count of the proceedings:

"Mr. Mangum resumed the chair, as the presiding officer of the former meeting. The first motion was submitted by Mr. Stanly of North Carolina, to fix a time and place for holding the National Convention, naming Baltimore and the 8th of June. Mr. Marchall of Kentucky has been uplied for west. Convention, naming Baltimore and the 8th of June. Mr. Marshall of Kentucky and adversity, for which is many gallant resolutions, virtually affirming the control their energies and dedigners. When he concluded there was a decided their proposition to be out of order, but signified, atthough parliamentary usage exacted this fate of the fate o

proposition to be out of order, but signified, although perliamentary usage exceed the although perliamentary usage exceed the seed for prophet to forted what must decision, he was perfectly willing and the seed of the party.

"Mark both of the inserting anxious to admit a fall discussion of all such objects, after the legitimate business of the measures. But this question about the register than the street, and the State House was perfected to their respective in the street of the measures. But this fugitive desired that a fall discussion of the streets, and t

conciliation. At this point, Mr. Marshall and Mr. Willians, of Tenn., should go fremoving the marked in the floriteithiral Hall.

If we held in the Horiteithiral Hall.

If we held in the revergence roots of this country, was said with the every queries of this ideas to an excellent hall we such an excellent hall we such and the weight of mind the heads of the country of the sound of the position of a member of organism of the heads of the position of a member of organism of the Mission Hall we say and the weapond seed sown in the fall times, but the revergence roots of this country, was conded by the said and the position of a member of organism of the heads of the position of the held in the Horiteithiral Hall.

If we had not not provide the assemble in control was a state of the Long Hall was an It we seed the said and the weapon the weapon the the wood of the w

station of gestlemen from the meeting, station for presentations, station for hand prepared a set of resolutions, covering the whole ground of constituted such that it was the proper duty of the National Convention to announce the principles upon which candidates should be presented to the country. Not withstanding this conviction, he was willing and ready to sustain any compromises modion that might be brought forward.

In the following account of the presentation to Mr. Clay of the counterpart of the gold medal which was recently lost:

The committee of gentlemen from N. York, Messrs. Ullman, Leupp, and Prace, charged with the presentation to announce the contribution of the National Convention to announce the principles upon which candidates should be presented to the country. Not withstanding this conviction, he was willing and ready to sustain any compromise moderated in the metric of gentlement from N. York, Messrs. Ullman, Leupp, and Prace, charged with the presentation to Illenty to the whole read and which was recently lost; performed their agreesable and interesting duty in this cuty of Sunday last.

It was done without any form or ceremony, at a private metric with the following account of the presentation, and has the following account of the presentation of the Presentation, and has the following account of the presentation to Mr. Clay of the counterpart of the segment in the Sunate, and of the Anti-Kidnapping Law of 1847, is a follows. We place in it follows. The call for such a very such that we country. We such that we c
