j cral other kinds of Mineral Paint, as being superior to anything of the kind now in CERTIFICATES.

We the undersigned, having seen and used BUSWELL'S Mineral Paint, can safely recommend it to the public as being an article superior to any Mineral Paint ever before offered for it is not unpleasant to use, like the MUDDY Ohio Paint which is harped about the country so much, but mixes up without like pure white lead. It is sold at half the price of common paint, and we believe where the color is desirable, it a worth twice as much, and as a Fire, Weather, or Waterproof Paint, we think it cannot be surpassed by

anything in the Paint line now in the.

Dear Sir: Having used a consid-table quantity of your Mineral Paint, in painting brick and wooden houses, the past season, I have taken extra pains to try and test it in various ways, from its trial and composition I can warrant it to be durable both in quality and color; it mixes beautifully with oil—prints very easy—and for ship or boat painting. I think there has no
