by addressing the General. The sound, RELIGIOUS CHARACTER OF MR. CLAY. THE STAR AND BANNER by addressing the General. Law sound, Theodore Frelinghuysen, who served with General's ear, and quickly turning, bade Mr. Clay many years in the Senate, and the man search for the spot from whence the sound proceeded, while he prepared to assist in the act himself. It was not long before the object of their search was found. the religious character of his friend and Alone beneath a huge broken rock lay a associate. It is from his own private soldier with both of his legs shot away a correspondence. bove his knees. The instant his eyes caught the aight of his beloved chief, he with difficulty raised himself upon his side, and extending his hand while a smile play serious and derout temper, would be grated over his pallid features, he said: "Genter of the said over his pallid features, he said: "Genter of the said: "G The reply of Scott was chooked by a deep noblest—that however human distinction sigh. Stripping the clock from his person, he was about to lay the wounded man within it, and with the aid of his follower bear him to where a party of soldiers were hasy in assisting the surgeons. The wounded man, however, anticipating his motives, laid his hand solemnly upon his sakes

shoulders, and said-"No, General, no! In 1836, after the severe doinestic effic-This must not be. I have but a few hours tion in the duath of a married daughter, he to live, and would fain die where I rest." wrote to a friend:
But sit beside me, General, for I have "I thank you for the deep interest you so something to impart to you, and shall die kindly take in my spiritual welfare. I John Mickey, jr., (of Hamiltoni more easy after I have spoken." General would be most happy to have full configuration of that denie and assurance on that serious subject. rade and as the pale moon wandered It is one on which, if I had given no evithrough the blue wault of heaven, she witnessed the feeling which filled the breast of my serious thoughts. I have long and conGeneral Scott. The soldier spake as folspatter refreshed with the greatest column.

General Scott. The soldier spake as follows:

When I landed from Ireland, about three years since, I had a wife and four three years since, I had a wife and four levely children. The scanny stote that I shall possessed was but little above one hundred dollars. But my hopes were high and my heart bold. With a determina of possessed was but little above one hundred with the gristent solicing the number of the Locofood papers have put little possessed was but little above one hundred with the gristent solicing the number with a solumn conviction of the Locofood papers have put little possessed was but little above one hundred dollars. But my hopes were high in the city of New York. For is month; to my read and my heart bold. With a determina to pursue my way industriously, I set to my hope with a my hope with a my hope were high in the city of New York. For is month; things went on to my salisfaction, and I have long been persuaded of this sole must honghir I was about to realize my most in thought I was about to realize my most in the city of New York. For is month; things went on to my salisfaction, and I have long been persuaded of this colerant persuades and into the city of New York. For is month; things went on to my salisfaction, and I have long been persuaded of this sole must honghir I was about to realize my most.

I hought I was about to realize my most in the city of New York. For is month; the sole man and the city of New York. For is month; the sole man and the city of New York. For is month; the sole man and the city of New York. For is month; the sole man and the city of New York. For is month; the sole man and the city of New York. For is month; the pollucial mitches is nothing that there is a Pierce club in New and the city of New York. For is month; the pollucial mitches under the man yorm a range of the who would score to have you as their boot. Truth I have to sold of the theory of the work of the work that there is nothing that there is nothing the man with the city of the work there is no hi I thought I was about the realize my most arise that must are the small-pox; and in one week my wife and two daughters were horne away to the grave. I escaped the disease, atthough I would add that I was that the small pox; and the small pox and the small pox

never left their hedgide. Would to God laddly well down, for then I had gescaped had fullowed them, for then I had gescaped much missey. But I've little time left to horpors or possessions can give."

Harper's Now Monthly Magrzine, for Jone their left to horpors or possessions can give."

In 1846, he again write:

"I am greatly obliged, my dear friend for the Jersey City-hoat to you from the Jersey of the dorson hout the resolution at our nearly the resolution at our nearly your command. The nearly object of the resolution at our nearly your command. The nearly of the resolution by going to the rendezvous. England, are sustainable under the trea ty, the matter will be engined and the continue by testiter will be easily settled. If, on the other hand, an official examination of the subject leads to the conclusion that the pretentions of the provinces, are sustainable under treaty stipulations, albeit prejudicial to our people, that may form a valid to our people, that may form a valid to our people. prejudicial to our people, that may form a wild reason for considering and determining the quest of that letter, or cease your abuse of men self—who ought to have been at the head A coquette is a rose by

erd, who for years has been a working man in the Democratic ranks, and who had done that party good service. On Monday George met a Democratic friend who had just returned from the West, and whose first inquiry was, "Well, George, how's politics!" George answered, "I'm afraid we'll have to part this time, for I go for Winfield "Do you?" shouted his friend, "give us ! your hand on that, old fellow, so do I !"-

> ANECDOTE OF GENERAL SCOTT .- The Tecumsel (Mich.) Herald ralates the following anecdote: "A cuizen of our town gives a remark while by Gen. Scott at Fort George, in 1813. A British flag was sent to the American army. The carmer was sent to Gen. Scott's tent, and said to him: 'Our' General has sent me with this flag to request that you surrender to him, for if you! lo not, he shall be compelled to storm the fort, and he will not be responsible for the Indians. The reals of General Scott was this: "Tell your General to come on and storm the fort, and I will be responsible for the Indians."

THE FIRST APPLICATION OF A POPULAR

EPITHET. The Democrate have taken into much favor the spithet of "Fuss and

Feathers," as applied to General Scott, and

the origin of the phrase has since become a matter of grave inquiry among the learn-

ed political philologists. It is generally
