Adams county, finds it to work beautifully, matter what its name, can perform the same functions, as are reported in my sight page The baths are now ready for use, and will be open to subscribers on the following from it, by constantly making a barrel of superfine flour from 240 pounds of good wheat, on a straight average grind, without purposes. This process can be adapted to country work to the same advantage as Merchant work. The Milling community are respectfully invited to call at my Mill, one and a half miles S. West of Littlestown, where they can see the whole process in full operation, witness its simplicity and perfection, find that it works to admiration, its application is as dangerous. and no mistake. The undersigned has procured the right, and is now prepared to sell County, township and individual rights in the following Territory:

Adams, Franklin, Cumberland, Dauphin, York, Lebanon, Chester, Berks, and Lancaster County and City, in l'ennsylvania, and Allegheny, Washington and Frederick, Carroll, Howard, Anne Arundel, and Baltimore County and City in Sole inventor and proprietor, General Depot, 415 Maryland.

This process has been introduced, and is now in use in many of the most extensive Michigan and Ohio, all of which are making a barrel of superfine flour from 240 pounds of wheat upon a straight average grind.
