory, so called from the swelling and inflammation that attends the pains, in the parts affected; second, Chronic Rheumatism, so called from the long continuance of the disease. It is also known as Lumbago or pain in the back; Sciatica, or pains in the hip or groin; Anthrodynia or pains in the joints. The Acute Rheumatism generally terminates into one of these and becomes a chronic complaint.

A BEAUTIFUL PICTURE—A NEW LABEL STEEL ENGRAVING.

To protect the public against purchasing counterfeits of Radway's Chinese Medicated Soap, R. G. Radway, the celebrated Chemist of New York, has at a great expense engaged the services of one of the first artists of steel engraving in America, and will on the first of April, 1850, issue Radway's Medicated soap in its new label. It is a beautiful steel engraving, it represents two female figures of health and beauty, reclining on a tablet and scroll work, on which are the words "Radway's Medicated Soap" in illuminated letters.—On the opposite side of the tablet is the fac simile signature of R. G. Radway. The design is neat chaste, artistic, and elegantly executed.

AS A BEAUTIFIER OF THE SKIN.

It surpasses everything of the kind in the world, it removes Redness, Pimples, Blotches, Pustules, Tetters' Rash. It cures Salt Reum, Ring Worm, Sore Heads, Sores, Pustular Eruptions. It imparts health to the skin and beauty to the complexion. As a Nursery and Toilet Soap, it is beyond the reach of Rivalry, and for shaving purposes it is the best in use. One cake of Radway's Soap will last longer than three cakes of the same size of any other Soap in use, therefore it is the cheapest and best soap in the world. Price 25 cents, large cakes in engraved wrappers, and the signature of R. G. Radway upon each wrapper.

Now through the Harem chambers many lights
Of busy shapes proclaim the toilet rights—
While some bring balm from Circassia's fair,
To dress and beautify their lovely Hair,
Which makes the maids of Circassian sires
Within the breasts of kings pure love inspire.

TO DRESS AND BEAUTIFY THE HAIR.

Radway's Circassian Balm is becoming quite popular, in the course of time it will supercede all other preparations in use, it cures baldness, strengthens the hair, eradicates dandruff, and makes the hair soft, fine, and glossy. By using the balm as per direction, it will make it curl beautifully, resembling nature. Price 25 cents, in large bottles. See that Radway & Co., is upon each bottle.

It does not alone draw out the pain and inflammation, but cures the wounds WITHOUT SCARS!!!

BUSWELL'S
MINERAL PAINT.

A Superior article of Mineral Paint, warranted equal to any Paint ever before offered to the public for painting on Wood, Brick, Stone, Iron, Tin, or any substance which is exposed to Weather, Water, or the Atmosphere. It is

Proof against Fire, Water, and Weather,

AND UNCHANGEABLE IN ITS COLOR.

It mixes readily with Oil or Composition and is a beautiful dark brown or free-stone color.

This Paint received the Premium at the New York State Fair,

held at Albany in 1850, in competition with the Ohio Fire-Proof Paint, and several other kinds of Mineral Paint, as being superior to anything of the kind now in use.

CERTIFICATES.

We the undersigned, having seen and used BUSWELL'S Mineral Paint, can safely recommend it to the public as being an article superior to any Mineral Paint ever before offered for use; it is not unpleasant to use, like the NEWLY Ohio Paint which is harped about the country so much, but mixes up with oil like pure white lead. It is sold at half the price of common paint, and we believe where the color is desirable, it is worth twice as much, and as a Fire, Weather, or Waterproof Paint, we think it cannot be surpassed by anything in the Paint line now in use.

D Joslin,		N Dyer,

Oneida Depot, Oct. 30th, 1850.

Mr. Bushwell, Dear Sir: We have used, within the past month, some 2,000 lbs. of your Mineral Paint, in painting cars, car houses, and freight houses upon our road, and we can safely recommend it as a very superior, durable and cheap article of Paint. HEMAN H. PHELPS.

Superintendent of the Syracuse & Utica R. R

Mr Buswell, Dear Sir: I have used for the Syracuse & Utica R. R. Company, over a ton of your Mineral Paint, and I find upon using it to be far preferable to the Oil Paint, or any other kind now in use. I can also recommend it as being superior to White Lead for any kind of out door painting, as it appears to be impervious to water, and unchangeable in color.

HORACE JOHNSON,
Painter for S. & U. R. R. Co.
Albany, Dec. 1, 1850.

Mr. Buswell, Dear Sir: Having used a considerable quantity of your Mineral Paint, in painting brick and wooden houses, the past season, I have taken extra pains to try and test it in various ways, from its trial and composition I can warrant it to be durable both in quality and color; it mixes beautifully with oil—paints very easy—and for ship or boat painting, I think there has no better paint ever been introduced. I have used considerable of it with water and glue composition, for course, cheap painting, and it exceeds any thing I ever saw. Truly Yours,

THOS. B. JOSIN.
House Painter.
