We the undersigned, having seen and used BUSWELLE'S Mineral Paint, can safely recommend it to the public as being an article superior to any Mineral Paint ever before offered for use ; it is not unpleasant to use, like the money Ohio Paint which is harped about the country so much, out mixes up with oil like pure white lead. It is sold at half the price of common paint, and wo twice as much, and as a Fire, Weather, or Waterproof Paint, we think it cannot be surpassed by mything in the Paint line new in use.
