BUSENELLS' MINERAL PAINT.

A Superior article of Mineral Paint warranted equal to any Paint ever before offered to the public for painting on Wood, Brick, Stone, Iron, Tin, or any substance which is exposed to Weather, Water, or the Atmosphere. It is

Proof against Fire, Water, and Weather,

AND UNCHANGEABLE IN ITS COLOR.

It mixes readily with Oil or Composition, and is a beautiful dark brown or free-stone color.

This Paint received the Premium at the New York State Fair,

Held at Albany in 1850, in competition with the Ohio Fire-Proof Paint, and several other kinds of Mineral Paint, as being superior to anything of the kind now in use.

CERTIFICATES.

We the undersigned, having seen and used BUSWELL'S Mineral Paint, can safely recommend it to the public as being an article superior to any Mineral Paint ever before offered for use; it is not unpleasant to use, like the many Ohio Paint which is harped about the country so much, but mixes up with oil like pure white lead. It is sold at half the price of common paint, and we believe where the color is desirable, it is worth twice as much, and as a Fire, Weather, or Water-proof Paint, we think it cannot be surpassed by anything in the Paint line now in use.

Mr. Buswell, Dear Sir: We have used, within the past month, some 2,000 lbs. of your Mineral Paint, in painting cars, car houses, and freight houses upon our road, and we can safely recommend it as a very superior, durable and cheap article of Paint. HEMAN H. PHELPS,

Superintendent of the Syracuse & Utica R. R.

Mr Buswell. Dear Sir: I have used for the Syracuse & Utica R. R. Company, over a ton of your Mineral Paint, and I find upon using it to be far preferable to the Oil Paint, or any other kind now in use. I can also recommend it as being superior to White Lead for any kind of out door painting, as it appears to be impervious to water, and unchangeable in color.

HORACE JOHNSON.
Painter for S. & U. R. R. Co.
Albany, Dec. 1, 1850.

Mr. Buswell, Dear Sir: Having used a considerable quantity of your Mineral Paint, in painting brick and wooden houses, the past season, I have taken extra pains to try and test it in various ways, from its trial and composition I can warrant it to be durable both in quality and color; it mixes beautifully with oil—paints very easy—and for ship or boat painting, I think there has no better paint ever been introduced. I have used considerable of it with water and glue composition, for coarse, cheap painting, and it exceeds any thing I ever saw. Truly Yours,

THOS. B. JOSIN.
House Painter.

MURDER

IS a most revolting crime, and as Court is near at hand some of our citizens will be called upon to discharge high and responsible duties as judges of evidence and facts that may be proven before them. As their verdict will necessarily be final, it should be based upon truth, justice and facts So should our verdicts always be based, whether in matters concerning life, liberty, or property, or in business matters. Every father, mother, son, and daughter is interested where they can buy to the best advantage; and we therefore say to them, that it is for their interest to call and examine

SAMSON'S

Ready-made Clothing and Variety Store,

in Gettysburg, where Goods are sold cheaper than at any other establishment—notwithstanding all the talk of others about "cheaper than the cheapest," "30 per cent. cheaper," &c. If you doubt this—or that he defies competition either in Gettysburg or elsewhere—just give him a call and satisfy yourselves.

There are those, who, prompted by selfish motives, sometimes decry Ready-made Clothing, as being defectively made up or made out of damaged materials. This may do to blind the unthinking, but not those who will take the trouble to examine my large assortment of goods. I invite gentlemen to call and say whether they have not paid as high as $8 and $10 per yard for cloths no better than that in my coats, which are made up too by a regular New York tailor. Occasionally an article may prove defective, but where is the merchant that has never sold a piece of cloth, cassinette, calicoe, or muslin, which did not turn out to be bad. It is impossible to prevent this altogether, even with the best of judges.

Time is said to be money, and money is said to be time. So they are, if properly applied. And herein lies the secret of my ability to sell goods lower than any body else. Instead of running to the city, and spending a few days in hastily purchasing goods at market prices, I spend as many weeks and even months as others do days—thus buying to advantage, with care, and frequently at almost half the market prices. Hence I am enabled to sell the same goods to my customers much lower than others, and frequently one-half lower.

Besides, I adopt no two-price system, by which one customer is required to pay 10 or 20 per cent. more than others. Putting my goods down to the lowest mark, and having but ONE PRICE, the purchaser may rely upon being honestly dealt with. It is very easy to put a fictitious value on goods, and then allow customers to "jew" down to a fair value occasionally, but when that is done it is time to look out!—there is something wrong. One price and small profits is the only fair and true system.

My present stock consists of every seasonable article that belongs to Men's and Boys' Clothing, together with a very large variety of FANCY GOODS, Jewelry, Accordeons, Violins, Revolvers, and other Pistols, Clocks, Trunks, Carpet-Bags, Violin and Guitar Strings, &c., all of which will be sold at prices to satisfy any reasonable mind that SAMSON'S is the place to buy the cheapest goods. Thanking my friends and customers for their past patronage, and hoping to merit a continuance of the same by a strict adherence to the ONE PRICE principle, I invite them to give me a call at my Store, opposite the Bank, in Gettysburg.

VAUGHN'S

LITHONTRIPTIC MIXTURE!

Large Bottles—Only One Dollar.

The Proprietor of the Great American Remedy "VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE," induced by the urgent solicitations of his Agents, throughout the United States and Canada, has now

Reduced the Price

of his popular and well known article; and from this date, henceforth, he will put on but one size only,—his quart bottles:—the retail price will be

ONE DOLLAR.

The public may rest assured that the character of the Medicine, its strength, and curative properties WILL REMAIN UNCHANGED, and the same care will be bestowed in preparing it as heretofore.

As this medicine, under its reduced price, will be purchased by those who have not hitherto made themselves acquainted with its virtues, the proprietor would beg to intimate that his article is not to be classed with the vast amount of "Remedies of the day;" it claims for itself *a greater healing power, in all diseases, than any other preparation now before the world:* and has sustained itself for eight years by its superior medical virtues, and, until this reduction, commanded double the price of any other article in this line.

NOTICE PARTICULARLY, this article acts with great healing power and certainty, upon the

Blood, Liver, Kidneys, Lungs,

and all other organs, upon the proper action of which life and health depend.

This medicine has a justly high repute as a remedy for

Dropsy and Gravel,

and all diseases of that nature. It may be relied upon when the intelligent physician has abandoned his patient,—and for these distressing diseases, more especially DROPSY, the proprietor would earnestly and honestly recommend it. At its present price it is easily obtained by all, and the trial will prove the article to be the

Cheapest Medicine in the World!

☞Please ask for pamphlets—the agents give them away they contain over sixteen pages of receipts, (in addition to full medical matter) valuable for household purposes, and which will save many dollars per year to practical housekeepers.

These receipts are introduced to make the book of great value, aside from its character as an advertising medium for the medicine, the testimony in favor of which, in the form of letters from all parts of the country, may be relied upon.

☞"Vaughn's Vegetable Lithontriptic Mixture"—the Great American Remedy, now for sale in quart bottles at $1 each, small bottles at 50 cts each. No small bottles will be issued after the present stock is disposed of.

DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS PREPARED BY

DR. C. M. JACKSON,

AT THE GERMAN MEDICINE STORE, 120 Arch street, Philadelphia.

Their power over the above diseases is not excelled—if equaled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians have failed.

These bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

READ AND BE CONVINCED.

From the "Boston Bee."

The editor said, Dec. 22nd

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day.—These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"Scott's Weekly," one of the best Literary papers published said, Aug. 25—

"Dr Hoofland's German Bitters, manufactured by Dr. Jackson are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have had upon weak systems."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the best family newspaper published in the U. States.

The editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten altes they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the forgoing) from all sections of the Union, the last 3 years, and the strongest testimony in its favor, is, that there is more of it used in the practice of
